Encountering Christ in the Secret Places of Your Life Thomas Nelson

Women of Faith equals joy! Triumphant joy, exuberant joy . . . outrageous joy! And no wonder. Because as this sparkling, love-and-laughter-filled book reveals, we serve an outrageously joyful God. Dipping their pens in infectious good humor, authors and Women of Faith conference speakers Patsy Clairmont, Barbara Johnson, Marilyn Meberg, Luci Swindoll, Sheila Walsh, and Thelma Wells offer irresistible reasons for rejoicing in every circumstance of life. Using the metaphor of a circus, they encourage us to revel in the three rings of God's love. They join us in skipping across the high wire of his grace, falling back on his safety net of peace, celebrating his hope, and laughing aloud in the freedom that lets us live our lives with abandon. Outrageous Joy introduces one attraction after another--but there's never any competition among the acts! Because each chapter has its own important truth to reveal about joyous Christian living, as seen in: -The Ballyhoo at Bethlehem - Step Right Up! - Juggling,

Spinning, and Smiling All the While - Flying Through the Air with the Greatest of Ease - Swallowing Swords - The Biggest Big Top . . . and other wise, merry-hearted reflections. Filled with whimsical illustrations and Barbara Johnson's 'sideshow' nuggets of wisdom and humor, Outrageous Joy will help women of all ages embrace God's outrageous plan for their lives.

A Biblical Understanding of Prophecy and End-Time Events Thomas Nelson
Are you getting the spiritual nourishment you need? We 've all experienced times when we have not eaten a balanced diet or we 've eaten too many sweets. We feel sick, light-headed, and occasionally depressed, or we become irritated and edgy. It 's the body 's way of letting us know that it 's lacking sufficient nourishment. Optimal health requires optimal nutrition. The same is true spiritually speaking. Without sufficient and regular biblical nutrition, our inner life begins to suffer the consequences. We become shallow and selfish, more demanding and less gentle, and quick to react impatiently, rashly, and angrily. These are telltale signs of inner malnutrition. In *Searching the Scriptures*, respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives. He outlines the principles of Bible study that will help you understand God 's Word, apply it, and communicate it clearly to those around you. Too many people try to go it alone, without a guide, for this life and the next. Chuck explains how we can fix our own spiritual meals, then invites us to feast on nourishing truths we can discover in God 's Word.

Over 1,500 Outstanding Ways to Effectively Drive Home Your Message FaithWords

"A gutsy success story" (The New York Times Book Review) about one tenacious woman's journey to escape rural poverty and create a billion-dollar farming business—without ever leaving the land she loves The youngest of her parents' combined twenty-one children, Sarah Frey grew up on a struggling farm in southern Illinois, often having to grow, catch, or hunt her own dinner alongside her brothers. She spent much of her early childhood dreaming of running away to the big city—or really anywhere with central heating. At fifteen, she moved out of her family home and started her own fresh produce delivery business with nothing more than an old pickup truck. Two years later, when the family farm faced inevitable foreclosure, Frey gave up on her dreams of escape, took over the farm, and created her own produce company. Refusing to play by traditional rules, at seventeen she began talking her way into suit-filled boardrooms, making deals with the nation's largest retailers. Her early negotiations became so legendary that Harvard Business School published some of her deals as case studies, which have turned out to be favorites among its students. Today, her family-operated company, Frey Farms, has become one of America's largest fresh produce growers and shippers, with farmland spread across seven states. Thanks to the millions of melons and pumpkins she sells annually, Frey has been dubbed "America's Pumpkin Queen" by the national press. The *Growing Season* tells the inspiring story of how a scrappy rural childhood gave Frey the grit and resiliency to take risks that paid off in unexpected ways. Rather than leaving her community, she found adventure and opportunity in one of the most forgotten parts of our country. With fearlessness and creativity, she literally dug her destiny out of the dirt.

How I Built a New Life--and Saved an American Farm Berrett-Koehler Publishers

Would you rather be a person of significance or a person of prominence? Think carefully! The answer to that question will shape your entire future. Pastor, teacher, and beloved author Charles Swindoll says, "Somehow life has taught us poorly. We're trained to think that the most significant people are star athletes, actors, and musicians—the ones we applaud, those whose autographs we seek, those who have worldly renown. "They aren't. Not really. Most often, the people really worth noting are those who turn a 'nobody' into a 'somebody' but never receive credit." What is forgotten far too often is this: Success in God's kingdom and in the church depends upon faithful people the public rarely knows. The Old Testament contains numerous fascinating stories of forgotten lives—unsung heroes whose actions, sacrifices, or battles failed to ascribe them worldly renown. These great lives, however, reveal significant people whom God honors in the pages of His Word and, therefore, deserve our serious attention and emulation. Adino took out eight hundred armed, skilled fighting men with his sword. Eleazar attacked the Philistines by himself for so long that his comrades had to pry his sword out of his grip. Shammah, while his companions ran like scared cats from their enemies, stood his ground—alone—and was victorious. And yet,

did you recall any of their names? They're not on the rolls of the rich and famous. Still, they are significant. In this eighth volume of the bestselling Great Lives from God's Word series, Chuck will examine little-remembered Bible characters and events. He will help you discover biblical principles and practical applications for living so that you can be who you are in God's estimation . . . a person of true significance.

The Power of Empowering Others Leadership isn't easy. It takes grit, courage, and vision, among other things, that can be hard to come by on your toughest days. When leaders and aspiring leaders seek out advice, they're often told to try harder. Dig deeper. Look in the mirror and own your natural-born strengths and fix any real or perceived career-limiting deficiencies. Frances Frei and Anne Morriss offer a different worldview. They argue that this popular leadership advice glosses over the most important thing you do as a leader: build others up. Leadership isn't about you. It's about how effective you are at empowering other people—and making sure this impact endures even in your absence. As Frei and Morriss show through inspiring stories from ancient Rome to present-day Silicon Valley, the origins of great leadership are found, paradoxically, not in worrying about your own status and advancement, but in the unrelenting focus on other people's potential. Unleashed provides radical advice for the practice of leadership today. Showing how the boldest, most effective leaders use a special combination of trust, love, and belonging to create an environment in which other people can excel, Frei and Morriss offer practical, battle-tested tools—based on their work with companies such as Uber, Riot Games, WeWork, and others—along with interviews and stories from their own personal experience, to make these ideas come alive. This book is your indispensable guide for unleashing greatness in other people . . . and, ultimately, in yourself. To learn more, please visit theleadersguide.com.
