Last Seen Wearing Fawcett

The Riddle of the Third Mile is the sixth novel in Colin Dexter's Oxford-set detective series. The thought suddenly occurred to Morse that this would be a marvellous time to murder a few of the dodderly old bachelor dons. No wives to worry about their whereabouts; no landladies to whine about the unpaid rents. In fact nobody would miss most of them at all . . . By the 16th of July the Master of Lonsdale was concerned, but not yet worried. Dr Browne-Smith had passed through the porter's lodge at approximately 8.15 a.m. on the morning of Friday, 11th July. And nobody had heard from him since. Plenty of time to disappear, thought Morse. And plenty of time, too, for someone to commit murder . . . The Riddle of the Third Mile is followed by the seventh Inspector Morse book, The Secret of Annexe 3.

*Last Seen Wearing* Pan Macmillan  
Featuring the first three books in Colin Dexter's classic crime series starring Inspector Morse: Last Bus to Woodstock, Last Seen Wearing and The Silent World of Nicholas Quinn. Last Bus to Woodstock: The death of Sylvia Kaye figured dramatically in Thursday afternoon's edition of the Oxford Mail. By Friday evening Inspector Morse had informed the nation that the police were looking for a dangerous man - facing charges of wilful murder, sexual assault and rape. But as the obvious leads fade into twilight and darkness, Morse becomes more and more convinced that passion holds the key . . . Last Seen Wearing: Morse was beset by a nagging feeling. Most of his fanciful notions about the Taylor girl had evaporated and he had begun to suspect that further investigation into Valerie's disappearance would involve little more than sober and tedious routine . . . The statements before Inspector Morse appeared to confirm the bald, simple truth. After leaving home to return to school, teenager Valerie Taylor had completely vanished, and the trail had gone cold. Until two years, three months and two days after Valerie's disappearance, somebody decides to supply some surprising new evidence for the case . . . The Silent World of Nicholas Quinn: Morse had never ceased to wonder why, with the staggering advances in medical science, all pronouncements concerning times of death seemed so disconcertingly vague. The newly appointed member of the Oxford Examinations Syndicate was deaf, provincial and gifted. Now he is dead . . . And his murder, in his north Oxford home, proves to be the start of a formidably labyrinthine case for Chief Inspector Morse, as he tries to track down the killer through the insular and bitchy world of the Oxford Colleges . . .

*The Jewel That Was Ours* Pan Macmillan  
For a year, the murder of Mrs. Yvonne Harrison at her home in Oxfordshire had baffled the Thames Valley CID. The manner of her death--her naked handcuffed body left lying in bed--matched her reputation as a women of adventuresome sexual tastes. The case seemed perfect for Inspector Morse. So why has he refused to become involved--even after anonymous hints of new evidence, even after a fresh murder? Sgt. Lewis's loyalty to his infuriating boss

slowly turns to deep distress as his own investigations suggest that Mrs. Harrison was no stranger to Morse. Far from it. Never has Morse performed more brilliantly than in this final adventure, whose masterly twists and turns through the shadowy byways of passion grip us to the death. . . .

The First Inspector Morse Omnibus Pan Macmillan

"DELIGHTFUL." --The Wall Street Journal In short mysteries so brilliantly plotted they'll confound the cleverest of souls, Inspector Morse remains as patient as a cat at a mouse hole in the face of even the most resourceful evildoers. Muldoon, for instance, the one-legged bomber with one fatal weakness . . . the quartet of lovers whose bizarre entanglements Morse deciphers only after a beautiful woman is murdered . . . and those artful dodgers who catch the cunning and very respectful Morse with his pants down. There are mysteries featuring new characters and some familiar ones, including the great Sherlock Holmes, and a royal flush of American crooks. "BRILLIANT . . . Inspector Morse is back, and more than welcome." --Houston Chronicle "Fear not. In Dexter's dexterous hands, the short-form Morse is every bit as wily and irascible as he is in the

the popular Morse novels and the long-running PBS Mystery! series." --The Raleigh News & Observer

"[Morse is] the most prickly, conceited, and genuinely brilliant detective since Hercule Poirot."--The New York Times Book Review. Inspector Morse isn't sure what to make of the truncated body found dumped in the Oxford Canal, but he suspects it may be all that's left of an elderly Oxford don last seen boarding the London train several days before. Whatever the truth, the inspector knows it won't be simple--it never is. As he retraces Professor Browne-Smith's route through a London netherworld of topless bars and fancy bordellos, his forebodings are fulfilled. The evidence mounts; so do the bodies. So Morse downs another pint, unleashes his pit bull instincts, and solves a mystery that defies all logic. "[Dexter] is a magician with character, story construction, and the English language. . . .

. Colin Dexter and Morse are treasures of the genre."--Mystery News. "It is a delight to watch this brilliant, quirky man deduce."--Minneapolis Star & Tribune.

*Death is Now My Neighbour* is the twelfth novel in Colin Dexter's Oxford-set detective series. As he drove his chief down to Kidlington, Lewis returned the conversation to where it had begun. 'You haven't told me what you think about this fellow Owens – the dead woman's next-door neighbour.' 'Death is always the next-door neighbour,' said Morse sombrely. The murder of a young woman . . . A cryptic 'seventeenth-century' love poem . . . And a photograph of a mystery grey-haired man . . . More than enough to set Chief Inspector E. Morse on the trail of a killer. And it's a trail that leads him

to Lonsdale College, where the contest between Julian Storrs and Dr Denis Cornford for the coveted position of Master is hotting up. But then Morse faces a greater, far more personal crisis . . . *Death is Now My Neighbour* is followed by the thirteenth Inspector Morse book, *The Remorseful Day*. **Last Bus to Woodstock** Fawcett Author of detective novels, Priscilla Pringle, is pleased to find that she is sharing a railway compartment with a gentleman who happens to be reading one of her books - *Murder in the Cathedral*.
