What do you do when there's a bounty on your head? Curse the vampire who put it there and thank the heavens that you're a witch. The moment Carter Voss stepped into the dive bar my twin sister had dragged me to, I knew I was in trouble. There was something about the way the other vampires feared him that intrigued me. However, there was a slight problem. I despised vampires. It wasn't until my best friend, who happens to be a pixie, enlightened me about Carter Voss that I realized that he, the reason for said bounty, might be the only one to turn to for help. As I learned about Carter, the man behind the vampire, I couldn't help but fall for him. I realized that we'd all had our tragedies, but it was how we moved beyond them that mattered. I just never expected that when a family secret is revealed, I'd be faced with a decision that would change the world as we know it.

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of Belleweather and The Vanished Days A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice.
