A market leader for the study skills course, COLLEGE STUDY SKILLS: BECOMING A STRATEGIC LEARNER, Seventh Edition is a wide-ranging, practical text that focuses on helping students become actively engaged in their own learning. The text incorporates active learning strategies to help students succeed in college by introducing a strategy, allowing them to practice it, and having them do self-assessments to gain feedback on their own success. This variety of strategies and activities, as well as authentic and engaging text material from numerous core subject areas, gives students opportunities to apply what they are learning to their course work in other college classes. The Seventh Edition has a

new focus on motivation. Chapter (1) Getting Motivated focuses on the importance of motivation in college success. More information on the causes of motivation problems and strategies for increasing motivation are also included, and each of the chapters that follow in the text strengthens the connection between motivation and the strategies that are presented, so that students continue to increase their motivation throughout the course. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Study Guide for Today's Medical Assistant - E-Book Wadsworth Publishing Company

"Designed to be used in combination with the fifth edition of the 'Phlebotomy essentials' textbook as a valuable learning resource that will help the student master the principles of phlebotomy by reinforcing key concepts and procedures covered in the textbook."--Pref.

Increasing Fluency with High Frequency Word Phrases Grade 2 Cengage Learning Chapter assignment tables at the beginning of chapters guide you through textbook and study guide assignments, and make it easy to track your progress. Laboratory assignment tables list the procedures in each chapter, including study guide page number references, and indicate the procedures shown on the DVDs. A pretest and posttest in each chapter measure your understanding with 10 true/false questions. Key term

assessments include exercises to help in reviewing and mastering new vocabulary. "Evaluation of Learning" questions let you assess your understanding, evaluate progress, and prepare for the certification examination. Critical thinking activities let you apply your knowledge to real-life situations. "Practice for Competency" sections offer extra practice on clinical skills presented in the book. "Evaluation of Competency" checklists evaluate your performance versus stated objectives and updated CAAHEP performance standards. Updated content includes exercises for topics such as electronic medical records, advanced directives, HIPAA, emergency preparedness, ICD-10 coding, documentation, medical office technology, medical asepsis, vital signs, pediatrics, colonoscopy, IV therapy, and CLIA waived tests. New activities provide practice for the "Today's Medical Assistant" textbook's newest and most up-to-date content. New "Emergency Protective Practices for the Medical Office" chapter includes procedures, critical thinking questions, and other activities to help you understand emergency preparedness. New "Wheelchair Transfer Procedure" and "Evaluation of Competency" checklist includes a step-by-step guide to this important procedure. New video

evaluation worksheets on the Evolve companion website reinforce the procedures demonstrated on the textbook DVDs. New practicum and externship activities on Evolve provide practice with real-world scenarios. "
