What if you could study Matthew with your favorite Bible scholars from across the ages?

With The Preacher's Outline & Sermon Bible, you can! This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word. This is much more than a commentary - it takes the best scholarly works available and combines them in a single resource. Inside each volume of The Preacher's Outline & Sermon Bible, you'll find:

- A verse-by-verse outline alongside each passage of Scripture that draws out key concepts.
- In-depth commentary synthesized from hundreds of trusted sources, including Matthew Henry, John MacArthur, Charles Spurgeon...and many more.
- Thoughts designed to provide practical application of Scripture for your congregation.
- Deeper studies that expand on original Greek sources, provide historical background, and explain key points.
- An Outline & Subject Index designed for topical study - perfect for quickly creating messages on a particular theme. There's a volume of The Preacher's Outline & Sermon Bible series for nearly any sermon you can imagine. Explore the full series on our website at [outlinebible.org](http://outlinebible.org)
- Messages to Young People L J Hick

From one of the world ' s most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation

---

of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to

biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. [Preacher's Outline & Sermon Bible-KJV-Matthew 2: Chapters 16-28](#) Rowman & Littlefield  
"An audacious and concrete proposal... Half-Earth completes the 86-year-old Wilson's valedictory trilogy on the human animal and our place on the planet." —Jedediah Purdy, *New Republic*  
In his most urgent book to date, Pulitzer Prize-winning author and world-renowned biologist Edward O. Wilson states that in order to stave off the mass extinction of species, including our own, we must move swiftly to preserve the biodiversity of our planet. In this "visionary blueprint for saving the planet" (Stephen Greenblatt), *Half-Earth* argues that the situation facing us is too large to be solved piecemeal and proposes a solution commensurate with the magnitude of the problem: dedicate fully half the surface of the Earth to nature. Identifying actual regions of the planet that can still be reclaimed—such as the California redwood

forest, the Amazon River basin, and grasslands of the Serengeti, among others—Wilson puts aside the prevailing pessimism of our times and "speaks with a humane eloquence which calls to us all" (Oliver Sacks).  
Grove/Atlantic, Inc.  
Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.  
*The Great Controversy Between Christ and Satan During the Christian Dispensation* Review and Herald Pub Assoc  
The predictions of Ellen White described and discussed by her contemporaries--why they believed in her gift, and how they were used to advance the Lord's work. This reprint is not a scanned copy, but retyped with a modern font.

Bangs—the twin sister that Ellen worked to bring into the faith Fannie Bolton—the literary assistant who was fired a surprising number of times John Byington—the militant abolitionist and first General Conference president Sylvester Graham—the temperance advocate whose cracker lives on today Moses Hull—the evangelist who lost a debate with a spiritualist in more ways than one Everything from the hymns Ellen White loved to the homes she lived in are covered in heavily referenced articles. You'll find a detailed chronology of her life and extensive articles on her ministry, her theology, and her statements in the light of advancing scientific knowledge. Whether you're preparing a sermon, teaching a class, or finding answers to personal

questions, this single resource has the answers you need.

*Teachings of the Prophet Joseph Smith* Messenger Publications

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

God Wants You Prepared for  
These Perilous Times! The Holy  
Spirit warned that perilous  
times would come in the very  
last of the last days. Were in  
that time frame right now, and  
it is imperative that we know  
how to survive victoriously.  
Scripture prophesies that  
spiritual tempests will spread  
across the world with far-  
reaching consequences. But we  
do not have to be a casualty of  
these storms! In this eye-  
opening survival guide, Rick  
Renner covers prophetic  
scriptures about the end times  
and how to prepare for them. He  
teaches: What the word perilous  
really means and why God is  
alerting you. What exact  
characteristics will mark  
society in the very last days.  
What actions to take to protect  
yourself and those you love.  
Strategies to stop the devil  
from attacking you and your  
loved ones. If youre concerned  
about what you are witnessing

in society and even in the  
Church the answers you need to  
maintain your victory are in  
this book! Its a survival guide  
for thriving in these perilous  
last days.

Day Events  
Physical health influences  
spiritual and emotional health  
as well as the ability to  
minister effectively. As Ellen  
White said so succinctly: "The  
misuse of our physical powers  
shortens the period of time in  
which our lives can be used for  
the glory of God. And it unfits  
us to accomplish the work God  
has given us to do" (Christ's  
Object Lessons, p. 346). In this  
volume Dennis Smith invites you  
to spend 40 days continuing the  
work God has given you while  
exploring a wholistic view of  
healththe importance of caring  
for mind, body, and soul and the  
integral role of the health  
message during these last days  
of earths history.

