The Jaguar Smile Bantam

In these pages, Rent offers what most theater books can't: a chance to step behind the curtain and feel the electricity of a stage phenomenon as it unfolds. Rent has single-handedly reinvigorated Broadway and taken America by storm. Sweeping all major theater awards, including the 1996 Pulitzer Prize for drama, as well as four 1996 Tony Awards including Best Musical, Best Book, and Best Score for a Musical, Rent captures the heart and spirit of a generation, reflecting it onstage through the emotion of its stirring words and music, and the energy of its young cast. Now, for the first time, Rent comes to life on the page -- through vivid color photographs, the full libretto, and an

utterly compelling behind-the-scenes oral history of the show's creation. Here is the exclusive and absolutely complete companion to Rent, told in the voices of the extraordinary talent behind its success: the actors, the director, the producers, and the librettist and composer himself, Jonathan Larson, whose sudden death, on the eve of the first performance, has made Rent's life-affirming message all the more poignant.

The New York Times Supersized Book of Sunday Crosswords Simon and Schuster
Longlisted for the 2019 Man Booker International Prize Felipe and Iquela, two young friends in modern day Santiago, live in the legacy of Chile's dictatorship. Felipe prowls the streets counting dead bodies real and imagined, aspiring to a perfect number that might offer closure. Iquela and

Paloma, an old acquaintance from Iquela ' s childhood, search for a way to reconcile their fragile lives with their parents ' violent militant past. The body of Paloma ' s mother gets lost in transit, sending the three on a pisco-fueled journey up the cordillera as they confront the pain that stretches across generations.

Joan Mitchell Farrar, Straus and Giroux
Twelve Brief Tales Recounting The Adventures Of A Variety Of Children.

What Just Happened Univ of California Press
Based on the incredible true story of one woman's journey to the exotic world of nineteenth-century Siam, the riveting novel that inspired *The King and I*. In 1862, recently widowed and with two small children to support, British schoolteacher Anna Leonowens agrees to serve as governess to the children of King Mongkut of Siam (present-day Thailand), unaware that her years in the royal palace will change not only her own life, but also

the future of a nation. Her relationship with King Mongkut, famously portrayed by Yul Brynner in the classic film *The King and I*, is complicated from the start, pitting two headstrong personalities against each other: While the king favors tradition, Anna embraces change. As governess, Anna often finds herself at cross-purposes, marveling at the foreign customs, fascinating people, and striking landscape of the kingdom and its harems, while simultaneously trying to influence her pupils—especially young Prince Chulalongkorn—with her Western ideals and values. Years later, as king, this very influence leads Chulalongkorn to abolish slavery in Siam and introduce democratic reform based on the ideas of freedom and human dignity he first learned from his beloved tutor. This captivating novel brilliantly combines in-depth research—author Margaret Landon drew from Siamese court records and Anna’s own writings—with richly imagined details to create a lush portrait of 1860s Siam. As a Rodgers & Hammerstein Broadway musical and an

Academy Award–winning film, the story of Anna and the King of Siam has enchanted millions over the years. It is a gripping tale of cultural differences and shared humanity that invites readers into a vivid and sensory world populated by unforgettable characters.

Ashes to Ashes HarperCollins

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope,

justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today.

According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

New York Times Daily Crosswords Wipf and Stock Publishers

The Saturday New York Times crossword puzzle is the most challenging puzzle of the week, which is why it has gained such an eager following. The most serious solvers know that actually finishing

the puzzle is no small feat. Collected for the first time in a convenient and portable book form, *Super Saturday* has 75 puzzles sure to test not only knowledge but patience as well.

USA TODAY Crossword Sterling Publishing Company, Inc.

One of The Millions' "Most Anticipated Books of 2022" One of PureWow's "10 Books We Can't Wait to Read in January" One of BookShop.org's "Notable New Releases" One of The New York Times Book Review's "16 New Books Coming in January" One of Poets & Writers' "New and Noteworthy Books" "David Sanchez's first novel—brilliant, lyrical, hilarious, heartbreaking—is the definitive handbook to hell and back . . . A stunning debut."—Cristina García, author of *Dreaming in Cuban* For fans of Denis Johnson and Ocean Vuong: A captivating, searing, and ultimately redemptive debut novel about coming of age on

