For over six years, Hands-On Labs has collaborated with our subject matter experts to provide lab kits for online science courses at the University of New England. These kits have allowed students a hands-on lab experience regardless of their location around the globe.

Does anyone know the contents list for labpaq PK-2 ...

Last semester I purchased labpaq kit PK-1 for my online physics class. It cost me \$130 for the kit including shipping. I was a little surprised to find 3 styrofoam cups, a plastic straw, a marble, and other various cheap items I could have easily purchased at the store. Now I must purchase Kit PK-2 for Physics 2; however if I can get a hold of the contents list I could save some money. Does ...
