*Language lessons* Rowman & Littlefield

Translanguaging: The Key to Comprehension for Spanish-speaking Students and Their Peers is a teacher's guide for effective vocabulary and comprehension instruction in the translanguaging classroom.

Translanguaging is a new approach that incorporates students' languages and cultures with the goal of strengthening academic achievement. This book focuses on Spanish-speaking emergent bilingual learners, as they constitute over 70% of the English learners in American schools. Also included are activities designed for students who speak only English or languages other than Spanish. We provide teachers with practical tools for achieving translanguaging goals through a method called Cognate Strategy Instruction (CSI). The goal is to teach upper elementary and secondary students to unlock academic texts and meet Common Core Standards. This approach has been classroom-tested and validated by research in English immersion and bilingual classroom settings. This book includes detailed vignettes and over 30 lessons plans, demonstrating how to purposefully plan and deliver translanguaging instruction. Also provided are student texts, games, and assessments – all of the materials needed for a complete instructional program.

*Applied Punctuation* Ravenio Books

Helpful instruction and plenty of practice for your child to understand the basics of vocabulary Understanding vocabulary is essential for your child to read and write with confidence. Practice Makes Perfect: Exploring Vocabulary gives your child bite-sized explanations of the subject, with engaging exercises that keep her or him motivated and excited to learn. They can practice the vocabulary they find challenging, polish skills they've mastered, and stretch themselves to explore skills they have not yet attempted. This book features 450 words that increase in difficulty as your child proceeds through it. This book is appropriate for a 4th grade student working above his or her grade level, or as a great review and practice for a struggling 5th or 6th grader. Your student will learn how to: Apply vocabulary rules Understand meaning and usage Differentiate between synonyms, antonyms, homophones, and more Conquer easily confused words
