The Education of Little Tree Lame Deer, Seeker of Visions "Ohitika Woman might be the nonfiction find of the year."

—Houston Chronicle The beloved sequel to the now-classic *Lakota Woman*, *Ohitika Woman* follows Mary Brave Bird as she continues her powerful, dramatic tale of ancient glory and present anguish, of courage and despair, of magic and mystery, and, above all, of the survival of both body and mind. Coming home from Wounded Knee in 1973, married to American Indian movement leader Leonard Crow Dog, Mary was a mother with the hope of a better life. But, as she says, "Trouble always finds me." With brutal frankness she bares her innermost thoughts, recounting the dark as well as the bright moments in her always eventful life. She not only talks about the stark truths of being a Native American living in a white-dominated society but also addresses the experience of being a mother, a woman, and, rarest of all, a Sioux feminist. Filled with contrasts, courage, and endurance, *Ohitika Woman* is a powerful testament to Mary's will and spirit.

Bold and impassioned, sharp and defiant, Leslie Marmon Silko's essays evoke the spirit and voice of Native Americans. Whether she is exploring the vital importance literature and language play in Native American heritage, illuminating the inseparability of the land and the Native American people, enlivening the ways and wisdom of the old-time people, or exploding in outrage over the government's long-standing, racist treatment of Native Americans, Silko does so with eloquence and power, born from her profound devotion to all that is Native American. *Yellow Woman and a Beauty of the Spirit* is written with the fire of necessity. Silko's call to be heard is unmistakable; there are stories to remember, injustices to redress, ways of life to preserve. It is a work of major importance, filled with indispensable truths--a work by an author with an original voice and a unique access to both worlds.

Dennis Banks, an American Indian of the Ojibwa Tribe and a founder of the American Indian Movement, is one of the most influential Indian leaders of our time. In *Ojibwa Warrior*, written with acclaimed writer and photographer Richard Erdoes, Banks tells his own story for the first time and also traces the rise of the American Indian Movement (AIM). The authors present an insider's understanding of AIM protest events—the Trail of Broken Treaties march to Washington, D.C.; the resulting takeover of the BIA building; the riot at Custer, South Dakota; and the 1973 standoff at Wounded Knee. Enhancing the narrative are dramatic

photographs, most taken by Richard Erdoes, depicting key people and events.

In his final work, the great and beloved Native American scholar Vine Deloria Jr. takes us into the realm of the spiritual and reveals through eyewitness accounts the immense power of medicine men. *The World We Used To Live In*, a fascinating collection of anecdotes from tribes across the country, explores everything from healing miracles and sacred rituals to Navajos who could move the sun. In this compelling work, which draws upon a lifetime of scholarship, Deloria shows us how ancient powers fit into our modern understanding of science and the cosmos, and how future generations may draw strength from the old ways.

"A dear stream of practical knowledge with the mind change we need to save the life of our Mother Earth--and ourselves . . . This is a book for every person who loves this planet. Eagle Man shows us the joyful path home to our universal Mother." Cynthia Bend, *Water Spirit Woman*, co-author of *Birth of a Modern Shaman* "A rich panorama of our native heritage which allows the seeker access to the heart of the Path of Beauty. Ed McGaa has walked this path so that all people may live in harmony." Samie Sams, *Hancocka Olowanpi*, author of *Midnight Song: Quest for the Vanished Ones* "Ed McGaa is one of the first persons who can write about Oglala religion in the first person because he has lived it. For years anthropologists have hoped a Native American would portray that society from the inside out. Ed McGaa has. It's about time." William K. Powers, author of *Oglala Religion* "Fascinating as well as inspiring reading. Ed McGaa makes an excellent spiritual guide and intellectual teacher . . . The information stimulates the mind, the drawings delight the eye, and the ideas soothe the spirit." Jack Weatherford, author of *Indian Givers* "Profound and insightful . . . *Mother Earth Spirituality* will be of great importance to those of us, both 'rainbow' and non-Indian people, who walk over land in search of a deeper spiritual life . . . For us, this book is an invaluable guide showing us how to do it." Fred Alm Wolf, Ph.D., author of *Taking the Quantum Leap*

