Les filles sont partout dans ce roman. Elles mènent la danse. De New York à Paris, de la Bourgogne à Londres ou à Miami. Des filles qui inventent, s'enflamment, aiment. Des filles qui se battent pour la vie. Et les hommes ? Ils sont là aussi. Mais ce sont les muchachas qui dansent, dansent, dansent. Elles font voler les destins en éclats. Et ça n'en finit pas !

Now a major motion picture starring Amber Heard, Shiloh Fernandez, Kellan Lutz, and Brittany Snow Scat (formerly known as Michael Holloway) is young, underemployed, and trying to make it in Los Angeles. When he comes up with the idea for the hottest new soda ever, he’s sure he’ll become the next overnight sensation, maybe even retire early. But in the treacherous waters of corporate America there are no sure

things and Scat finds that he has to fight to save his idea if his yet-to-be-realized career will ever get off the ground. With the help of a scarily gorgeous and brilliant marketing director named 6, he sets out on a mission to grab hold the fame and fortune that, time and again, elude him. This sharp-witted novel is a scathingly funny satire of celebrity, the pop culture machine, and the length to which a guy will go to get ahead—and get a date while doing it.

Meet Lou! She's hardly your average 12 year old. Her handmade outfits are the talk of the school (even though they make the other girls laugh), and her homework gets a lot of attention from her teachers (even though it lands her in the shrink's office). Home sweet home is an apartment she shares with her couch-potato mom and a cat named Cat. At least she can pour her heart out to her best friend, Mina, and scribble her dreams in her secret diary. Now that she's almost a teenager, Lou's life is becoming even more interesting. Playing with dolls has lost its appeal and the boy across the street gets cuter every day. The new neighbor, Richard, just might be the perfect match for Lou's mom. But will Lou or her mom ever pluck up their courage and actually talk to their crushes?

Written by two former nannies, Emma McLaughlin and Nicola Kraus, *The Nanny Diaries* deftly punctures the glamour of Manhattan's upper class. Now a major motion picture starring Scarlett Johansson and Laura Linney. Wanted: One young woman to take care of four-year-old boy. Must be cheerful, enthusiastic and selfless--bordering on masochistic. Must relish sixteen-hour shifts with a deliberately nap-deprived preschooler. Must love getting thrown up on, literally and figuratively, by everyone in his family. Must enjoy the delicious anticipation of ridiculously erratic pay. Mostly, must love being treated like fungus found growing out of employers Hermès bag. Those who take it personally need not apply. Who wouldn't want this job? Struggling to graduate from NYU and afford her microscopic studio apartment, Nanny takes a position caring for the only son of the wealthy X family. She rapidly learns the insane amount of juggling involved to ensure that a Park Avenue wife who doesn't work, cook, clean, or raise her own child has a smooth day. When the Xs' marriage begins to disintegrate, Nanny ends up involved way beyond the bounds of human decency or good taste. Her tenure with the X family becomes a nearly impossible mission to maintain the mental health of their four-year-old, her own integrity and, most importantly, her sense of humor. Over nine tense months, Mrs. X and Nanny perform the age-old dance of decorum and power as they test the limits of modern-day servitude.

Shut Your Eyes Tight (Dave Gurney, No. 2) Albin Michel
Katherine Pancol, en esta segunda novela de la «Trilogía de París», nos presenta una historia llena de alegrías, miedos y sueños. Una frenética búsqueda de sentido en la maravillosa complejidad de la vida. A Joséphine Cortès ya no le importa su (ex)marido o si algún cocodrilo se lo ha comido en Kenia. Gracias al éxito de su novela, se acaba de mudar a un apartamento en el elegante distrito de Passy, está gestionando su divorcio y al fin ha salido de la sombra de Iris. Por fin libre, Joséphine se dispone a buscar el amor sin perder de vista a su hija menor, Zoé, una adolescente rebelde y atormentada, y a Hortense, su hija mayor, que estudia moda en Londres. Todo parece ir bien... Mientras Joséphine lucha por redescubrir su voz y confianza, ella y los que la rodean deben aprender a seguir adelante con determinación en un mundo de seductores, sinvergüenzas, estafadores... y gente buena, honesta y generosa.

