A Civil Action Simon and Schuster

An epic, award-winning biography of Malcolm X that draws on hundreds of hours of personal interviews and rewrites much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to create an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic, National Book Award-winning biography, which interweaves previously unknown details of Malcolm X's life—from harrowing Depression-era

vignettes to a moment-by-moment retelling of the 1965 assassination—into an extraordinary account that contextualizes Malcolm X's life against the wider currents of American history.

Bookended by essays from Tamara Payne, Payne's daughter and primary researcher, who heroically completed the biography after her father's death in 2018, *The Dead Are Arising* affirms the centrality of Malcolm X to the African American freedom struggle. Moving the Bar Bonus Books This book provides concrete advice on how to prevent divorce from the real experts on the subject: divorce lawyers. Based in in-depth interviews with 100 of America's leading divorce attorneys, *The Divorce Lawyers' Guide To Staying Married* explains why divorce occurs and what can be done to immunize today's marriages from the ever-growing divorce epidemic.

[Fifty Legal Careers for Non-lawyers](#) Anchor " Written by Harvard-

trained ex-law firm partner Liz Brown, *Life After Law: Finding Work You Love with the J.D. You Have* provides specific, realistic, and honest advice on alternative careers for lawyers. Unlike generic or abstract career guides, *Life After Law* shows lawyers how to reframe their legal experience to their competitive advantage, no matter how long they have been in or out of practice, to find work they truly love. Brown herself moved from a high-powered partnership position into an alternate career and draws from this experience, as well of dozens of former practicing attorneys, in the book. She acknowledges that changing careers is hard - much harder than it was for most lawyers to get their first legal job after law school - but it can ultimately be more

fulfilling for many than a life in law. *Life After Law* offers an alternative framework and valuable analytic tools for potential careers to help launch lawyers into new fields and make them attractive hires for non-legal employers. "--

A crucial guide to life before—and after—Tinder, IVF, and robots. What will happen to our notions of marriage and parenthood as reproductive technologies increasingly allow for newfangled ways of creating babies? What will happen to our understanding of gender as medical advances enable individuals to transition from one set of sexual characteristics to another, or to remain happily perched in between? What will happen to love and sex and romance as our relationships migrate from the real world to the Internet? Can people fall in love with robots? Will they? In short, what will happen to our most basic notions of humanity as we entangle our lives and emotions with the machines we have

created? In *Work Mate Marry Love*, Harvard Business School professor and former Barnard College president Debora L. Spar offers an incisive and provocative account of how technology has transformed our intimate lives in the past, and how it will do so again in the future. Surveying the course of history, she shows how marriage as we understand it resulted from the rise of agriculture, and that the nuclear family emerged with the industrial revolution. In their day, the street light, the car, and later the pill all upended courtship and sex. Now, as we enter an era of artificial intelligence and robots, how will our deepest feelings and attachments evolve? In the past, the prevailing modes of production produced a world dominated by heterosexual, mostly-monogamous, two-parent families. In the future, however, these patterns are almost certain to be reshaped, creating entirely new norms for sex and romance, and for the construction of families and the raising of children. Steering clear of both

techno-euphoria and alarmism, Spar offers a bold and inclusive vision of how our lives might be changed for the better.

The Anxious Lawyer Farrar, Straus and Giroux

What happens if *Roe v. Wade* is overturned? When can you legally use self-defense? How the hell does the Electoral College work, and who came up with it anyway? We hear about the law everywhere, from our social media feeds to 24/7 news coverage, and even heated debates with friends and family. But do the people we're listening to really understand the law, or how it works? *The Law Says What?* offers a crash course on some of the most bizarre, infuriating, and vitally important legal topics of today. You'll explore the reasons behind laws that affect your everyday life using real-world cases that might make your head spin. Your mind will be blown and your sides may hurt from laughing as you learn more about criminal law, civil law, contract law, property law, tort law, international law, and courtroom procedure than even those cable newscasters know. You'll discover: • Why the police don't actually have a legal duty to protect you • How marijuana is both legal and illegal at the same time • How you can be charged for murder without actually killing anyone • How someone can legally steal your land just by keeping it long enough • Why the government can confiscate your possessions without ever charging you for a crime Harvard Law School

