#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save

his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never

had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

The joining of the shadows Bookouture

Over the hills and far away, a man suddenly finds after being struck by lightning that he is no longer walking in the Cumbrian Fells but is somewhere else entirely. Where that is, however, he does not know. The hills and mountains, lush green forests and the sea pounding at the shore are all unfamiliar and seem to beckon to him, drawing him from the paths and into the land itself. Yet he has little time to familiarise himself with these tantalising new sights and sounds that call to him

before an unfortunate accident ends with him destroying a lighthouse and soon after a trading vessel that belongs to a mysterious ruler known only as, "The Keel." Soon he is abducted by the shipwrecked crew and they decide to take him to their master to stand trial for the wanton destruction of his property. There is, however, one problem. The journey overland through the countryside that is a mystery to him will take weeks to cover, and the journey grows hazardous as they walk further across the fertile green plains and mountains of a place he now knows to be called, "Felastia." It all started with the mysterious woman: the red-headed girl who would arrive at his place of work unannounced and ask to be fed. Yet she is more than she looks, for he cannot seem to either shake her from his thoughts, but neither can he find her. She seems to have vanished into thin air. Or has she? But there are others in this land that are waiting for him: mysterious spheres of light that seem to follow his every move, spying on him. There are servants of darkness that seem to be showing an unhealthy interest in him too, for forces are abroad that are seeking him out for purposes known only to themselves, and soon he will find himself embroiled in a war, his part in which is to prove to be the adventure - and journey - of a lifetime. "Lost in Translation" is the first part of "Into the Light," and the start of a new epic fantasy trilogy from Michael White. It is a fantasy adventure for lovers of lands strange and magical where can be found mountains to climb and forests to enter. Over the hills and far away, Paul has travelled far into the lands of Felastia though he has yet to have his reckoning with the mysterious figure known only as, "The Keel." His adventures have been many and the strange magical land he finds himself in continues to enchant him at every turn. Yet he knows now that there are dangers too in this land of magic and beauty. Marked by the strange Shadow creatures and the Green Man himself, a battle rages within him for dominance, and his reluctance to choose a side sees within him the danger that he may fade and become mist, dispersed by the wind and lost to all. Now though the mysterious woman known only to him as Aoife has been found, and it is time for him to pick a side, for she has great need of him, as do the nations of Felastia, for war approaches, and soon events will combine to over-run them all. "The Road of the Sun" is part two of "Into the Light," a new trilogy from Michael White. It is a fantasy adventure for lovers of lands strange and magical where can be found mountains to climb and forests to enter. "Into the Light" comprises of two books: "Lost in Translation" and "The Road of the Sun." Dark Light Lady of Light and Shadows Ashlyn Woods can't wait to put her past

Elias Raven's poetry has been gaining critical acclaim since he came onto the poetry scene a few years ago. His book "The Painted Shadows" has been recognized by many as a work that is both refreshing and challenging at the same time. His poetry is familiar, yet the style is fully his own. The authors

meditations on love & loss, life & death, religion & spirituality, his own personal identity, humanity, history & sexuality all form a compelling narrative for the reader as he pushes the absolute limits of his creativity. This poet delves deeply into his past and present taking us all on a very real and personal journey of the spirit as he seeks to articulate his visions with the rest of us. "The poetry of his writing embodies a range of feelings and images that are always unpredictable, yet beautiful and haunting at the same time...His words resonate with the reader and open doorways to the limitless possibilities [whether he] is proposing his own re-interpretation or vision to historical images and text. His words are painful to read at times, the images that come forth bleed from his heart echoing in the interior of his soul, screaming his pain... Still other passages are deeply erotic and mesmerizing, leaving the reader to wonder how much is from this poet's own personal reality. He can look into the night and transcend meaning, his words leave an indelible impression,

causing the reader to dive back in again and again looking for hidden meanings and gems among the passages...Elias truly gives space to poetic meaning and initiates further dialogue leaving the reader wanting more and more." KB The assembled guest poets that are in the back of this book of poetry both old and new form a wonderful compliment to this gifted writer's verse. Familiar names from the indie writing community like Ethan Radcliff, Alan Walker & Alexandria Sure along with a slew of new and upcoming poets all form a wonderful framework and introduction to this writer's poetic vision.
