eighth novel in Colin Dexter's Oxford-set detective series. That night he dreamed in Technicolor. He saw the ochre-skinned, scantily clad siren in her black, arrowed stockings. And in Morse's muddled computer of a mind, that siren took the name of one Joanna Franks . . . The body of Joanna Franks was found at Duke's Cut on the Oxford Canal at about 5.30 a.m. on Wednesday, 22nd June 1859. At around 10.15 a.m. on a Saturday morning in 1989 the body of Chief Inspector Morse – though very much alive – was removed to Oxford's John Radcliffe Hospital. Treatment for a perforated ulcer was later pronounced successful. As Morse begins his recovery he comes across an account of the investigation and the trial that followed Joanna Franks' death . . . and becomes convinced that the two men hanged for her murder were innocent . . . The Wench is Dead is followed by the ninth Inspector Morse book, *The Jewel That Was Ours*.

"[Morse is] the most prickly, conceited, and

genuinely brilliant detective since Hercule Poirot." --The New York Times Book Review "YOU DON'T REALLY KNOW MORSE UNTIL YOU'VE READ HIM. . . . Viewers who have enjoyed British actor John Thaw as Morse in the PBS *Mystery!* anthology series should welcome the deeper character development in Dexter's novels." --Chicago Sun-Times Beautiful Sylvia Kaye and another young woman had been seen hitching a ride not long before Sylvia's bludgeoned body is found outside a pub in Woodstock, near Oxford. Morse is sure the other hitchhiker can tell him much of what he needs to know. But his confidence is shaken by the cool inscrutability of the girl he's certain was Sylvia's companion on that ill-fated September evening. Shrewd as Morse is, he's also distracted by the complex scenarios that the murder set in motion among Sylvia's girlfriends and their Oxford playmates. To grasp the painful truth, and act upon it, requires from Morse the last atom of his professional discipline. "Few novelists write books as intelligent and

deliciously frightening as those by Colin Dexter. . . . What Mr. Dexter does so well, so brilliantly, is weave a thick, cerebral story chock-full of literary references and clever red herrings." --The Washington Times "A MASTERFUL CRIME WRITER WHOM FEW OTHERS MATCH." --Publishers Weekly Noteworthy Fawcett "[Morse is] the most prickly, conceited, and genuinely brilliant detective since Hercule Poirot."--The New York Times Book Review. Inspector Morse isn't sure what to make of the truncated body found dumped in the Oxford Canal, but he suspects it may be all that's left of an elderly Oxford don last seen boarding the London train several days before. Whatever the truth, the inspector knows it won't be simple--it never is. As he retraces Professor Browne-Smith's route through a London netherworld of topless bars and fancy bordellos, his forebodings are fulfilled. The evidence mounts; so do the

bodies. So Morse downs another pint, unleashes his pit bull instincts, and solves a mystery that defies all logic.

"[Dexter] is a magician with character, story construction, and the English language. . . . Colin Dexter and Morse are treasures of the genre."--Mystery News. "It is a delight to watch this brilliant, quirky man deduce."--Minneapolis Star & Tribune.

Unfortunately, she's an Alto 2, which—in the musical theatre world—is sort of like being a vulture in the wild: She has a spot in the ecosystem, but nobody's falling over themselves to express their appreciation. So it's no surprise when she gets shut out of the fall musical for the third year straight. But then the school gets a mass email: A spot has opened up in the Sharpshooters, Kensington's elite a

cappella octet. Worshipped . . . revered . . . all male.

Desperate to prove herself, Jordan auditions in her most convincing drag, and it turns out that Jordan Sun, Tenor 1, is exactly what the Sharps are looking for.

"Audacious and amusing . . . may be the best book yet in this deservedly celebrated series." —The Wall Street Journal It was only the second time Inspector Morse had ever taken over a murder enquiry after the preliminary—invariably dramatic—discovery and sweep of the crime scene. Secretly pleased to have missed the blood and gore, Morse and the faithful Lewis go about finding the killer who stabbed Dr. Felix McClure, late of Wolsey College. In another part of