Florida's drug-riddled Gulf Coast and the enigmatic connection between memory and self. David has a mind that never stops running. He reads Dante and Moby Dick, he sinks into Hemingway and battles with Milton. But on Florida's Gulf Coast, one can slip into deep water unconsciously; at the age of fourteen, David runs away from home to pursue a girl and, on his journey, tries crack cocaine for the first time. He's hooked instantly. Over the course of the next decade, he fights his way out of jail and rehab, trying to make sense of the world around him—a sunken world where faith in anything is a privilege. He makes his way to a tenuous sobriety, but it isn't until he takes a literature class at a community college that something within him ignites. *All Day is a Long Time* is a spectacular, raw account of growing up and managing, against every expectation, to

carve out a place for hope. We see what it means, and what it takes, to come back from a place of little control—to map ourselves on the world around, and beyond, us. David Sanchez's debut resounds with real force and demonstrates the redemptive power of the written word.

Anna and the King of Siam St. Martin's Griffin

Roger Ebert's *I Hated Hated Hated This Movie*, which gathered some of his most scathing reviews, was a best-seller. This new collection continues the tradition, reviewing not only movies that were at the bottom of the barrel, but also movies that he found underneath the barrel. From Roger's review of *Deuce Bigalow: European Gigolo* (0 stars): "The movie created a spot of controversy in February 2005. According to

a story by Larry Carroll of MTV News, Rob Schneider took offense when Patrick Goldstein of the Los Angeles Times listed this year's Best Picture nominees and wrote that they were 'ignored, unloved, and turned down flat by most of the same studios that . . . bankroll hundreds of sequels, including a follow-up to Deuce Bigalow: Male Gigolo, a film that was sadly overlooked at Oscar time because apparently nobody had the foresight to invent a category for Best Running Penis Joke Delivered by a Third-Rate Comic.'

Schneider retaliated by attacking Goldstein in full-page ads in Daily Variety and the Hollywood Reporter. In an open letter to Goldstein, Schneider wrote: 'Well, Mr. Goldstein, I decided to do some research to find out what awards you have won. I went online and found that you have won nothing. Absolutely nothing. No journalistic awards of any kind. . . . Maybe you didn't win a Pulitzer Prize because they haven't invented a category for Best Third-Rate, Unfunny Pompous Reporter Who's Never Been Acknowledged by His Peers. . . .' Schneider was nominated for a 2000 Razzie Award for Worst Supporting Actor, but lost to Jar-Jar Binks. But Schneider is correct, and Patrick Goldstein has not yet won a Pulitzer Prize. Therefore, Goldstein is not qualified to complain that Columbia financed Deuce Bigalow: European Gigolo while passing on the opportunity to participate in Million Dollar Baby, Ray, The Aviator, Sideways, and Finding Neverland. As chance would have it, I have won the Pulitzer Prize, and so

I am qualified. Speaking in my official capacity as a Pulitzer Prize winner, Mr. Schneider, your movie sucks."

Easy Monday Crosswords BookRix

"Billionaire Wilderness offers an unprecedented look inside the world of the ultra-wealthy and their relationship to the natural world, showing how the ultra-rich use nature to resolve key predicaments in their lives. Justin Farrell immerses himself in Teton County, Wyoming--both the richest county in the United States and the county with the nation's highest level of income inequality--to investigate interconnected questions about money, nature, and community in the twenty-first century. Farrell draws on three years of in-depth interviews with "ordinary"

millionaires and the world's wealthiest billionaires, four years of in-person observation in the community, and original quantitative data to provide comprehensive and unique analytical insight on the ultra-wealthy. He also interviewed low-income workers who could speak to their experiences as employees for and members of the community with these wealthy people. He finds that the wealthy leverage nature to climb even higher on the socioeconomic ladder, and they use their engagement with nature and rural people as a way of creating more virtuous and deserving versions of themselves. Billionaire Wilderness demonstrates that our contemporary understanding of the relationship between the ultra-wealthy and

the environment is empirically shallow, and our reliance on reports of national economic trends distances us from the real experiences of these people and their local communities"--

