Karen Carpenter was the instantly recognisable lead singer of the Carpenters. The top-selling American musical act of the 1970s, they delivered the love songs that defined a generation. Karen's velvety voice on a string of 16 consecutive Top 20 hits from 1970 to 1976 – including Close to You, We've Only Just Begun, Rainy Days and Mondays, Superstar, and Hurting Each Other – propelled the duo to worldwide stardom and record sales of over 100 million.

Karen's musical career was short – only 13 years. During that time, the Carpenters

released 10 studio albums, toured more than 200 days a year, taped five television specials, and won three Grammys and an American Music Award. But that's only part of Karen's story. As the world received news of her death at 32 years of age in 1983, she became the proverbial poster child for anorexia nervosa. Little Girl Blue is an intimate profile of Karen Carpenter, a girl from a modest Connecticut upbringing who became a Superstar. Based on exclusive interviews with nearly 100 friends and associates, including record producers, studio musicians, songwriters, television directors, photographers, radio personalities, classmates, childhood friends, neighbours, personal assistants, romantic interests, hairdressers, and housekeepers. A SEARING INDICTMENT OF THE MASTER OF CHARM, BARACK OBAMA, FOR HIS HISTORIC WAR ON AMERICAN YOUTH “ Let

me be clear. ” It was his come-hither call, his winsome whistle, his lingual lure. Barack Obama employed this phrase to sell his lies as maxims and his ineptitude as expertise. From JFK to Bill Clinton, America has experienced charming and coy presidents. But the most charming and coy is Obama, who seduced a generation of 95 million young Americans he used for his own political gain. Katie Kieffer is a gutsy

commentator who gives it back to Barack. She turns his words against him. She grabs the high bar of transparency that Obama set for himself and snaps it with her wit. In Let Me Be Clear, Kieffer gives us an unflinching yet entertaining account of this administration ’ s exploitation of Millennials:

- How: Obama spearheaded the Great Recovery—and young people could tell when their law degrees landed them jobs as baristas.
- What: the “ New Shacking Up ” entails. (Hint: parents AND young people hate this trend.)
- How: Barack ’ s buddy essentially wrote Obama-care without Congress. Plus, nearly 300 doctors offer free-market solutions to improve health care.
- How: a constitutional law – professor president failed to rationally discuss gay marriage.
- Why: Barack wouldn ’ t have been the best father for Trayvon

Martin; he deserved better. Pages: 41. Chapters:
· What: “ Assuming We Don ’ t Die Tonight ” reveals about the bloodcurdling story of Benghazi. · How: liberal lies about guns have “ tattooed ” all youths as criminals. Kieffer implodes the naï ve War on Guns and presents solutions for mass violence with more love and more guns. Inspiring hope, Kieffer outlines how conservatives and independents can win electoral races and achieve entrepreneurial dreams. Kieffer ’ s got grit. She ’ s very clear with her president: she brings smooth-tongued bullies to justice. See for yourself. Let Me Be the One

In this entertaining and eye-opening collection, writer, actor, and feminist Tracy Dawson showcases trailblazers throughout history who disguised themselves as men and continuously broke the rules to gain access and opportunities denied them because they were women. " This book will surprise, astonish, and hopefully anger you on the lengths women have had to go to pursue their dreams.

Tracy has such a gift for storytelling and making history leap off the page. Her book has a wit that suggests it was written by a man since everyone knows women aren't this funny. ” —Kay Cannon, writer, producer, director (the Pitch Perfect films, Cinderella) “ A smart, funny journey through history that introduces us to the rule breakers who made history worth traveling through. ” —Patton Oswalt, comedian, actor and author “ I came up with Tracy as a fellow sketch comedian on the vomit-soaked stages of the Toronto comedy scene. And like the brilliant, resourceful, rule-breaking, damn-well-stubborn sisters in Let Me Be Frank, Tracy is someone who gets the job done, and gets it done well. ” —Samantha Bee, Full Frontal with Samantha Bee Let Me Be Frank illuminates with a wry warmth the incredible stories of a diverse group of women from different ethnicities and cultural backgrounds who have defied the patriarchy, refusing to allow men or the status quo to define their lives or break their spirit. An often sardonic and thoroughly impassioned homage to female ingenuity and tenacity, the women profiled in this inspiring anthology broke the rules to reach their goals and refused to take “ no ” for an answer. These women took matters into their own hands, dressing—sometimes literally, sometimes figuratively—as men to do what they wanted to do. This includes competing

in marathons, publishing books, escaping enslavement, practicing medicine, tunneling deep in the earth as miners, taking to the seas as pirates and serving on the frontlines in the military, among many other pursuits. Not only did these women persist, many unknowingly made history and ultimately inspired later generations in doing so. This compendium is an informative and enthralling celebration of these revolutionary badasses who have changed the world and our lives. Let Me Be Frank is filled with more than two dozen specially commissioned, full-color illustrations and hand-lettering by artist Tina Berning, whose multi-award-winning work has been published in

numerous publications and anthologies worldwide, and is designed by Alex Kalman. A Look Inside: My Words

The astonishing story of a singer-songwriter living on the streets of Nashville who met Jesus, got sober, and found international stardom at the age of 62. Doug Seegers left New York for Nashville in search of every songwriter ’ s dream. When he didn ’ t find success, he fell into a state of loneliness that fed an addiction he had battled

since adolescence. Soon, he was homeless, playing his guitar on the street with a cardboard sign asking for money. But then he cried out to God in repentance and need, and God graciously met him. Doug then found sobriety, regained some footing, and in a miraculous moment was discovered outside a food pantry by a Swedish musician and documentarian who put his story on the air in Stockholm. Within days of the documentary airing--even though he still walked to the public library every day and acquired most of his belongings from nearby Dumpsters--Doug had the number-one selling song in Sweden. Going Down to the River is Doug ’ s inspirational story of faith, forgiveness, and the power of prayer and belief. It is also the never-give-up tale of a man who played music for 55 years without success only to

become a chart-topping artist at the age of 62. Bouquet of Life Emblem Editions After 26 seasons as head football coach at Virginia Tech University, Frank Beamer is not only the longest tenured but also the winningest active coach of any major college program, and Let Me Be Frank contains his personal reflections on more than a quarter-century leading the Virginia Tech program. Beamer has directed his alma mater to 20 consecutive bowl appearances, including six BCS bowls, five top-10 finishes, and a trip to the National Championship Game in 1999 led by a freshman quarterback named Michael Vick. But success didn't come immediately: he started

his career at VT with four losing seasons in his first six years, including a 2-8-1 record in 1992 when many fans wanted him fired. He relates how he turned a mediocre program into a perennial power while sporting a clean NCAA record and a well-earned reputation as one of the most-respected head coaches in the nation. However, Beamer is regarded as an even better man than a football coach: he created a state-wide program to help children read, and in the aftermath of the deadliest campus massacre in U.S. history, he met with the parents of the victims and visited with each wounded student. He shares stories from his time spent both on and off the gridiron, including memories of generations

of Hokies stars such as Vick, André Davis, Jim Druckenmiller, Corey Moore, Jake Grove, and others.
