Appetite Melissa Collins
Although this is part of a series, it can be read as a STANDALONE. Who would you become if you lost the only person who ever mattered? For twenty-six year old Dylan Hopkins, the answer is easy. He's become no one. Memories of the happier times are all he has left as he finds himself meandering numbly through his now dull life. Though he cares about his work and family dearly, he's yet to let himself find love again. Afraid of letting go of what he once had,

Dylan chooses to keep his heart buried, where it belongs, having died a long time ago. Conner Michelson is about to change everything Dylan knows. He's every bit the bad boy persona - tatted up, ex-MMA fighter, but after an injury leaves him unable to fight, he has to rethink his goals. Having just opened his own gym, Conner can cross his first major life accomplishment off his very short list. Next up: find a man he can settle down with and build a family. Seems simple enough - a

dream most people have, but when he meets Dylan, his carefree, easy-going life is thrown into a tailspin.

Determined to keep Dylan in his life, Conner vows to resurrect Dylan's long ago buried heart and let love live once more. *Let Love Live* is a full length, standalone (within a series) novel of 101K words / approximately 400 pages.

Love Heals Createspace Independent Publishing Platform
The first comprehensive resource on anorexia and women's sexuality in the world, this book presents a model for understanding sexuality as complex with interconnected factors, and how anorexia

interacts with the varied components of one's sexuality. Challenging the limiting views of sexuality that research on women with anorexia and sex has yielded, Dr. Fabello centers real women's narratives to explore the various ways in which this population wrestles with sexual health, violence, intimacy, identity, and more. Included is unprecedented research on how women's level of desire for sensual touch interacts with body image, body perception, and a unique need for sexual autonomy. Written in an honest voice, *Appetite* bridges the gap between academia and practicality, using grounded language that appeals to professionals and survivors alike.

So Sad Today Penguin

When someone you love goes to jail, you might feel lost, scared, and even mad. What do you do? No matter who your loved one is, this story can help you through the tough times.

On a bitter cold winter night Bailey Walsh's family was killed in a traffic accident. Two years later as she lives with her aunt and uncle in Southern California, Bailey is still plagued by the nightmares of that terrible night. Everywhere around her are reminders of what she lost. Even her aunt, in a cruel twist of fate, is not just her mom's sister, but her identical twin. Babysitting Riley, a spunky two-year old, is a sweet distraction and one constant light in her life. One day as she takes Riley to the park she meets Collin McKenna, a senior at her high school and her life is changed forever as he helps her find herself and realize her life is worth

living. As the romance between them grows her broken heart begins to heal. However, still nagging in the back of her conscious is the fear that her newfound happiness could come crashing down and she could lose everything she loves, yet again. Outside forces begin to tear them apart and Bailey must learn to trust in herself and realize that she is worthy of happiness. That sometimes love and healing comes in unexpected forms. A Healing Heart, is a story about first love, life's unexpected tragedies, and the miracles that make it possible to move forward. *Attached* Simon and Schuster
YOU CAN HEAL YOUR BROKEN HEART Great relationships make the world a better place. They ignite a fire in the soul that

seems to shine forever. But when the fire dies off and a heartbreak sets in, the pain surpasses the joy. Going through a heartbreak isn't easy even to the strongest of hearts. Comparisonitis

WaterBrook

In the third page-turning novel in the captivating *Warriors* series, a fiery lass bent on revenge meets her match in a powerful Norse warrior. Descendant of the ancient Pictish royal line, Bridget MacCulloch fears nothing, so when brash Halldor O'Donar rebuffs her offer to help defeat the foe that killed her father, she refuses to surrender her quest. But Bridget's need for vengeance is equaled only by her growing attraction to Halldor. Descendant of the Norse god Thor, Halldor must find the missing Sword of the Ancients, for only with this weapon can he overcome the loathsome monster that has entered the Mortal world determined to destroy it. Though he's forbidden Bridget from accompanying him on his mission, he soon discovers

the stubborn—yet sinfully irresistible—warrior princess heeds no one but herself. Now they must learn to trust each other if they're to defeat their enemies . . . or risk everything as they surrender to a desire with the power to conquer all.

Who Will Love Me? Melissa Collins

This book is about a girl falling in love with her prince charming. And everyone loves her very much. And her prince charming loves her very much as well. But, how long will that love last.

Loved Just As I Am Mah Who Will Love Me? shows sexual assault survivors that they can have meaningful relationships again.

