The Let's Talk About It (LTAI) books series address important but challenging topics for children and adults in an effort to end child abuse. These books will equip children with tools necessary to protect themselves from physical, mental, psychological and sexual abuse. Intended to open the lines of communication between adults and children; LTAI books will lead to empowering conversations on 'taboo' topics that will decrease abuse against children. The initial six part series; which will include three books about girls and three books about boys, focuses on the prevention of sexual violence against children. In the first book, "My Body is Special," Eva empowers other children to take ownership of their bodies and provides them with problem solving tools to help prevent an unhealthy touch. Eva teaches children what to say, what to do, where to go and who to tell if they ever feel unsafe around another person. The goal of the book is for each child who encounters this book to develop their own individual personal plan of action to prevent this type of abuse.

Let's talk about your new family's sleep Createspace Independent Publishing Platform

If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by

Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later. Blood of Requiem Cambridge University Press

Here are the top 5 reasons this professional development book is a MUST READ: 1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love. 2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse. 3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks. 4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9.5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired. Simple First Words Let's Talk Swoon Reads

Advice for 8th grade girls comes from author Iris Cooke's extensive and eclectic life experiences. She is a graduate of Yale University with degrees in Computer Science, Mathematics, and German. Iris is also a self-taught, award-winning artist and art teacher. She was elected to the ACM, Association for Computing Machinery, in 1985, and won the New Jersey Bell Best Computer Supplier Award in 1991. Iris had a successful poetry reading circuit in her county in New York, and a successful singing, dancing, and piano career in the same area with both child and adult students. The advice she gives consists of 800 items, lots of fodder for thought and ideas, that range from legal matters, to marriage, to education, to relationships, and more.

Free Roll Cambridge University Press

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

A new epic fantasy series begins. Song of Dragons tells a story of blood, steel, and dragonfire. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war?

Let's Talk Level 3 Teacher's Manual with Audio CD Cambridge University Press

Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate with readers. Alice had her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel Let's Talk About Love, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Praise for Let's Talk About Love from the Swoon Reads community: “ A sweet and beautiful journey about self-discovery and identity! ” —Macy Filia, reader on SwoonReads.com “ There aren't many novels that have asexual characters and it's something people need more of. ” —Alice, reader on SwoonReads.com “ I want this on my shelf where I can admire it every day. ” —Kiara, reader on SwoonReads.com
