## **The Official Force Training Manual**

Verlag Gmbh

After the Clone Wars, the Galactic Empire spared no expense to build a massive fleet of warships to enforce Imperial rule, intimidate defenseless worlds, and destroy all opposition. However, the Imperial Navy underestimated Rebel Alliance fighter pilots, who flew X-wing, Y-wing, A-wing, U-wing and B-wing starfighters, and whatever else they could obtain to fight their Imperial enemies. Decades later, Resistance pilots would fly next-generation versions of Rebel starfighters against the First Order. The Rebel Starfighters Owners'

Workshop Manual

presents a thorough history of the starfighters that served the Rebel Alliance and the Resistance. The history includes design origins, production, and modifications for each Rebel starfighter, and is fully illustrated with numerous photographs, schematics, exploded diagrams, and computer-generated artwork by Star Wars vehicle experts Chris Reiff and Chris Trevas. Text is by Ryder Windham, author and co-author of more than 70 Star Wars books. This Haynes Manual is the most thorough technical guide to Rebel starfighters available, and is fully authorized and approved by Lucasfilm.

The newest edition in the line of Amazon deluxe Star Wars titles — The Jedi Path, Book of Sith, and The Bounty Hunter Code — brings the sinister and yet functional details of the Empire to light in the form of an Imperial handbook. As the Imperial Empire expands, high-ranking officials from each branch of the Imperial Military have set down tactical guidelines and procedures for all newly ascending commanders. Set in-universe, this compendium of ordinance, mission reports, and Imperial philosophy was intercepted by members of the Rebel Alliance, some of whom also left commentary scribbled in the margins. Housed in a deluxe case that opens with lights and sounds, this never-before-seen Imperial Handbook is perfect for Star Wars fans—on both sides of the Rebellion. Explore how service aboard the Death Star differs from service aboard a Destroyer. Learn what the Empire's

standard procedures were for dealing with smugglers. Discover what long-term Imperial plans the Rebellion thwarted. Find out what the role of the 501st Legion really was.

How ambitious are you for your children to think independently, trust themselves, enjoy what they do, and achieve their goals? Do you want them to be successful, self-confident, and yet not entitled? Undoubtedly, the answer is yes. Most of us are not taught to parent or have been poorly parented ourselves, so how can we expect to parent well? In order to overcome this "parenting education deficit," struggling parents often turn to books but end up with a pile next to their beds, each one describing only a small portion of what they require. Well, here's a book that provides answers, the How do we do this? It covers care-giving from the womb all the way to when the child is ready to leave home. Inside, you'll
