A film star begs
Croft to find his
missing wife and
daughter Hollywood
icon Roy Alonzo has
just learned that
in Los Angeles
there is no such
thing as a simple
divorce. After
years of bitterness
and jealousy, his
wife Melissa leaves
him, taking most of

his money, property,
and five days a
week with their
only child. When
Roy begins dating
again, Melissa
accuses him of
sexually abusing
their daughter, and
disappears with
her. Alonzo asks
Santa Fe detective
Joshua Croft to
find them and prove
his innocence, but
there's a problem:
Croft thinks Alonzo
is lying. Croft

refuses to help the
star—but a surprise
visitor changes his
mind. Norman
Montoya, underworld
kingpin of Santa
Fe, is Alonzo's
uncle, and he
convinces Croft
that the fugitives
are in jeopardy.
The women have been

The Silent Assassins of the Red Desert aren't much for conversation, and Celeana Sardothien wouldn't have it any other way. She's not there to chatter, she's there to hone her craft as the world's most feared killer for hire. Quiet suits her just fine - until she begins to suspect there's a traitor in the fortress, and she must determine which of the mute and mysterious assassins is her deadly adversary.

Burn It Up Anchor Canada

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057.

Although gifted with a

superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the

investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of

the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

In the latest from the acclaimed author of Give It All, mount up and ride a roaring motorcycle to Fortuity, Nevada, where the heat is rising... After a decade spent chasing shadier pursuits, Casey Grossier has come home to the badlands to settle down in Fortuity. Vowing to put his days of dirty money behind him, he's cleaned up his act and become co-owner of Benji's Saloon. But despite

his efforts to be a better man, he can't shake his crush on his sweet-faced bartender, even though the woman screams trouble. Abilene Price hopes she can outrun her mistakes and build a safe, respectable life for herself and her baby. So she'd be wise to keep her distance from her boss, Casey, and the rest of his roughneck motorcycle club, the Desert Dogs. But she just might need their help. The return of a violent figure from Abilene's past ignites a powder keg—and it's only the beginning...

Sturt's Desert Drama
Booktango
First in the exciting new Desert Dog series, starring hot and sexy bikers in the Southwest... Backbreaking days, wild nights, and the hard hum of steel between your thighs... That's a life well lived, according to the Desert Dogs—four friends who call Fortuity, Nevada, their badlands home. Vince Grossier is the self-crowned outlaw king around here. But when Fortuity's slick new mayor invites a casino development to town, greed isn't far behind—and it claims Vince's good friend as

its first casualty. With the law turning a blind eye to the mysterious death, Vince must seek his own brand of justice. The pretty photographer hired by the developers might be the key to uncovering the truth. And she ' s a temptation too good to pass up. Finally free of a controlling ex, Kim Paget ' s not looking to be taken for a ride—not on the back of some tattooed roughneck ' s bike and definitely not in his bed. But when she uncovers evidence supporting Vince ' s suspicions of murder, Kim must entrust her safety to a man whose body threatens danger of a whole

different kind. Desert Rats Harlequin NATIONAL BESTSELLER

- In this "end-of-the-world novel more like a rapturous beginning" (San Francisco Chronicle), Hig somehow survived the flu pandemic that killed everyone he knows. His gripping story is "an ode to friendship between two men ... the strong bond between a human and a dog, and a reminder of what is worth living for" (Minneapolis Star-Tribune). Hig's wife is gone, his friends are dead, and he lives in the hangar of a small abandoned airport with his

dog, Jasper, and a mercurial, gun-toting misanthrope named Bangle. But when a random transmission beams through the radio of his 1956 Cessna, the voice ignites a hope deep inside him that a better life exists outside their tightly controlled perimeter. Risking everything, he flies past his point of no return and follows its static-broken trail, only to find something that is both better and worse than anything he could ever hope for. Jeremiah Church and Raina

Harper have been close since they were kids, back when life was all about hot Nevada summers spent running wild on the backs of their motorcycles with their friends. Now in their thirties, their lives are changing, and so is the way Miah looks at Raina—a sizzling tension has begun to smolder, impossible to ignore. Miah is a man of simple pleasures—after a long day overseeing his family ’ s cattle ranch, a cool drink in his hand and a barstool under his backside are all he needs.

Except lately, Miah ’ s begun looking at his bartender differently. Raina is Miah ’ s

polar opposite—she ’ s as hot-headed as he is self-possessed, as wild as he is steady. And though they ’ re a recipe for disaster, the mutual attraction brewing between them is too tempting to deny. But when bottled-up desires hit this hard, this fast, after so long, the results are positively explosive. And while the affair is hot enough set the badlands on fire, when the flames burn out, will their lifelong friendship survive, or go up in smoke? This is the story of Charles Sturt's trip to penetrate Australia's mysterious centre. South Australia is sliding into bankruptcy and the colonials look to Sturt. As "Father of Australian Exploration" they needed him to find rich lands to rescue the South Australian economy. As one perishes, others wondered who would be next. Could their steely resolve

force the Inland to yield its secrets? The explorer's original diaries and letters are quoted from freely, to enable you to ride into the fierce, blazing deserts with them and to feel what they felt and picture what they saw.

Desert Rescue Litres

The flies were the first thing that would have caught my attention. The drooping, sagging mass of flesh and the smell of urine and the bowels having let go were right up there in sensory overload, but the buzzing blue and green shining flies all over the body signaled there was no going

back for this dude. From doing suicide on-call for more than a decade, I've seen my share of "successful" attempts. There are no pretty stories to tell. Even though I came upon the scene after the fact, long after as a matter of fact, even though the photos I eventually saw were black and whites in a sheriff's file, I had seen enough of the real thing to be able, no matter how hard I tried not to, to see the body gently swaying in the tepid breeze from a tree limb like some very bad, rotten fruit. Question was: Did Bobby Banks climb a tree and let go, or did he have a little help?

That's what I was being paid to find out.
