Eight Steps to Active Lecturing | Learner Centered Teaching

What Is the Purpose of This Step? Step 1 is about letting go. You admit you have a problem and begin to seek out assistance. It isn't easy, but admitting powerlessness allows you to break the cycle of addiction that you've been stuck in. Alcoholics Anonymous believes that admitting you can't control your alcohol use is a necessary first step on the path to

recovery.

About Step 1 of the 12 Step Program

The first step was to identify the genre or literary form. The genre determines the rules of the game; it determines how you are going to interpret that. The second step was get the big picture, that is establish the historical and literary context of your passage. The best way to do that is to read the entire book through. Read the letter through.
