Business & Law Personal Statement Academically, I have always been a very determined and studious individual, hence why I knew that a degree at university would be the definite next step. I have a broad interest in many subject areas yet feel drawn towards a law or business orientated degree.

Law for Business and Personal Use

Business law covers rules that apply to business situations and transactions. Business law is largely concerned with civil law, especially contracts. The area of law pertaining to torts is another category of business law. Torts are private wrongs (civil offenses) against people or organizations. Business activities are also governed by criminal law at times.