Oxford, three women—a housecleaner, a schoolteacher, and a prostitute—are playing out a drama that has long been unfolding. It will take much brain work, many pints, and not a little anguish before Morse sees the startling connections between McClure's death and the daughters of Cain. . . . Praise for *The Daughters of Cain* "Very cleverly constructed. . . Dexter writes with an urbanity and range of reference that is all his own." —Los Angeles Times "You don't really know Morse until you've read him. . . . Viewers who have enjoyed British actor John Thaw as Morse in the PBS *Mystery!* anthology series should welcome the deeper character development in Dexter's novels." —Chicago Sun-Times "A masterful crime writer whom few others match." —Publishers Weekly *Mystery on Tape* Macmillan Pub Limited
The Secret of Annexe 3 is the seventh novel in Colin Dexter's Oxford-set detective series. Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise – a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of

them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name . . . The Secret of Annexe 3 is followed by the eighth Inspector Morse book, *The Wench is Dead. Last Bus to Woodstock: An Inspector Morse Mystery 1* Pan Macmillan From Ann Cleeves—New York Times bestselling and award-winning author of the Vera and Shetland series, both of which are hit TV shows—comes *Telling Tales*. “Ann Cleeves is one of my favorite mystery writers.” —Louise Penny
It has been ten years since Jeanie Long was charged with the murder of fifteen-year-old Abigail Mantel. Now residents of the East Yorkshire village of Elvet are disturbed to hear of new evidence proving Jeanie’s innocence. Abigail’s killer is still at large.

For one young woman, Emma Bennett, the revelation brings back haunting memories of her vibrant best friend--and of that fearful winter’s day when she had discovered her body lying cold in a ditch. As Inspector Vera Stanhope makes fresh enquiries on the peninsula and villagers are hauled back to a time they hoped to forget, tensions begin to mount. But are people afraid of the killer or of their own guilty pasts? With each person’s story revisited, the Inspector begins to suspect that some deadly secrets are threatening to unfurl...
The Remorseful Day Pan Macmillan
The Jewel That Was Ours is the ninth novel in Colin Dexter's Oxford-set detective series. He looked overweight around the midriff, though nowhere else, and she wondered whether perhaps he drank too much. He looked weary, as if he had been up most of the night conducting his investigations . . . For Oxford, the arrival of twenty-seven American

tourists is nothing out of the ordinary . . . until one of their number is found dead in Room 310 at the Randolph Hotel. It looks like a sudden – and tragic – accident. Only Chief Inspector Morse appears not to overlook the simultaneous theft of a jewel-encrusted antique from the victim's handbag . . . Then, two days later, a naked and battered corpse is dragged from the River Cherwell. A coincidence? Maybe. But this time Morse is determined to prove the link . . . *The Jewel That Was Ours* is followed by the tenth Inspector Morse book, *The Way Through the Woods*.
Telling Tales Random House
Winner of the CWA Silver Dagger Award, *The Dead of Jericho* is the fifth novel in Colin Dexter's Oxford-set Inspector Morse series. Morse switched on the gramophone to 'play', and sought to switch his mind away from all the terrestrial troubles. Sometimes, this way, he almost managed to forget. But not tonight . . . Anne Scott's address was scribbled on a crumpled note in the pocket of Morse's smartest suit. He turned the corner of Canal Street, Jericho, on the afternoon of Wednesday, 3rd October. He hadn't

planned a second visit. But he was back later the same day – as the officer in charge of a suicide investigation . . . The Dead of Jericho is followed by the sixth book in the detective series, The Riddle of the Third Mile.

The Riddle of the Third Mile Minotaur Books Last Seen Wearing is the second Inspector Morse novel in Colin Dexter's Oxford-set detective series. Morse was beset by a nagging feeling. Most of his fanciful notions about the Taylor girl had evaporated and he had begun to suspect that further investigation into Valerie's disappearance would involve little more than sober and tedious routine . . . After leaving home to return to school, teenager Valerie Taylor had completely vanished, and the trail had gone cold. Until two years, three months and two days after Valerie's disappearance, somebody decides to supply some surprising new evidence for the case . . . Last Seen Wearing is followed by the third Inspector

Morse book, The Silent World of Nicholas Quinn.

Sydney Morning Herald "Let those who lament the decline of the English detective story reach for Colin Dexter" Guardian Last Seen Wearing Pan Macmillan Death is Now My Neighbour is the twelfth novel in Colin Dexter's Oxford-set detective series. As he drove his chief down to Kidlington, Lewis returned the conversation to where it had begun. 'You haven't told
