Most candidates attempted this question and
performed fairly well. Most candidates were able to
define photosynthesis but could not give balanced
equations and list the external and internal factors
that affect the rate of photosynthesis. Many
candidates could not list and explain the products
of the light dependent stage of photosynthesis.

As a result of intelligence shared with us by
students, the sale of exam papers was confirmed on
Friday 23rd June – too late to replace papers to be
sat that day and the following Monday. We notified
the exams regulator Ofqual, and took the evidence
we had gathered to the police who immediately
began their investigations.