### **Selected Messages Book 2**

Yesterday's World Publishing Christopher, the leader of an elite U.S. special operations unit undertakes one of the most important missions of his military career, attempting to rescue a French journalist kidnapped by ISIS, while distracted with trusting God over himself. He is confused and angry with God and ineffective in his leadership, however, Jackson, the team-deputy and long-time mentor and friend provides much-needed stability for Christopher and the team. The operation reinforces in Christopher that God was not to be trusted when needed most and Jackson leaves the mission searching for God and meaning to his life, as the men prepare to return to Washington D.C for

debriefing. As Christopher and his team redeploy from the rescue mission back to Washington D.C., they find themselves out of work as the National Security Advisor deactivates the Christopher-led unit pending an investigation into the failed journalist rescue. Things go from bad to worse for Christopher and Jackson as the two disgraced soldiers are thrust, unbeknownst to them, into the midst of the Rapture. They attempt to keep the chaos of a post-rapture world at bay, in a series of globetrotting missions, from rural Virginia to Brazil, ancient Babylon to remote Alaska. The actions of the president and others leave the world on the brink of World War. Christopher continues throughout each mission to trust himself above God. He refuses to

listen to the Holy Spirit-inspired advice that those around him provide and the question lingers will he reconcile and surrender his pain to God.

Last Days Survival Guide The Church of Jesus Christ of Latter-day Saints The Final Battle for Earth presents events contained in the Book of Revelation (a 2000-year-old prophetic book in the Holy Bible) as a well-orchestrated divine plan to take over the control of the earth from Satan. This final battle to crush Satan and his minions will be accompanied by a series of cataclysmic natural and anthropogenic events (hunger, economic crisis, war, pandemics), and unprecedented natural disasters that may be attributed to climate change. There is a consensus that the earth is facing a dangerous

---

future. The United Nations projects that almost half of humanity is at risk of dying. While the scientific community link this danger to climatic impacts, many Christians believe that the end of age is imminent. Cryptic details of the events surrounding the Second Coming of Christ and end of age carefully hidden in the Revelation, predict a series of catastrophic events that will cause the death of over half of the world's population. The Final Battle for Earth thoughtfully outlines the end-time events and challenges long-held ideas and theories concerning the end-time--especially those surrounding the fall of Satan, the great the tribulation, the rapture, the first resurrection, the Battle of Armageddon, and what is expected of

Christians during the end-time.

50 Most Important Bible Questions Harvest House Publishers

Many people are unaware of the signs of the times. Many others seem consumed by end-times hype. Kinley's innovative guide to the book of Revelation shows that our primary concern should not be the timing of Christ's return but rather the spirit and character He desires in His bride.

Country Living Thomas Nelson  
Covering the Millerite movement of the 1830s and 1840s, sabbatarian Adventism prior to organization of the denomination, and the Seventh-day Adventist Church since its organization in 1861-63, this volume provides a comprehensive history of the denomination. The first major element of the book is a chronology of Adventist history that begins with

William Miller's conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002-04. The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening, describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form, and examines the denomination's geographical expansion from a small North American sect to a global church. The dictionary entries that constitute the bulk of the volume address individuals, organizations, institutions, and doctrines that have been important in the history of

---

the church, including dissident movements and individuals who have emerged as critics of the denomination and its beliefs. Second, there are entries on the development and current situation of Adventism in many individual countries. Finally, thematic entries on such subjects as art, music, literature, health care, and women address other elements important to understanding church life. The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination, commercial and academic presses, and individuals and organizations.

The Great Controversy Between Christ and His Angels McFarland Publishing

Why are the FBI interested in Adam Blake, a man released from a psychiatric hospital and who

is now a very rich historian? Blake surrounds himself with a bizarre group of employees and travels the world with his friend and employee Victor. When an incident at a log cabin triggers a series of violent and disturbing events, FBI agents Jack and Helen travel to England to see whether these events are connected to Blake. The truth is more alarming than they can possibly imagine. A collection of characters, drawn from the earliest days of the earth itself, start to emerge and make their presence felt. Blake is gathering an army, but what does he need this army for? Does he intend to save the world or destroy it? Are these The Last Days of Planet Earth? *The Genius of Earth Day* W. W. Norton & Company

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and

numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. Last Day Events Zondervan This book is a "journey book." Sitting down at a computer and producing the story has been a grand trek. I have learned that there is a principle in nature that some things need to mellow, calm down, and soak in. The refusal of winemakers to take a wine before its time is a notion I am coming to understand. It works with writers as well. Like a fetus signaling its mother that it is time to head for the hospital, a literary work stays in the mind until its time. In my education, I have read of the battles of great Church leaders who were eventually thrown out of

---

their churches. In my denominational education, I was largely led to see them as heretics, rebels, eccentrics, revolutionaries, apostates, and as generally representing a lower form of spirituality. Church education often asked me to surrender my biases in favor of accepting a new set of assumptions—my denominational ones. We were to be critical of everything except our organization. I submit that there is danger in that. This book will cover incidents from the first forty years of my life as a religious addict. You may find something here that you can identify with.

Gospel Principles Review and Herald Pub Assoc

This second edition covers its history through a chronology, introductory essay, appendixes, and an extensive bibliography.

The dictionary includes over 600 cross-referenced entries on key people, cinema, politics and government, sports, and critics. This book is ideal for students, researchers, and general readers.
