Curly: A Tale of the Arizona Desert Penguin

The flies were the first thing that would have caught my attention. The drooping, sagging mass of flesh and the smell of urine and the bowels having let go were right up there in sensory overload, but the buzzing blue and green shining flies all over the body signaled there was no going back for this dude. From doing suicide on-call for more than a decade, I've seen my share of "successful" attempts. There are no pretty stories to tell. Even though I came upon the scene after the fact, long after as a matter of fact, even though the photos I eventually saw were black and whites in a sheriff's file, I had seen enough of the real thing to be able, no matter how hard I tried not to, to see the body gently swaying in the tepid breeze from a tree limb like some very bad, rotten fruit. Question was: Did Bobby Banks climb a tree and let go, or did he have a little help? That's what I was being paid to find out. George, a Dog to Treasure BoD – Books on Demand

NATIONAL BESTSELLER • In this "end-of-the-world novel more like a rapturous beginning" (San Francisco Chronicle), Hig somehow survived the flu pandemic that killed everyone he knows. His gripping story is "an ode to friendship between two men ... the strong bond between a human and a dog, and a reminder of what is worth living for" (Minneapolis Star-Tribune). Hig's wife is gone, his friends are dead, and he lives in the hangar of a small abandoned airport with his dog, Jasper, and a mercurial, gun-toting misanthrope named Bangley. But when a random transmission beams through the radio of his 1956 Cessna, the voice ignites a hope deep inside him that a better life exists outside their tightly controlled perimeter. Risking everything, he flies past his point of no return and follows its static-broken trail, only to find something that is both better and worse than anything he could ever hope for.

The Desert Home DigiCat

This is the story of Charles Sturt's trip to penetrate Australia's mysterious centre. South Australia is sliding into bankruptcy and the colonials look to Sturt. As "Father of Australian Exploration" they needed him to find rich lands to rescue the South Australian economy. As one perishes, others wondered who would be next. Could their steely resolve force the Inland to yield its secrets? The explorer's original diaries and letters are quoted from freely, to enable you to ride into the fierce, blazing deserts with them and to feel what they felt and picture what they saw.

First in the exciting new Desert Dog series, starring hot and sexy bikers in the Southwest... Backbreaking days, wild nights, and the hard hum of steel between your thighs... That's a life well lived, according to the Desert Dogs—four friends who call Fortuity, Nevada, their badlands home. Vince Grossier is the self-crowned outlaw king around here. But when Fortuity's slick new mayor invites a casino development to town, greed isn't far behind—and it claims Vince's good friend as its first casualty. With the law turning a blind eye to the mysterious death, Vince must seek his own brand of justice. The pretty photographer hired by the developers might be the key to uncovering the truth. And she's a temptation too good to pass up. Finally free of a controlling ex, Kim Paget's not looking to be taken for a ride—not on the back of some tattooed roughneck's bike and definitely not in his bed. But when she uncovers evidence supporting Vince's suspicions of murder, Kim must entrust her safety to a man whose body threatens danger of a whole different kind.

The Desert of the Exodus A&C Black
A hot new Desert Dogs novel from the author of Lay It Down Keep your friends close—and your enemies closer.... Bar owner Raina

Harper can't say for sure what Duncan Welch is to her. With her small Nevada town under siege by a ruthless casino development and still reeling from a spate of murders, she knows that trusting the public face of the corporate invaders is risky to say the least. Though, damn, it's one fine-looking face... Duncan may be a mercenary when it comes to getting the job done, but he's no villain. In fact, the calculating fixer soon finds himself in the bad guys' crosshairs, framed and facing professional ruin. To clear his name, he'll need help from Raina and her roughneck motorcycle club, the Desert Dogs. Gaining their trust won't be easy, and the molten sexual tension between Raina and Duncan only makes things more complicated—especially since Miah Church, Raina's friend and ex-lover, would sooner strangle Duncan than shake his hand. One thing's certain, though: If they don't deal with their incendiary attraction soon, the whole damn town might go up in flames...

Drive It Deep Penguin

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions.

Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of

Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

A film star begs Croft to find his missing wife and daughter Hollywood icon Roy Alonzo has just learned that in Los Angeles there is no such thing as a simple divorce. After years of bitterness and jealousy, his wife Melissa leaves him, taking most of his money, property, and five days a week with their only child. When Roy begins dating again, Melissa accuses him of sexually abusing their daughter, and disappears with her. Alonzo asks Santa Fe

detective Joshua Croft to find them and prove his innocence, but there's a problem: Croft thinks Alonzo is lying. Croft refuses to help the star—but a surprise visitor changes his mind. Norman Montoya, underworld kingpin of Santa Fe, is Alonzo's uncle, and he convinces Croft that the fugitives are in jeopardy. The women have been swallowed by an international conspiracy, and it will take brute force—not star power—to bring them back.
