## Letters from Dad FriesenPress

Many books have been written about the father-son relationship. Most of the readers are well-meaning fathers looking for helpful advice on how to build a relationship with their sons and impact them in a real, meaningful way from older wise men, who have done it. These “successful” fathers usually provide a step-by-step plan describing what they did to connect with their son. This book is different. This book is written from a son's perspective. At the beginning of each chapter, you ’ ll encounter a letter written from a son to his father asking important questions, expressing doubts, and sharing experiences during growing up from adolescence to becoming a young

man. Young men have a lot of questions, questions about life, about love, about God, about finding meaning, about finding purpose, about pursuing a passion, about living courageously, that they rarely verbalize. Through the son ’ s perspective offered in this book, you ’ ll develop a meaningful understanding of the young man in your life. This book can be the turning point in your journey of connecting or reconnecting with your son. The impact of fathers on their sons cannot be overstated. It's time to get intentional about walking together, with fathers leading the charge! Father, this book will encourage you to stop being a bystander and will equip you with the tools and biblical principles to impact

---

your son. Reading this book with your son will help you and your son grow together as it highlights both the successes and struggles that fathers and sons experience. This will not be a comfortable journey, but it is so worth it!

Letters From a Father, to His Daughter Entering College (Classic Reprint) Granta Books

'Heaven. Is that the real heaven-the perfect place with the perfect companion? And if you and I meet again, Dad, will you look the same, and will I be a small boy or an old man?' Letters to My Father is a deeply personal anthology of essays that have made an impact on Bond's life. It talks

of his father, his mother, his neighbours, his boyhood friends and his home. This book brings together the most beautiful and sometimes painful memories of the author's life in eloquent prose. From diary entries that were written during his early years as a writer, to personal correspondence with his family members, this book offers a deep insight into the delicate complexities of human relationships.

Excerpt from Letters From a Father, to His Daughter Entering College  
Question about your going to college. Your mother's life at Vas sar had given her a special eagerness to send her daughter to that or some other good college. But now, that the college is decided upon, I can easily see that there were three, among other reasons, which have led us to make our choice. One reason is that the college is not too big. A very big college for boys is bad, but a very big college. About the Publisher

Letters from a Father Bloomsbury Publishing USA

As unresolved issues carried from one generation to the next, author Suzanne L. Holko tried to make sense of her family's situation. She began rereading the letters

her father, Walter, had written to her while she was attending college forty years earlier. She also began searching for her father's ancestors, connecting her with newfound relatives. In *Letters from My Father*, Holko tells how the intertwining of these events led to a story of understanding, acceptance, forgiveness, and unconditional love. She shares how comprehending the details of her father's life and what unfolded within her search gave light to the generational wounds unintentionally handed down through her father's ancestors. She also reveals how she gained further awareness to the challenges faced within her own life and the obvious parallels within both her father's life—and

---

the grandfather she never knew. Letters from My Father describes Holko's spiritual journey, the healing that occurred, and the blessings that were gained. She received a renewed understanding of "all in God's timing" and the joy found within acceptance and unconditional love.

For years now, it has been the author's habit to write a monthly letter to his children during their teenage years. The letters cover an amazing array of life lessons that also show an intimate glimpse of one family's life

journey. All families, the same challenges and it is this connection that makes the book endearing and relevant to all who read it. Christian faith and values are highlighted throughout, and stories from the bible are brought to life. "I've read hundreds of books on fathering and Letters From a Father is at the very top of the list. This book shares timeless words of wisdom, grounded in scripture from the heart of a devoted father." David Hirsch, founder 21st Century Dads Foundation & Host of the Special Fathers Network

**Love, Bill** Atheneum Books

In 1950, V. S. Naipaul travelled from Trinidad to England to take up a place at Oxford University. Over the next few years, letters passed back and forth between Naipaul and his family - particularly his beloved

---

father Seepersad, but also his writing, and revealing the mother and siblings. The result is a fascinating chronicle of Naipaul's time at university; the love of writing that he shared with his father and their mutual nurturing of literary ambition; the triumphs and depressions of Oxford life; and the travails of his family back at home. Letters Between a Father and Son is an engrossing collection continuing into the early years of V. S. Naipaul's literary career, touching and again on the craft of relationships and experiences that formed and influenced one of the greatest and most enigmatic literary figures of our age. 'Rare and precious . . . if any modern writer was going to breathe a last gasp into the epistolary tradition, it was always likely to be V. S. Naipaul' New Statesman

Hope [These] Will Make You Think Of The World As A Whole And Of Other People In It As Our Brothers And Sisters . . . ' -Jawaharlal Nehru When Indira Gandhi Was A Little Girl Of Ten, She Spent The Summer In Mussoorie, While Her Father, Jawaharlal Nehru, Was Busy Working In Allahabad. Over The Summer, Nehru Wrote Her A Series Of Letters In Which He Told Her The Story Of How And When The Earth Was Made, How Human And Animal Life Began, And How Civilizations And Societies Evolved All Over The World.

Written In 1928, These Letters Remain Fresh And Vibrant, And Capture Nehru'S Love For People And For Nature, Whose Story Was For Him `More Interesting Than Any Other Story Or Novel That You May Have Read'.

**Letters from a Father to his Son ... The second edition**  
Bog Walk Books

This is a book of letters I wrote to my daughters, starting when my daughters were toddlers and continuing for over thirty years. Writing "love letters" to your child is rich with

---

positive long-term consequences. It is a chance to compliment your child, affirm her, tell her how she has enriched your life and how much she means to you, thank her, give her encouragement, and tell her you love her. Many parents, like me, are not skilled at expressing their feelings. Writing expressive letters or notes-leaving them in your child's lunch box, under her pillow, in her backpack, taped to the steering wheel, wherever-can go a long way toward strengthening your parent-

child relationship. What parents don't long to connect deeply with their children? Sadly, the pressures and demands of daily life conspire to stop this from happening. Writing a love letter to your child is an effective way to strengthen your unique bond with your child and show her how much you care.