THE INSTANT NEW YORK TIMES

BESTSELLER In an era of safe spaces, trigger warnings, and an unprecedented election, the country's youth are in crisis. Senator Ben Sasse warns the nation about the existential threat to America's future. Raised by well-meaning but overprotective parents and coddled by well-meaning but misbegotten government programs, America's youth are ill-equipped to survive in our highly-competitive global economy. Many of the coming-of-age rituals that have defined the American experience since the Founding: learning the value of working with your hands, leaving home to start

a family, becoming economically self-reliant—are being delayed or skipped altogether. The statistics are daunting: 30% of college students drop out after the first year, and only 4 in 10 graduate. One in three 18-to-34 year-olds live with their parents. From these disparate phenomena: Nebraska Senator Ben Sasse who as president of a Midwestern college observed the trials of this generation up close, sees an existential threat to the American way of life. In *The Vanishing American Adult*, Sasse diagnoses the causes of a generation that can't grow up and offers a path for raising children to become active and engaged citizens. He identifies core formative experiences that all young people should pursue: hard work to appreciate the benefits of labor, travel to understand deprivation and want, the power of reading, the importance of nurturing your body—and explains how parents can encourage them. Our democracy depends on responsible, contributing adults to function properly—without them America falls prey to populist demagogues. A call to arms, *The Vanishing American Adult* will ignite a much-needed debate about the link between the way we're raising our children and the future of our country.

AARP Large Print Crossword Puzzles Knopf As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and

versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the*

Sidewalk Ends, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

The Curious History of the Crossword Random House Puzzles & Games

A fully realized portrait of one woman's life in all its complexity, by the National Book Award-winning author An ordinary life—its sharp pains and unexpected joys, its bursts of clarity and moments of confusion—lived by an ordinary woman: this is the subject of *Someone*, Alice McDermott's extraordinary return, seven years after the publication of *After This*. Scattered recollections—of childhood, adolescence, motherhood, old age—come together in this transformative narrative, stitched into a vibrant whole by McDermott's deft, lyrical voice. Our first glimpse of Marie is as a child: a girl in glasses

waiting on a Brooklyn stoop for her beloved father to come home from work. A seemingly innocuous encounter with a young woman named Pegeen sets the bittersweet tone of this remarkable novel. Pegeen describes herself as an "amadan," a fool; indeed, soon after her chat with Marie, Pegeen tumbles down her own basement stairs. The magic of McDermott's novel lies in how it reveals us all as fools for this or that, in one way or another. Marie's first heartbreak and her eventual marriage; her brother's brief stint as a Catholic priest, subsequent loss of faith, and eventual breakdown; the Second World War; her parents' deaths; the births and lives of Marie's children; the changing world of her Irish-American enclave in Brooklyn—McDermott sketches all of it with sympathy and insight. This is a novel that speaks of life as it is daily lived; a crowning achievement by one of the finest American writers at work today. Another great book of puzzle-solving challenges at a popular price! Fans have already snapped up the first 15 volumes of Los Angeles Times Crosswords, because the series is the best value on the market, and the most entertaining. These crosswords are not only more mainstream and fun than

the ones in The New York Times, but each book contains a generous 72 puzzles--not the mere 50 of competing volumes. Plus, they're one dollar less than the competition, so you'll really get more enjoyment for the money. The stay-open, lie-flat, specially reinforced spiral binding makes it easier to work on the puzzles anywhere, too.

Flamin' Hot Harper Collins

"Rough-Hewn Land tells the geologic story of the American West--the story of its rocks, rivers, mountains, earthquakes, and mineral wealth, including gold. It tells it by taking you on a 1000-mile-long field trip across the rough side of the continent from the California coast to the Rocky Mountains. This book puts you on the outcrop, geologic hammer in hand, to explore the evidence for how the spectacular, rough-hewn lands of the West came to be. When North America broke free from Eurasia and Africa some 200

million years ago, it triggered a cascade of violent geologic events that shaped the West we see today. As the west-moving continent crunched across the seabed of the ancient Pacific, islands and assorted pieces of ocean floor collected against its prow to build California--and plant gold there too.

Meanwhile, mountains squeezed upward from California to Colorado, and vast quantities of molten rock seeded the crust with precious metals while spewing volcanic fire across the land. Later, the land stretched like an accordion to form the washboard-like Basin and Range province and Great Basin within it, while California began to crackle along the San Andreas fault. Throughout the West today, a near-constant drumroll of earthquakes testifies to a world still reshaping itself in response to the ceaseless movements of the Earth's tectonic plates. Rough-Hewn Land weaves these stories into the human history of the West. As we follow the adventures of John C. Frémont, Mark Twain, the Donner party, and other historic characters, we see

how geologic forces have shaped human experience,
just as they direct the fate of the West today"--
