Latex Template Paper

This will help to format question paper in Indian context/style. An online LaTeX editor that's easy to use. No installation, real-time collaboration, version control, hundreds of LaTeX templates, and more.

IEEE - Manuscript Templates for Conference Proceedings

This essay template is best used for literature essays containing mostly text. This is supported by a thin single column layout with clear unnumbered section titles to increase readability. The template contains an abstract, keywords and references, which makes it suitable for college/university essays but these elements can be easily removed for a simpler high school essay.

LaTeX Templates » Articles

Simple template for a single-page abstract. An online LaTeX editor that's easy to use. No installation, real-time collaboration, version control, hundreds of LaTeX templates, and more.

LaTeX Templates » Essays

This is a basic journal article template which includes metadata fields for multiple authors, affiliations and keywords. It is also set up to use the lineno package for line numbers; these can be turned on by adding the 'lineno' option to the documentclass command.
