Mammy Walsh's A-Z of the Walshes is a laugh-out-loud ebook-only short guide to

everyone's favourite dysfunctional Irish family. It does exactly what it says on the tin but here's a brief word from its author, Mammy Walsh herself: 'There's this woman I know from bridge, Mona Hopkins, a lovely woman she is, even if I must admit I'm not that keen on her myself, and she said a great thing the other day. I was expecting her to say "Two no trumps," but instead she comes out with a saying about her children. She says, "Boys wreck your house and girls wreck your head." Isn't that a marvellous bit of wisdom - "Boys wreck your house and girls wreck your head!" And God knows it's the truest thing I've heard in a long time. I should know. I have five girls. Five daughters. And let me tell you, my head is wrecked from them. Although, now that I think of it, so is my house . . .' It's the perfect

re-introduction to the Walsh family, featured in Marian's bestselling novels about the Walsh sisters, *Watermelon*, *Rachel's Holiday*, *Angels*, *Anybody Out There* and *The Mystery of Mercy Close*. Praise for Marian Keyes: 'When it comes to writing page-turners that put a smile on your face and make you think, Keyes is in a class of her own' *Daily Express* 'Zips along with engaging characters, fabulous plotting and spot-on dialogue.
