Rambles in Japan Nabu Press

Excerpt from Rambles in Japan: The Land of the Rising Sun An apology may be expected for another book on Japan by one who has been a mere visitor, not a resident. The following pages are for the most part a transcript of the authors daily journal, written without any view to publication. But when, shortly after his visit, the eyes of the whole world were suddenly fixed upon the Land of the Rising Sun, and its unexpected display of military genius and power, it was suggested to him that his notes might be of interest, not only as describing some parts of the country seldom visited by foreigners, but as touching topics not generally dealt with by previous writers. The primary object of the authors rambles was to master thoroughly the position of missionary work in Japan, especially that of the Church Missionary Society, and to ascertain the practical working of Buddhism as compared with the Buddhism of China and Ceylon. The AMAZING similarity of Native American INDIAN language to that of ancient ASIA. NOW, after 500 years, we can finally understand the rich language & landmarks used by the native "Indians." Words like Massachusetts, Michigan, Dakota, Missouri, tomahawk, Kimosabe, Kansas, Arizona, etc. Taking a broad-brush look at America's early natives, a whole new perspective of AMERICAN HISTORY is unfolded. A rich & surprising history! For the FIRST TIME, the Indian language is explained & the reasons for the enigmas of Indian history are reported. Where did the AZTECS say they came from? What does their name mean? The CAHOKIA mounds were the center of a Mississippi EMPIRE of the SUN. America was split up into two sides of the "KAN - Mississippi river." KANSAS & KENTUCKY sides. Why did Coronado fail to find the 7 golden cities of CIBOLA? CIBOLA is at last found & golden cities existed! Why did Columbus know that he was close to CHINA & JAPAN? Because the Caribbean, Mexico & the Americas used a similar unique ancient language. The Copernican theory boldly abandoned the concept of an earth-centered universe - this new bold hypothesis can dramatically change our social history perspective as well.

Most people have never heard of Biafra or the war that nullified its birth and impending existence as a country. But those who lived the war still feel the sting and stigma of their wartime experiences. Knowing the history of a people helps one to understand them, giving rise to compassion rather than condemnation or alienation. This is also true for a people 's posterity to ensure negative history never repeats itself. Though the land 's rising sun is currently dimmed along its horizon, it will never be utterly extinguished and allowed to completely set because of the voices of those still crying out from it. Read on to discover the indigene experience of wartime Biafra through the eyes of a young nurse, chronicled in a historical fiction tribute.

Even casual observers will be familiar with the Cherry Blossom or Sakura tress of Japan. When in full bloom the sight is spectacular but it sadly only takes a week until the tree is bare. In a longer cycle of nations and business, we see, unfortunately, a similar pattern for Japanese Multinational Corporations.