I Love Jesus, But I Want to Die BenBella Books Hartwig presents this volume of Whole30-compliant menus and recipes for everyday social occasions from

Melissa Gould's hopeful memoir of grieving outside the

box and the surprising nature of love. When Melissa Gould's husband, Joel, was unexpectedly hospitalized, she could not imagine how her life was about to change.

Overwhelmed with uncertainty as Joel's condition tragically worsened, she offered him the only thing she could: her love and devotion. Her dedication didn't end with his death. Left to resume life without her beloved husband and raise their young daughter on her own, Melissa soon realized that her and Joel's love lived on. Melissa found she didn't fit the typical mold of widowhood or meet the expectations of mourning. She didn't look like a widow or act like a widow, but she felt like one. Melissa was widowish. Melissa's personal journey through grief and beyond includes unlikely inspiration from an evangelical preacher, the calming presence of some Real Housewives, and the unexpected attention of a charming musician. A modern take on loss, *Widowish*

illuminates the twists of fate that break our world, the determination that keeps us moving forward, and the surprises in life we never see coming.

Let Love Be BenBella Books

Welcome to Hathaway House. Rehab Center. Safe Haven. Second chance at life and love. Health-care worker Shane has been at Hathaway House since the beginning. He's watched patient after patient scratch and claw their way to recovery and has watched relationship after relationship blossom into love and marriage. He believes in love. Wants a true love of his own. Yet he wonders now whether anyone is out there for him. Until Melissa walks into his gym. Broken and beaten by life and overwhelmed with endless pain was never part of Melissa's long-term

plan. But a year after an accident sidelined her navy career, she's still fighting her way back to a normal life—if such a thing exists for the woman she's become. Her transfer to Hathaway House is a lifeline to her oldest friend, but, even with Dani's encouragement, Melissa's journey back to health is long and hard and maybe just a pipe dream. But she'll try again. One more time. Separately, Shane and Melissa have been battling their own personal demons. When they meet at Hathaway House, the tough physiotherapist vows that his newest client will reach successes unimaginable to her. Together, working through her rehab plan, Shane and Melissa find a special tenderness behind each other's strength. heartwarming; wholesome; broken hero; clean and

The Road to Jubilee: From Medical Mystery to the Joy in Between Xlibris Corporation
Why did Jesus have to die? Was it to appease a wrathful God's demand for punishment? Does that mean Jesus died to save us from God? How could someone ever truly love or trust a God like that? How can that ever be called "Good News"? It's questions like these that make so many people want to have nothing to do with Christianity. Healing the Gospel challenges the assumption that the Christian understanding of justice is rooted in a

demand for violent punishment, and instead offers a radically different understanding of the gospel based on God's restorative justice. Connecting our own experiences of faith with the New Testament narrative, author Derek Flood shows us an understanding of the cross that not only reveals God's heart of grace, but also models our own way of Christ-like love. It's a vision of the gospel that exposes violence, rather than supporting it--a gospel rooted in love of enemies, rather than retribution. The result is a nonviolent understanding of the atonement that is not only thoroughly biblical, but will help people struggling with their faith to encounter grace.

Let Love Heal Feiwel & Friends

She believes in God's power to heal-but what if her miracle

never comes? At 27, Melissa Keaster's life with her loving husband and two-year-old son seems divinely blessed. But after their daughter is born, several episodes of anaphylaxis leave her wondering if she will even live to raise her kids. Melissa begins to have severe allergic reactions to everything-food, fragrances, even the cold. The doctors are mystified as to the cause of her illness, and she becomes a shut-in to protect herself against the world her body rejects. As the disease steals one blessing after another, Melissa faces a choice: shake a fist at the heavens, or open her hands to everything God has for her-no matter how difficult or dangerous it may be. Along the road, she discovers a freedom she never could have anticipated and the joy to endure, whether or not the miracle comes. Evocative and gripping, *The Road to Jubilee* will take you on an unforgettable journey through suffering, loss, and

redemption.

LONGLISTED FOR THE

WOMEN'S PRIZE FOR

FICTION “Bold, virtuosic,

addictive, erotic – there is

nothing like *The Pisces*. I

have no idea how Broder

does it, but I loved every

dark and sublime page of

it.” —Stephanie Danler,

author of *Sweetbitter*

Lucy has been writing her

dissertation on Sappho

for nine years when she

and her boyfriend break

up in a dramatic flameout.

After she bottoms out in

Phoenix, her sister in Los

Angeles insists Lucy dog-

sit for the summer.