graduate and practicing attorney Maclen Stanley has already had all the boring laws so you don't have to, condensing the real-world legal cases into fascinating stories with valuable information. You'll feel like you're having a conversation with a friend, rather than reading your mortgage disclosures. This book will help you make better decisions and have deeper conversations about the most important laws that affect you, your family, and your friends on a daily basis. And along the way, you'll see that, in practice, the law-much like the human beings that create and enforce it-is actually pretty weird.

Lady Justice Harper Collins
This true story of an epic courtroom showdown, where two of the nation's largest corporations were accused of causing the deaths of children from water contamination, was a #1 national bestseller and winner of the National Book Critics Circle Award. Described as "a page-turner filled with greed, duplicity, heartache, and bare-knuckle legal brinksmanship by The New York Times, *A Civil Action* is the searing, compelling tale of a legal system gone awry—one in which greed and power fight an unending struggle against justice. Yet it is also the

story of how one man can ultimately make a difference. Representing the bereaved parents, the unlikeliest of heroes emerges: a young, flamboyant Porsche-driving lawyer who hopes to win millions of dollars and ends up nearly losing everything, including his sanity. With an unstoppable narrative power reminiscent of Truman Capote's *In Cold Blood*, *A Civil Action* is an unforgettable reading experience that will leave the reader both shocked and enlightened. *A Civil Action* was made into a movie starring John Travolta and Robert Duvall. Simon & Schuster

Explaining how to protect a marriage from the trials and tribulations of parenthood, this practical handbook draws on the author's professional role as a marriage counselor and personal experiences as a married mother to offer advice on how a couple can revive their sex life, find humor in everyday problems, make time for each other, balance work and home, and more. David E. McCraw recounts his experiences as the top newsroom lawyer for the New York Times during the most turbulent era for journalism in generations. In October 2016, when Donald Trump's lawyer demanded that The New York Times retract an article focused on two women that accused Trump of touching them inappropriately, David McCraw's scathing letter of refusal went viral and he became a hero of press freedom everywhere. But as you'll see in *Truth in Our Times*, for the top

newsroom lawyer at the paper of record, it was just another day at the office. McCraw has worked at the Times since 2002, leading the paper's fight for freedom of information, defending it against libel suits, and providing legal counsel to the reporters breaking the biggest stories of the year. In short: if you've read a controversial story in the paper since the Bush administration, it went across his desk first. From Chelsea Manning's leaks to Trump's tax returns, McCraw is at the center of the paper's decisions about what news is fit to print. In *Truth in Our Times*, McCraw recounts the hard legal decisions behind the most impactful stories of the last decade with candor and style. The book is simultaneously a rare peek behind the curtain of the celebrated organization, a love letter to freedom of the press, and a decisive rebuttal of Trump's fake news slur through a series of hard cases. It is an absolute must-have for any dedicated reader of The New York Times.

Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America ' s favorite storyteller has several surprises in store.

" Homecoming " takes us back to Ford County, the fictional setting of many of John Grisham ' s unforgettable stories. Jake Brigrance is back, but he ' s not in the courtroom. He ' s called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he ' s leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In " Strawberry Moon, " we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can ' t save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The " Sparring Partners " are the Malloy brothers, Kirk and Rusty, two successful young

lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told. *Lawyers and Thieves* Vandeplass Pub Emma Chase, New York Times bestselling author of the Tangled series, returns with the first installment of the Legal Briefs series! A Washington, DC, defense attorney, Stanton Shaw keeps his head cool, his questions sharp, and his arguments irrefutable. They don't call him the Jury Charmer for nothing—with his southern drawl, disarming smile, and captivating green eyes, he's a hard man to say no to. Men want to be him, and women want to be thoroughly cross examined by him. Stanton's a man with a plan. And for a while, life was going according to that plan. Until the day he receives an invitation to the wedding of his high school sweetheart, the mother of his beloved ten-year-old daughter. Jenny is getting married—to someone who isn't him. That's definitely not part of

