Let me be the one Let me be the one to break
it up So you won't have to make excuses We
don't need to find a set up where Someone
wins and someone loses We just have to say
our love was true But has now become a lie
So I'm tellin' you I love you one last time And
goodbye

When there's no one else. Let me be the
one you need. When your hope goes out.
Like a ship at sea. If it don't come back.
Oh, let me be the one you need. Rest your

head here, pull me closer. I'll hold you tight
while you let go, girl. I could love you if
you just let me.
