The narrator did a great job, and by the end of Laundry Man , Jacks "new" voice was entrenched in my brain.

Look forward to hearing more in the series. Singapore's own Samuel Tay is next on my list! Well done, and thank you for bringing Jack Shepherd off the pages and into my iPhone!

LAUNDRY MAN by Jake Needham is the kind of book you hope to find, but rarely do. From the first page, it sinks its hook into a reader ' s soft palate, and doesn ' t let go. Good on so many levels, it ' s sort of frightening that someone can tell a story this well, but that ' s what happens in this non-stop plunge into a conspiratorial abyss.
