Chasing Nikki, #1
Young Adult Contemporary Romance from bestselling author

Lacey Weatherford.
Reviews: "Do whatever you need to do so you can sit UNINTERRUPTED and devour this book. Chase Walker is incredible. This story is AMAZING, POWERFUL, and something that will tug so hard on your heartstrings, you will walk away CHANGED for the better." ~ The Bookish Snob "Heartfelt & Inspiring!" ~ Midnight Magic Book Reviews
Overview: A broken heart. A troubled past. An unexpected romance that changes everything. Will love and trust be enough to overcome the ultimate test? Chasing Nikki
Extended Description: Chase Walker used to be a good kid--charming, athletic, and with a bright future ahead,

but that was before travesty struck his life, sinking him into deep despair. Caught up in a world of drugs and alcohol, he doesn't notice time slipping away until he's arrested for underage drinking one night. Fed up with watching her son destroy his life, Chase's mom relocates him to live in a small ranching community with his ex-military grandfather. Chase is far from happy about the situation until he meets, Nikki, the cute cheerleader who won't give football players like him the time of day. Chase enjoys a good challenge though and sets out to claim Nikki for his own. He soon discovers she's more than a pretty face--she's a balm to his troubled spirit also. But when tragedy strikes Nikki's life too,

suddenly Chase finds himself put to the ultimate test. Can he trust Nikki, and all that she's taught him? Will it be enough?

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning.

Stand Firm: Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and

provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious

disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

She Smells the Dead

St. Martin's Griffin
A new epic fantasy series begins. Song of Dragons tells a story of blood, steel, and dragonfire. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell.

This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war?

"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and

improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."

From the Shadows Prabhat Prakashan In post-Civil War years agriculture in Mississippi, as elsewhere, was in a depressed condition. The price of cotton steadily declined, and the farmer was hard put to meet the payments on his mortgage. At the same time the corporate and banking interests of the state seemed to prosper. There were reasons for this beyond the ken of

the poor hill farmer -- the redneck, as he was popularly termed. But the redneck came to regard this situation -- chronic depression for him while his mercantile neighbor prospered -- as a conspiracy against him, a conspiracy which was aided and abetted by the leaders of his party. Revolt of the Rednecks: Mississippi Politics 1876--1925 is a study of the struggle of the redneck to gain control of the Democratic Party in order to effect reforms which would improve his lot. He was to be led into many bypaths and sluggish streams before he was to realize his aim in the

election of Vardaman to the governorship in 1903. For almost two decades thereafter the rednecks were to hold undisputed control of the state government. The period was marked by many reforms and by some improvement in the economic plight of the farmer -- an improvement largely owing to factors which were uninfluenced by state politics. The period closes in 1925 with the repudiation and defeat at the polls of the farmers' trusted leaders, Vardaman and Bilbo. Fearless Bible Laney (The Brookehaven Vampires #1) When college sophomore,

Brooklyn Museum's very own Indiana Jones. His specialties include lost civilizations, arcane cultures, and more than a little bit of the history of magic and mysticism. What his contemporaries don't know is that in addition to being a scholar of all these topics, he is also proficient in the uses of magical artifacts. Knight receives a chilling message from Tian Lu, a former lover and an agent for the Chinese government. Years ago, they made a frightening discovery at an archeological dig when out of the depths rose... a living, fire-breathing dragon. Now, the dragons are waking

from their slumber before their scheduled time. And one particularly diabolical dragon is set on eliminating the others and taking over the world. As civilization plunges into panic, Knight, Lu, Knight's seventeen-year-old techie intern George Rainert, and an untrustworthy dragon ally must use all their resources--magical and otherwise--to stop the destruction before it's too late. I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling

that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ

that sustains her to this day.

**** Allegiant by Sara Mack** is the second novel in The Guardian Trilogy. It is not affiliated with the Divergent series by Veronica Roth. ****Last summer, Emma discovered that true love never dies. It can return. It can give you hope. It can pull you from darkness. Until it's ripped from you. Again. As her 22nd birthday approaches, Emma Donohue finds herself back at school and utterly alone. Hours away**

from family and friends, her solitary days are spent contemplating what never should have been. James should never have died, but he did. He should never have been assigned as her Guardian, but he was. And she should never have allowed Dane to get too close to her heart. But she failed. Desperate to fill her time, Emma is intrigued by her mysterious new neighbor, Garrett. She's never met anyone quite like him before, and, curious, she attempts to discover his past. Little does she know his presence will pull her into a world she could never imagine. A world that follows an ancient doctrine. A world built on loyalty, yet plagued by secrets and lies. A world that will threaten everything - and everyone - she loves. Allegiant is a new adult/college paranormal romance containing moderate language/mild innuendo. Allegiant is the second story in The Guardian Trilogy. The third novel, Reborn, is complete and due to be published in February 2014.