Annika's home is a

gorgeous glass cube on

Venice Beach, but Lucy

can find little relief from

her anxiety — not in the

Greek chorus of women in

her love addiction therapy

group, not in her frequent

Tinder excursions, not

even in Dominic the

foxhound's easy affection.

Everything changes when

Lucy becomes entranced

by an eerily attractive

swimmer while sitting

alone on the beach rocks

one night. But when Lucy

learns the truth about his

identity, their relationship,

and Lucy's understanding

of what love should look

like, take a very

unexpected turn. A

masterful blend of vivid

realism and giddy fantasy,

pairing hilarious frankness

with pulse-racing

eroticism, *THE PISCES* is

a story about falling in

obsessive love with a

merman: a figure of

Sirenica fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.

Global Mom Phoenix61 Publications

Multiple bestselling author Melissa Ambrosini (Mastering Your Mean Girl, Open Wide, PurposeFULL) and host of the #1 podcast The Melissa Ambrosini Show puts the condition of Comparisonitis under the microscope, unpacking the symptoms, and offering practical tips you can start using immediately to break the cycle of comparison, free up mental bandwidth, and live life on your own terms. When you cure Comparisonitis, you will...

- Be free to live your life for you (no one else) • Feel peace from within • Experience genuine happiness • Truly appreciate your body and life • Free up SO much mental bandwidth for things you LOVE • Quit

- Have more energy to go after the things that truly matter to you • Experience a radical shift towards authenticity • Be a better friend, partner, parent, family member, colleague, human • Free yourself from expectations • Unleash the courage to go after your dreams • Unstifle your creativity • Feel more liberated than you've ever felt in your life • And much more

It creeps up on you without warning—perhaps while chatting with a friend, scrolling through social media, or even just while walking down the street. All it takes is the hint of someone doing or having something you perceive as "better" than you, and it hits. A feeling takes over—intense, blinding, gutting. Your brain starts spinning with toxic thoughts about yourself (or others), and you're left feeling ashamed, guilty, and even worthless. It's called comparisonitis. And if you've suffered from it, you're NOT alone. Comparisonitis is a

contagious, socially transmitted disease, liberate your condition that occurs when you compare yourself to others so frequently and fiercely that you're left paralyzed, with your confidence in tatters and your self-worth plummeting. It may sound trivial, but this affliction can have serious adverse effects on our mental health, leading to depression, anxiety, overthinking, and regret. To make matters worse, our comparison culture is only expanding. Thanks to social media, we have more opportunities to compare ourselves than ever before, and even kids are falling into the trap. Described as a "self-help guru" by Elle magazine, Melissa has experienced the effects of comparisonitis first hand, having worked extensively in industries like acting, modeling and dancing where comparison culture is not only rampant but openly encouraged. Melissa knows all too well how comparisonitis is infecting our minds and hurting our hearts, and in this book,

she'll help you heal from this disease, liberate your headspace, and raise your self-worth so radically that you'll never let comparison rob you of your joy and happiness again.

Widowish Penguin

We don't get to pick the traumatic events that happen in our lives, but we do get to choose how we let them write our story. In her debut release, *Loved Just As I Am*, Licensed Clinical Mental Health Counselor, Melissa McDaniel, recounts how her idyllic life in the south was changed forever when she was sexually assaulted at age eleven. Using her deep faith, love of family, and firm belief that we are all enough, McDaniel skillfully owns her "crapola" while laying bare her feelings and

actions, both good and bad. She shares her raw journey of processing her childhood wounds and her struggles as a young woman dealing with a violent ex-boyfriend, racism within her family and community, motherhood, addiction, and infidelity. Her fresh perspective and vulnerability withing the pages of this non-fiction memoir work to create a roadmap of healing for others like her to rise above pain, shame, and doubt. The result is a life guided by wisdom, freedom, and healing. As a therapist in the mental health field, she has worked with clients of all ages who are struggling with everything from addiction to sexual abuse. Using her steadfast belief

in God and the ability to evaluate and celebrate the paradoxes of life experiences, good and bad, she hopes to help others heal rather than remain in the vicious cycle of shame and doubt. "I believe we must choose to see the light and have hope, even when it is as small as a mustard seed," McDaniel shared. "When people are in deep emotional pain, they will do anything to stop that pain even when the choices add even more layers of shame. Unresolved traumas allow our emotions to rule our life. These unconfronted traumas keep us all confined to a smaller version of ourselves. It's only when we get tired of hurting ourselves and others and begin to be

proactive about finding the root of our distress that the darkness recedes. Refuse to live in despair. Instead, seek love, understanding, and forgiveness." Loved Just As I Am, shares her thirty-year journey of learning from her own pain and shame, choosing to let go of judgment and control, and never losing sight of the knowledge that God loved her unconditionally. McDaniel now uses her complete understanding of compassion to help alleviate the suffering of another.

