A cultured city scarred by war. . . . An eastern émigré with scars and secrets of her own. . . . A young woman claiming to be a Russian grand duchess. . . . A brazen killer, as vicious as he is clever. . . . A detective driven by decency and the desire for justice. . . . A nightmare political movement steadily gaining power. . . . This is 1922 Berlin. One of the troubled city's growing number of refugees, Esther Solomonova survives by working as secretary to the charming, unscrupulous cabaret owner "Prince" Nick, and she's being drawn against her will into his scheme to pass a young asylum patient off as Anastasia, the last surviving heir to the murdered czar of all Russia. But their found "princess," Anna Anderson, fears that she's being hunted—and this may turn out to be more than paranoia when innocent people all around her begin to die.

INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA COVER TO COVER BOOK CLUB PICK "Rich, dark, and intricately twisted, this enthralling whodunit mixes family saga with domestic noir to brilliantly chilling effect." —Ruth Ware, New York Times bestselling author "A haunting, atmospheric, stay-up-way-too-late read." —Megan Miranda, New York Times bestselling author From the #1 New York Times bestselling author of *Then She Was Gone* comes another page-turning look inside one family's past as buried secrets threaten to come to light. Be careful who you let in. Soon after her twenty-fifth birthday, Libby Jones returns home from work to find the letter she's been waiting for her entire life. She rips it open with one driving thought: I am finally going to know who I am. She soon learns not only the identity of her birth parents, but also that she is the sole inheritor of their abandoned mansion on the banks of the Thames in London's fashionable Chelsea neighborhood, worth millions. Everything in Libby's life is about to change. But what she can't possibly know is that others have been waiting for this day as well—and she is on a collision course to meet them. Twenty-five years ago, police were called to 16 Cheyne Walk with reports of a baby crying. When they arrived, they found a healthy ten-month-old happily cooing in her crib in the bedroom. Downstairs in the kitchen lay three dead bodies, all dressed in black, next to a hastily scrawled note. And the four other children reported to live at Cheyne Walk were gone. In *The Family Upstairs*, the master of "bone-chilling suspense" (People) brings us the can't-look-away story of three entangled families living in a house with the darkest of secrets.

Who's who

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Athenaeum

"A good legal secretary is one of the most valuable assets in any legal office and this book, written as a practical guide, will enable them to approach their work with increased confidence. Of particular assistance will be the numerous completed specimen forms and documents. These examples are invaluable reference sources, indicating the best way of filling in such forms. As well as covering most areas of law, this book identifies the people who work in the law and the structure of the courts. It contains a useful glossary, a section on etiquette, and a helpful list of addresses, telephone numbers, and web addresses. There is also a guest chapter on finding a job which has been written by Zarak Legal, a leading London recruitment consultant firm. A 'test yourself' section at the end of most chapters acts as an ideal study aid for beginners to monitor progress, or as a desktop reference for the more experienced legal secretary."--BOOK JACKET.
