Anthropologist Eve Darian-Smith and socio-legal scholar Peter Fitzpatrick have brought together a strong and demanding collection of essays that sift the connections of law and postcolonial theory. The approaches and contexts are diverse and, to borrow from Annelise Riles's contribution, the twelve authors approach their subject on a variety of scales from the local to the multinational and ... *Laws Of The Postcolonial By Eve Darian Smith | calendar ...*

This chapter reflects on the recognition that
the relations between Western and non-Western
countries, since the sixteenth century at
least, have been indelibly shaped by the
phenomenon of imperialism. Often the
postcolonial doctrinal study of international
law is ignored as historical. The chapter
however brings colonialism to the centre of
international law.

Postcolonialism and the Law. Denise Ferreira
da Silva & Mark Harris (ed.) ISBN
9780415640169. Routledge, 2017.

Postcolonialism and the Law provides a long
overdue delineation of the field of enquiry
that engages with the legal programmes,
structures, and procedures which have
sustained Euro-North American supremacy on
the international political stage for the
past fifty years or so.