Et monter lentement dans un immense amour... Samuel French, Inc.
Le Divorce meets The Elegance of the Hedgehog in this hilariously entertaining mega-bestseller from France When her chronically unemployed husband runs off to start a crocodile farm in Kenya with his mistress, Joséphine Cortès is left in an unhappy state of affairs. The mother of two—confident, beautiful teenage Hortense and shy, babyish Zoé—is forced to maintain a stable family life while making ends meet on her meager salary as a medieval history scholar. Meanwhile, Joséphine’s charismatic sister Iris seems to have it all—a wealthy husband, gorgeous looks, and a très chic Paris address—but she dreams of bringing meaning back into her life. When Iris charms a famous publisher into offering her a lucrative deal for a twelfth-century romance, she offers her sister a deal of her own: Joséphine will write the novel and pocket all the proceeds, but the book will be published under Iris’s name. All is well—that is, until the book becomes the literary sensation of the season.

El vals lent de les tortugues Macmillan
The international bestselling story collection. “Truth and beauty are here brought together with all the visual beauty and power of a major literary work” (Lire Magazine, France). A cast of extravagant and affecting characters lovingly portrayed by Eric-Emmanuel Schmitt animates these eight contemporary fables about people in search of happiness. One of Europe's most popular and bestselling authors, Eric-Emmanuel Schmitt captivates the reader with his spirited style and enchanting stories that move effortlessly from the everyday to the fantastical. The eight stories in this collection, his first to be published in English, represent his best and most imaginative storylines: from the touching and surprising love story between Balthazar, a wealthy author, and Odette, a shop clerk, to the tale of a barefooted princess; from the moving title story about a group of female prisoners in a Soviet gulag to the entertaining portrait of a perennially

disgruntled perfectionist. Behind each story lies a simple, if elusive, truth: though we may be frequently blind to it, happiness is often right in front of our eyes.

Rose est une jeune biologiste. Elle fait des recherches à Paris et à New York sur une luciole, Lamprohiza splendidula, qui semble très prometteuse pour la recherche médicale. Si elle étudie avec grande maîtrise l'alchimie sexuelle des insectes et leur reproduction, elle se trouve totalement désemparée face à Léo quand elle en tombe amoureuse. La vie n'est pas comme dans un laboratoire. Et ce n'est pas sa mère (cachée derrière des lunettes noires) ni sa grand-mère (qui parle à Dieu et à ses doigts de pied) qui vont pouvoir l'aider. Després de les desventures que li van trasbalsar la vida a Els ulls grocs dels cocodrils, retrobem la Joséphine més feliç, més independent i una mica més segura d'ella mateixa.Gràcies als ingressos que li ha generat l'èxit inesperat del seu llibre -que la seva germana Iris es va intentar atribuir, pagant la mentida amb una crisi depressiva que va enviar-la de cap a una clínica mental-, l'antiheroïna més cèlebre i entranyable dels últims anys ha canviat de casa i de barri i ha deixat enrere part de la mediocritat que contaminava la seva vida. Lliure, encara tímida i insatisfeta, més espectadora de la vida dels altres que no pas protagonista de la seva, la Joséphine continua la recerca d'aquest gran amor que no acaba d'arribar mai. Vigila molt de prop la seva filla Zoé, adolescent dependent i turmentada, i observa amb distància l'èxit de la seva primogènita, Hortense, que es llança a Londres a una carrera d'estilista de moda. Però la placidesa no està feta per a la Joséphine: ben aviat, una sèrie d'assassinats destrueixen la tranquil·litat burgesa del seu nou barri.Al voltant d'aquesta irresistible i discreta protagonista gira una altra vegada un món ple de seductors, traïdors i mentiders, però també de gent generosa i atenta. Real i apassionant com la vida mateixa.

The Most Beautiful Book in the World St. Martin's Paperbacks

"It opens to a spring day, when a middle-aged doctor named Dao-sheng leaves the mountaintop Taoist monastery where he has been living and sets out for the Region of the South, to the city he had once visited thirty years earlier and where his life had been irrevocably changed. He had then been a strapping but poor young musician traveling with a theater troupe. One evening, during a performance, he caught the eye of a well-born young woman named Lan-ying. Their contact lasted but a minute, but

to them it felt like an eternity. For this act of audacity he was banished to hard labor by the girl's jealous fiance, the dissipated scion of a powerful family, who had witnessed their exchange and grasped its significance. Across the decades of a life spent either on the run or hiding out in monasteries, where he mastered medicine and divination, Dao-sheng never forgot Lan-ying. One exchange of glances had sealed something forever, something whose enduring power would decide their fates."--BOOK JACKET.
