As games grow ever-more ubiquitous in our culture and communities, they have become popular staples in public library collections and are increasing in prominence in academic ones. Many librarians,

especially those who are not themselves gamers or are only acquainted with a handful of games, are ill-prepared to successfully advise patrons who use games. This book provides the tools to help adult and youth services librarians to better understand the gaming landscape and better serve gamers in discovery of new games—whether they are new to gaming or seasoned players—through advisory services. This book maps all types of games—board, roleplaying, digital, and virtual reality—providing all the information needed to understand and appropriately recommend games to library users. Organized by game type, hundreds of descriptions offer not only bibliographic information (title, publication date, series, and format/platform), but genre classifications, target age ranges for players, notes on gameplay and user behavior type, and short descriptions of the game's basic premise and appeals.

Lego Batman, the Videogame Prima Games

For decades, Marvel Comics' superhero group the Avengers have captured the imagination of millions, whether in comics, multi-billion dollar grossing films or video games. Similar to the chronology of the Marvel Cinematic Universe, the Avengers video games first started with titles driven by single characters, like Iron Man, the Hulk, Thor and Captain

America. Over time, the games grew to include more and more heroes, culminating in playing experiences that featured the Avengers assembled. This is the first-ever book assessing the video games starring "Earth's Mightiest Heroes." Featured games span consoles and platforms, from popular PlayStation and Xbox titles to an arcade game in danger of being lost to time. All video games are covered in depth, with each entry including game background and a detailed review from the author. Some game entries also include behind-the-scenes knowledge from the developers themselves, providing exclusive details on the Marvel video game universe.

The spectacular exhibition catalogue, Marvel: Universe of Super Heroes celebrates 80 years of Marvel history with original comics pages, amazing sculptures, artefacts, original commissions, panoramic hallways and interactive displays. Marvel Comics and Marvel Studio Films are not only the enduring voices of the Super Heroes themselves, but also the diverse visions of Marvel's writers, artists, actors and filmmakers. The catalogue features legendary comic creators, up-and-coming talent, editors, executives, artists, art collectors, actors and show-runners, along with articles about the history and power of YOU, the Marvel fans, with stories that stretch the mind regarding how we think about heroes, be it through personal history, fandom or fashion. Featuring interviews with and articles by some of the legends and stars in the field, such as: Iconic comic book writer and editor, Stan Lee (1922-2018). Comic book writers Kelly Sue DeConnick, Joe Quesada, G. Willow Wilson, and Chris Claremont (best known for creating Wolverine). Actor, Clark Gregg who plays the

character of Phillip J. Coulson in classic Marvel films such as Iron Man 1 and 2, Thor, and The Avengers. Film, TV and comic writer, Joseph 'Jeph' Loeb best-known for his writing of TV series such as Smallville, and Heroes, as well as his book works on many major Marvel characters. Actor, James Marsters who played the role of the English vampire Spike in the cult TV series, Buffy the Vampire Slayer. Creator of Marvel's Luke Cage, Cheo Hodari Coker.
