Worksheet Answers together with
Global Warming Of the
atmosphere When you have
finished reading the question, write
it down for each of the layers of the
stack. You can also write the
question on the back of the card
stock. You can then put the card
stock into a small wooden box or
into an envelope and tape it up.

Background Information: The
atmosphere can be divided into
four layers based on temperature
differences. The layer closest to
the Earth is called the
troposphere. Above this layer is
the stratosphere, followed by the
mesosphere, then the
