About Leaving My Father's House. The renowned analyst and author here provides deep insight into the process required to bring feminize wisdom to consciousness in a patriarchal culture—as struggle in which many women are more fully engaged today than ever before.

*Leaving my father's house : a journey to conscious ...*

All the women go through a powerful individuation process and leave their "Father's House," which essentially means leaving the chains of patriarchy. My favorite individuating healing path is through art and creativity, but there are other paths offered as well. I just adore the empowerment of this book....more

A notable contribution to the understanding of women's development, as leading Jungian analyst Woodman comments on and provides a theoretical framework for personal accounts by three of her clients. The first-person stories by these clients—Kate Danson, Mary Hamilton, and Rita Greer Allen—make up the major part of the book. Culled by the women from hundreds of pages of their journals, the ...
