The Official Justice League Training Manual DC Comics

This bite-size collection of LEGO castle build ideas will whisk you back to the days when knights were bold. Small in size but big in inspiration, this neat 32-page volume contains a collection of projects from the 'In Days of Old' chapter of The LEGO® Ideas Book. These ideas will do more than teach building skills; they will unlock your imagination and get you dreaming up dozens of ideas of your own. First build your majestic castle. Then create a drawbridge that really lifts and a portcullis that really lowers. Build a giant dragon for your minifigure knights to fight - maybe using a brick-built cannon. How about some sneaky traps for your enemies, and a brick-busting battering ram? There's all this and lots more inside this book, so dip in - and don't forget, there are four other exciting books in this series, too. ©2020 The LEGO Group

The LEGO MINDSTORMS Robot Inventor Activity Book University of Texas Press

With its focus on the iconic toy ' s history, this book will make a great gift for LEGO® fans and collectors of all ages. LEGO, the LEGO logo, the Brick and Knob configurations, and the Minifigure are trademarks of the LEGO Group. ©2021 The LEGO Group. Manufactured by AMEET Sp. z o.o. under license from the LEGO Group.

Create a Castle and Other Great LEGO Ideas No Starch Press

Dick Grayson trades out his escrima sticks for a magnifying glass and a sleuth hat to investigate Bl ü dhaven ' s new mayor, Melinda Zucco, and find out how the daughter of the man who murdered Dick ' s parents came to power in Nightwing ' s city. But his investigative adventure is cut short when he comes face to face with the most horrendous villain in the history of Bl ü dhaven-HEARTLESS.

Mouse Guard: Art Of Bricks DK Children

What happens when we set out to understand LEGO not just as a physical object but as an idea, an icon of modernity, an image—maybe even a moving image? To what extent can the LEGO brick fit into the multimedia landscape of popular culture, especially film culture, today? Launching from these questions, Dana Polan traces LEGO from thing to film and asserts that The LEGO Movie is an exemplar of key directions in mainstream cinema, combining the visceral impact of effects and spectacle with ironic self-awareness and savvy critique of mass culture as it reaches for new heights of creativity. Incorporating insights from conversations with producer Dan Lin and writer-directors Phil Lord and Chris Miller, Polan examines the production and reception of The LEGO Movie and closely analyzes the film within popular culture at large and in relation to LEGO as a toy and commodity. He identifies the film ' s particular stylistic and narrative qualities, its grasp of and response to the culture industry, and what makes it a distinctive work of animation within the seeming omnipresence of animation in Hollywood, and reveals why the blockbuster film, in all its silliness and seriousness, stands apart as a divergent cultural work.

Cool Creations in 35 Pieces Scholastic Paperbacks

Push, pull and slide the moving mechanisms in this brilliant board book to bring the LEGO Fire Station to life. The Fire Chief and her crew need your help! Push and pull the tabs in each scene - open the fire station doors, make the helicopter take off and then slide the scene-changing mechanism to drive off in the fire engine - all in a day's work! LEGO Fire Station: A Push, Pull and Slide Book is a great gift for young LEGO fans.

Lego Fire Station: A Push, Pull and Slide Book No Starch Press

Build 11 machines, includes all the LEGO bricks you need. From the 'practical' (a mechanical hand to pick things up for you) to the intriguing (a machine that makes crinkled paper) to the flat-out ridiculous (astronaut training for your mini-figures!), these projects encourage kids to explore the possibilities hidden in their LEGO collection. Inspires open-ended creativity to not just build the models in this book, but also to experiment with their own modifications to be faster, more accurate, or more complex.

LEGO DC Comics Super Heroes Simon and Schuster

Gives readers an up-close look at the bricks, constructions, and minifigures of the LEGO® Harry Potter universe -- from Hogwarts Castle to Hagrid's hut. LEGO Batman Batman Vs. The Joker Taylor & Francis

This book examines the linkages between exchange rates and India ' s merchandise trade since the 1990s. It looks at India ' s trade in the post-liberalisation period through its two main components: commodities and trading partners, and provides a bird ' s eye view through aggregate analyses accompanied by a historical narrative of the evolution of trade and exchange rate dynamics. Presenting a comprehensive analysis of bilateral and product-specific trade, the book explores the impact of exchange rate on labour intensive sectors and charts out major development. It also offers compelling evidence to suggest that if some commodities are identified as integral to India ' s export plans, then the impact of exchange rate must be weighed by the Reserve Bank of India (RBI) prior to a market intervention. This timely volume will be of interest to scholars and researchers of economics, business and finance, development studies, trade, business, and industry as well as practitioners, think-tanks, and policy makers.

Lego Make Your Own Movie Scholastic Paperbacks

Join the "Bob Ross of LEGO" in constructing cool creations with this how-to guide that brings legendary builds to life! Looking for something a little more exciting than your average LEGO® guide? You're in luck!