A powerful collection of text and full-color photographs that offers an intimate glimpse of Native American life. • Includes rare photos and firsthand accounts of the sun dance, sacred pipe, yuwipi, and vision quest ceremonies. • By internationally recognized ethnographer Richard Erdoes, author of *Lame Deer: Seeker of Visions* and *Gift of Power*. How do you go about knowing

a people? In this phenomenal combination of landscape, ceremony, individual portrait, and prose, Richard Erdoes brings forth the lesser seen world of the Native American experience and vision. With the aid of firsthand accounts collected during three decades of personal interactions with indigenous tribes, Erdoes chronicles the traditional rites, individual lives, and historical persecution of North America's indigenous peoples. The images and words of *Crying for a Dream* represent Erdoes' finest work. His focus on the natural and sacred world of North America's indigenous peoples includes elements of the Sioux ceremonial cycle and portraits of native peoples from the plains, mesas, and deserts. The sun dance, sacred pipe, yuwipi, and vision quest are described by the author and his subjects and are illustrated with more than 70 photographs.

Of all the characters in myths and legends told around the world, it's the wily trickster who provides the real spark in the action, causing trouble wherever he goes. This figure shows up time and again in Native American folklore, where he takes many forms, from the irascible Coyote of the Southwest, to Iktomi, the amorphous spider man of the Lakota tribe. This dazzling collection of American Indian trickster tales, compiled by an eminent anthropologist and a master storyteller, serves as the perfect companion to their previous masterwork, *American Indian Myths and Legends*. *American Indian Trickster Tales* includes more than one hundred stories from sixty tribes--many recorded from living storytellers--which are illustrated with lively and evocative drawings. These entertaining tales can be read aloud and enjoyed by readers of any age, and will entrance folklorists, anthropologists, lovers of Native American literature, and fans of both Joseph Campbell and the Brothers Grimm.

A new selection for the NEA's Big Read program A compact selection of Poe's greatest stories and poems, chosen by the National Endowment for the Arts for their Big Read program. This selection of eleven stories and seven poems contains such famously chilling masterpieces of the storyteller's art as "The Tell-tale Heart," "The Fall of the House of Usher," "The Cask of Amontillado," and "The Pit and the Pendulum," and such unforgettable poems as "The Raven," "The Bells," and "Annabel Lee." Poe is widely credited with pioneering the detective story, represented here by "The Purloined Letter," "The Mystery of Marie Roget," and "The Murders in the Rue Morgue." Also included is his essay "The Philosophy of Composition," in which he lays out his theory of how good writers write, describing how he constructed "The Raven" as an example.

Around the World in Eighty Days was published in 1873 and features Phileas Fogg as the protagonist. Fogg, a noble Londoner who lived on Savile Row, had made a wager at the Reform Club, for £20,000 (worth over a million pounds in 21st century value) that he could travel around the world in eighty days. Fogg is a very careful and precise man who has just fired his manservant for bringing him shaving water that was two degrees colder than he asked for. Fogg has a new valet, Jean Passepartout, a young Frenchman, who is looking forward to a quiet life with Phileas. *Around the World in Eighty Days* is Verne at his most fun - there was plenty of comic relief in the novel. He was able to use his own experience of recent travels to provide background for the

narrative. The book was finished under a punishing deadline Verne set for himself - not unlike Fogg's deadline for circumnavigating the world. The book was the most successful in terms of sales during the author's lifetime, selling 108,000 copies before his death. This annotated edition includes a biography and critical essay.

Cheerful, hardworking, and handsome, Billy is pressed into naval service aboard a British ship during the Napoleonic wars. The innocent and lovable young man quickly wins the hearts of all his comrades, save one: Claggart, the implacably bitter master-at-arms, who falsely accuses Billy of inciting mutiny. Rich in ambiguities, Herman Melville's haunting parable of the clash between good and evil raises thought-provoking issues related to the conflict between the requirements of the law and the needs of humanity. This is the definitive edition of Melville's classic tale. *Billy Budd, Sailor* was discovered unfinished in the author's desk shortly after his 1891 death and remained unpublished until 1924. This text is the result of years of study and scrupulous research by Melville scholars. It offers students and other lovers of literature the best and most authentic version of the American storyteller's final masterpiece.