Don't Keep Your Day Job
Wipf and Stock Publishers
One mother's touching memoir of the adventures and hardships she faced while raising a family internationally for over 20 years. After more than

twenty years living abroad—sixteen addresses, eight countries, and five different languages—writer Melissa Bradford shares a fantastic journey of motherhood that will inspire any family. Follow this family of six on their passage—extraordinary, hilarious and heartbreakingly poignant—from Bright Lights (of New York City) to the Northern Lights (of Norway) to the City of Light (Paris) to the speed-of-light of the Autobahn (in Munich). Continue deep into the tropics of Southeast Asia (Singapore) and end your voyage in the heights of the Swiss Alps (Geneva). As varied as the topography—the craggy fjords, the meandering Seine, the black forests, the muggy tropics, the soaring Alps—this international tale traverses everything from

giving birth in a château in Versailles to living on an island in a fjord. From singing jazz on national Norwegian T.V. to judging an Indonesian beauty contest. From navigating the labyrinth of French bureaucracy and the traffic patterns of Singapore to sitting around a big pine table where the whole family learns languages, cultures, and cuisines—where they learn to love this complex world and, most importantly, each other. Praise for Global Mom “A stunning picture of life.” —The Deseret News “Here is a rich, frank and funny book in which the essentials of family and friendship and community are combined with interesting travelogue and the best kind of spiritual writing. In short, this is a book about love.” —Kate Braestrup, New York Times—bestselling author of

Here If You Need Me “A brilliant hero's journey highlighting the challenges and triumphs of motherhood under unique cross-cultural circumstances. With honesty, sensitivity, and humor, Dalton-Bradford is a role model for all parents who will be relocating with children, especially those who will relocate for their spouse's career.” —Paula Caligiuri, PhD, author of *Cultural Agility: Building a Pipeline of Successful Global Professionals* *You have to know... that's not me healing and deliverance journal III* Tentacle Publishing What would bring you happiness in a world that was suddenly empty? For Lucy Crane, the answer is simple: her daughter. When her husband is killed in a tragic accident, Lucy loses her desire to live, but only one thing keeps her going – her unborn daughter. Focusing on being a mother helps Lucy

cope with her loss, but kids grow up and they leave home, eventually. Eighteen years after losing her first and only love, Lucy is faced with the opportunity to find the happiness for which she's always longed. Her own fears become her worst enemies as she learns how to embrace love once again. Evan Donovan is also facing his own struggles. Forced to retire from the FDNY because of lung damage caused by 9/11, Evan moves to upstate New York where he hopes to find a little peace and quiet. Old habits die hard, and Evan's hero complex and survivor's guilt constantly remind him of how difficult it is to be vulnerable. But for the first time in his life, he's tired of being alone. Drawing strength from one another, Lucy and Evan discover how beautiful it is to let love be a part of their lives. ***Though this is part of a series, it can be read as a standalone. Unlike the previous books in the series, this is NOT a New Adult &

College Romance; this is a contemporary romance featuring characters who are more mature / not in their twenties. It is a full length novel of about 90K words / approx. 350 pages.*** Series Reading Order: Let Love In-Maddy & Reid (ends in a cliffhanger) Let Love Stay - Maddy & Reid (concludes their story) Let Love Heal - Melanie & Bryan (can be read as a standalone) Let Love Shine - Maddy & Reid (one-year-later follow-up novella) Let Love Be - Lucy & Evan (can be read as a standalone)

The Night Dad Went to Jail Hay House

More than two years ago, author Leslie Cardinal hit a wall. That wall planted by God represented her past and stood between her and the future. She knew that she would need to confront the secrets of her life in order to move forward, and God had a plan. In *Love Heals*, Cardinal shares her

experiences with childhood sexual and emotional abuse and rape inflicted by a friend that left her emotionally and physically scarred. She tells how with faith and love from God she has broken through the walls of secrets. By sharing her journey in this memoir, she has found healing and redemption. Offering positive truths and life wisdom, *Love Heals* offers honest introspection and confrontation of previous traumas and the deep scars they left. But it communicates, how through God's soul deep love, she was able to overcome and conquer the memories and the hurt that held her captive.
