## THE GIFT OF THE MAGI & THE OTHER TALES FROM NEW YORK PURE SNOW PUBLISHING

The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F. Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's

books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined.

This new edition of a very successful book offers an innovative teaching methodology that place the teacher's own biography and life experiences at the center of teacher education. By

asking students to explore their own systems of meaning and the associated contexts, especially school contexts, the author encourages them to contemplate issues of power that are vital to thinking about the teacher's role, as well as educational practices and purposes.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are

---

often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the

creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the

forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Gift of the Magi is a  
treasured short story written  
by O. Henry. A young and  
very much in love couple  
can barely afford their one-

room apartment, let alone the  
extra expense of getting  
Christmas presents for one  
another. But each is  
determined to show their  
love for the other in this  
traditional time of giving;  
each sells a thing they hold  
most dear in order to afford  
a present, with poignant and  
touching results that capture  
their love for one another.

Do you believe that  
people can change? Can  
a bank robber marry the  
banker's daughter without  
having any hidden  
thoughts and intentions?  
"A Retrieved Reformation"  
tells the story of Jimmy, a  
formal prisoner, who  
decides to quit violating  
the law in the name of  
love. He takes up a new

identity and starts a new  
life as an honorable man.  
However he is about to  
face a choice which can  
cost him his future. Will he  
sacrifice himself in order to  
save a child in danger or  
he will prefer to keep his  
old identity in secret?  
William Sydney Porter,  
better known as O. Henry,  
was an American writer  
who lived in the late 19th  
century. He gains wide  
popularity with his short  
stories which often take  
place either in New York  
or some small American

towns. The plot twists and  
the surprise endings are a  
typical and integral part of  
O. Henry's short stories.  
Some of his best known  
works are "The Gift of the  
Magi", "The Cop and the  
Anthem", "A Retrieved  
Reformation". His stories  
often deal with ordinary  
people and the individual  
aspects of life. As a result  
of the outstanding  
literature legacy that O.  
Henry left behind, there is  
an American annual award  
after his name, given to  
exceptional short stories.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is

attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder,

such a luminous dignity."—James Baldwin From the Paperback edition.

Lance Cottonwood is the best and brightest of the leaves, but even the top students on the tree have worries. Can Lance conquer his fear of falling and just let go when the time comes for his final exam, or will he let his worries take over? In this funny and encouraging picture book, best-selling author Stef Wade (A Place for Pluto) tells an engaging story and deftly addresses social and emotional struggles many kids

encounter each day...feeling anxious, wanting to be perfect, facing fears, etc. These themes combined with illustrator Jennifer Davison's delightful characters and rich autumnal colors make *The Very Last Leaf* a perfect book for the start of a new school year, the arrival of autumn, or any period of transition in life.
