Refuge for Masterminds is the third installment in the Stranje House series for young adults by award-winning author Kathleen Baldwin. #1 New York Times best-selling author Meg Cabot calls this romantic Regency adventure “completely original and totally engrossing.” It’s 1814. Napoleon has escaped his imprisonment on Elba. Britain is at war on four fronts. And at Stranje House, a School for Unusual Girls, five young ladies are secretly being trained for a world of spies, diplomacy, and war.... Napoleon’s invasion of England is underway and someone at Stranje House is

sneaking information to his spies. Lady Jane Moore is determined to find out who it is. If anyone can discover the traitor, it is Jane—for, according to headmistress Emma Stranje, Lady Jane is a mastermind. Jane doesn’t consider herself a mastermind. It’s just that she tends to grasp the facts of a situation quickly, and by so doing, she’s able to devise and implement a sensible course of action. Is Jane enough of a mastermind to save the brash young American inventor Alexander Sinclair, her friends at Stranje House, and possibly England itself? Fans of genre-blending, romance, and action will love this Regency-era alternate history novel filled with spunky

heroines, handsome young lords, and dastardly villains—the third in the Stranje House series. Don’t miss the first two books: *A School for Unusual Girls* and *Exile for Dreamers*. “Enticing from the first sentence.” —New York Times Book Review “This alternative history series will appeal to fans of Gail Carriger's works and *The Cecelia* and *Kate* novels by Patricia C. Wrede and *Caroline Stevermer*.” —School Library Journal on *A School for Unusual Girls* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *The Chronicles of Clovis* Anchor “Willa is nearly blind, but she knows trouble when she trips over

Back in New York, where her own story began, Molly decides to accompany some friends to Ellis Island to help distribute clothing to those in need. This journey quickly stirs up memories for Molly. When you're far from home and see people from your country, every

face looks like a family member. That evening Molly ' s policeman husband, Daniel, is late returning home. He comes with a tale to tell: there was a murder on Ellis Island that day, and the main suspect is the spitting image of Molly. The circumstances are eerily similar to when Molly herself arrived on Ellis Island, and she can ' t help but feel a sense of fate. Molly was meant to be there that day so that she can clear this woman ' s name.
