Ten years since her first edition, author Debbie Miller returns with *Reading with Meaning, Second Edition: Teaching Comprehension in the Primary Grades* to share her new thinking about reading comprehension strategy instruction, the gradual release of responsibility instructional model, and planning for student engagement and independence. *Reading with Meaning, Second Edition* delves into strategy and how intentional teaching and guided practice can provide each child a full

year of growth during their classroom year. New in this edition are lesson planning documents for each chapter that include guiding questions, learning targets, and summative assessments, as well as new book title recommendations and updated FAQ's from the first edition. Also included are strategic lessons for inferring, determining the importance in each text, and synthesizing information. Teachers can help students make their thinking visible through oral, written, artistic, and dramatic responses and provide examples on how to connect what they read to their own lives. In this book, Miller reflects on her professional experiences and judgement along with current research in the field. She provides a guide for any teacher hoping to build student relationships and develop lifelong independent

learners.

The international phenomenon that has sold more than two million copies, *If Cats Disappeared from the World*--now a Japanese film--is a heartwarming, funny, and profound meditation on the meaning of life. This timeless tale from Genki Kawamura (producer of the Japanese blockbuster animated movie *Your Name*) is a moving story of loss and reconciliation, and of one man's journey to discover what really matters most in life. The young postman's days are numbered. Estranged from his family and living alone with only his cat, Cabbage, to keep

him company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can tackle his bucket list, the devil shows up to make him an offer: In exchange for making one thing in the world disappear, the postman will be granted one extra day of life. And so begins a very strange week that brings the young postman and his beloved cat to the brink of existence. With each object that disappears, the postman reflects on the life he's lived, his joys and regrets, and the people he's loved and lost.

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with

another book for the other life you could have lived if you had made a different choice at any point in your life.

While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions

about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody.

'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens.

Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.
