LARE Secrets: LARE Test Review for the Landscape Architect ...

The LARE Section 2 study guide provides 115 practice questions

covering all of the essential materials that are likely to show up on

the official exam. Each question is structured in the same manner as

on the actual exam, which will provide you with the experience

necessary to pass the exam. Passing the LARE is made easy with the

LARE study guide. All of the questions are structured to resemble

the new LARE exam and provide you with enough experience to

make you comfortable with the various ...

LARE Exam Preparation and Study-Guide: Study Guide

The LARE Section 3 study guide provides 105 practice questions that will

test your knowledge of the material found on the exam. This practice exam

structures the multiple choice questions and advanced type questions the

same way as on the actual exam to prepare you to answer the questions as

efficiently as possible.

*Lare Study Guides*

OVERVIEW OF SECTION 1. The focus of Section 1 of the LARE

is Project and Construction Administration with 'Project

Management' covering 62% of the topics and 'Bidding and

Construction' covering the remaining 38%. This is essentially a part

of Section A of the old version of the test. While the topics are the

same, this section, like the other three, is now completely computer-

based.

LARE's Section 3: Design is where, in my opinion, things start

coming together. The last two sections are hard for a number of

reasons. First, this section requires you to use multiple facets of your

knowledge at one time to solve a problem. Second, Section 3 is the

most changed in format from previous exams and there is less study

material available to you.