the plan. *** Sofia Santos is a city-raised, no-nonsense litigator who plans to become the most revered criminal defense attorney in the country. She doesn't have time for relationships or distractions. But when Stanton, her "friend with mind-blowing benefits," begs her for help, she finds herself out of her element, out of her depth, and obviously out of her mind. Because she agrees to go with him to The-Middle-Of-Nowhere, Mississippi, to do all she can to help Stanton win back the woman he loves. Her head tells her she's crazy...and her heart says something else entirely. What happens when you mix a one-stop-light town, two professional arguers, a homecoming queen, four big brothers, some Jimmy Dean sausage, and a gun-toting Nana? The Bourbon flows, passions rise, and even the best-laid plans get overruled by the desires of the heart. *The Young Lawyer's Jungle* Book Amer Bar Assn **LOVE AND LAUGHTER - IF LAWYERS AREN'T FRIENDS - HOW CAN THEY EVER BE LOVERS?**Jenny wants to be a lawyer with a social conscience. Zach's in it for one night stands with gorgeous students. Why would a successful corporate lawyer volunteer at a legal clinic? Well, Zach Jones figures it's a great way to meet gorgeous impressionable female students. The moment he sees Jenny Lathrop, he's knocked out--both literally and figuratively. When he comes to, he wants to get to know her

intimately, but her passion is crazy, hopeless causes that horrify him. On first impression, Zach also epitomizes everything Jenny abhors. He's rich, uncaring about social causes, and slick. How can she make him love not just her, but what she stands for? It takes friends in low places to bring about an equitable settlement. *Kill All the Lawyers* Integrity Registry Press, LLC Dahlia Lithwick, one of the nation's foremost legal commentators, tells the gripping and heroic story of the women lawyers who fought the racism, sexism, and xenophobia of Donald Trump's presidency—and won After the sudden shock of Donald Trump's victory over Hillary Clinton in 2016, many Americans felt lost and uncertain. It was clear he and his administration were going to pursue a series of retrograde, devastating policies. What could be done? Immediately, women lawyers all around the country, independently of each other, sprang into action, and they had a common goal: they weren't going to stand by in the face of injustice, while Trump, Mitch McConnell, and the Republican party did everything in their power to remake the judiciary in their own conservative image. Over the next four years, the women worked tirelessly to hold the line against the most chaotic and malign presidency in living memory. There was Sally Yates, the acting attorney general of the United States, who refused to sign off on the Muslim travel ban. And

Becca Heller, the founder of a refugee assistance program who brought the fight over the travel ban to the airports. And Roberta Kaplan, the famed commercial litigator, who sued the neo-Nazis in Charlottesville. And, of course, Stacey Abrams, whose efforts to protect the voting rights of millions of Georgians may well have been what won the Senate for the Democrats in 2020. These are just a handful of the stories Lithwick dramatizes in thrilling detail to tell a brand-new and deeply inspiring account of the Trump years. With unparalleled access to her subjects, she has written a luminous book, not about the villains of the Trump years, but about the heroes. And as the country confronts the news that the Supreme Court, which includes three Trump-appointed justices, will soon overturn *Roe v. Wade*, Lithwick shines a light on not only the major consequences of such a decision, but issues a clarion call to all who might, like the women in this book, feel the urgency to join the fight. A celebration of the tireless efforts, legal ingenuity, and indefatigable spirit of the women whose work all too often went unrecognized at the time, *Lady Justice* is destined to be treasured and passed from hand to hand for generations to come, not just among lawyers and law students, but among all optimistic and hopeful Americans.