**The Gift of Time** Bloomsbury Publishing USA

A collection of short letters, most centring on a powerful story from the author's life, that convey core values and attitudes from a father to his

---

child. Topics addressed include death, right and wrong, thinking about God, cheating, failure, popularity, studying, sex, self-esteem, prayer, family relationships, materialism, and marriage. One typical letter addresses the question of how to be a friend to unpopular kids at school and tells the moving story of the time the author was told he should ask the girl with polio to dance. Many of these letters are rooted in childhood and adolescence, others in youth and early marriage. They speak honestly and engagingly to both the young and to those who are trying, the best they can, to raise them. Read these stories with your children or by yourself and smile in recognition as you remember your own struggles to understand the world and your place in it. Then, as the afterward suggests, tell a few stories of your own. *Letters from a Father to His Daughter* Inspiring Voices When she was 13, Virginia Galilei, eldest daughter of the great scientist Galileo, was placed by her father in a convent near him in Florence and took the name Suor Maria Celeste. Unable to see him except on his occasional

---

visits, she wrote him continually, as her 124 surviving letters (which Galileo kept) attest. Now, for the first time, all of these letters are reproduced in English, translated by Dava Sobel, and in their original Italian, and Ms. Sobel has also written an introduction and annotations placing the letters in historical context. The 124 letters span only a decade of Maria Celeste's 33 years. In that dramatic period, a pope came to power who battled the Protestant Reformation; the Thirty Years' War embroiled all of Europe; the bubonic plague erupted across Italy; and a new philosophy of science, promulgated most forcefully by Galileo himself, threatened to overturn the order of the universe. Maria Celeste's evocative, beautifully written letters touch on all of these situations, but they dwell in the small details of everyday life; and though Galileo's letters to her have not survived, it is clear from hers that he answered every one. Especially for those who have read Ms. Sobel's

---

Galileo's Daughter, but even for those who haven't, Maria Celeste's letters provide an indelible chronicle of convent life in the early 17th century, a memorable portrait of deep affection between a famous father and his daughter, and fascinating insight into Galileo himself.

**Letters from a Father, and Other Poems** Penguin

An extraordinary true story of grace, mercy, and the redemptive power of God When her father was murdered, Laurie Coombs and her family sought justice—and found it. Yet, despite the swift punishment of the killer, Laurie

found herself increasingly full of pain, bitterness, and anger she couldn't control. It was the call to love and forgive her father's murderer that set her, the murderer, and several other inmates on the journey that would truly change their lives forever. This compelling story of transformation will touch the deepest wounds and show how God can redeem what seems unredeemable.

"Among the funniest [letters] ever dispatched in the vain hope of steering a black sheep onto something like the straight and narrow." —The Wall Street Journal

---

Nostalgic, witty, and original, *Dear Lupin* by Roger Mortimer and Charlie Mortimer tracks the entire correspondence between a father and his only son. When the book begins, Charlie, the son, is studying at Eton, although the studying itself is not a priority, much to his father's chagrin. After Charlie graduates and moves from South America to Africa and eventually back to London, Roger continues to write regularly, offering advice (which is rarely heeded) as well as humorous updates from home ("Your mother has had the flu. Her little plan to give up spirits for Lent lasted three and a half days"). Roger's letters range from reproachful ("You may think it mildly amusing to be caught poaching in the park; I would consider it more hilarious if you were not living on the knife edge") to resigned ("I am very fond of you, but you do drive me round the bend"), but his correspondence is always filled with warmth, humor, and wisdom that offers unique insight into the relationship between father

---

and son.

Publishing

Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all over the place; how the accident-prone North Polar Bear climbed the North Pole and fell through the roof

of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

deserve to be made available for future generations to enjoy. *Letters from My Father's Murderer* Dog Ear Publishing In October 1947, two months after he became independent India's first prime minister, Jawaharlal Nehru wrote the first of his fortnightly letters to the heads of the country's provincial governments—a tradition he kept until a few months before his death. This carefully selected collection covers a range of themes and subjects, including citizenship, war and peace, law and order, governance and corruption, and India's place

in the world. The letters also cover momentous world events and the many crises the country faced during the first sixteen years after Independence. Visionary, wise and reflective, these letters are of great contemporary relevance for the guidance they provide for our current problems and predicaments.

**Letters from a Young Father**

Houghton Mifflin Harcourt

One father, his children, and the loving life they share as a family. . . . Like all parents, Jorge Ramos is concerned about how his two children are absorbing the world around them. A loving and thoughtful father though he is, he

---

wonders if he has done enough to prepare them for the future. He questions if they know enough about him as a person, and the family to which they belong. The Gift of Time is a moving and personal book in which one father reflects upon the world we live in and shares his love for his children in a series of letters that touch on everything from love and divorce to soccer and e-mail. Through his experience as a journalist who has seen both the horrors and the greatness that people are capable of, he offers his children the sound advice they need not only to live but to thrive in today's world. In a heartfelt and direct tone that has gained him the love and admiration of millions of fans across the country, Ramos writes about the issues that plague every parent's mind. In *The Gift of Time*, Ramos speaks both to his children and to the future generations of Americans on what they can expect, and what is expected of them, as they embark on their journey toward adulthood. *Letters from My Father* Thomas Nelson

A touching look into the heart and family of one of America's greatest poets. As a literary portrait of a father and son, little can match the eloquence and honesty of this collection of letters, written between Allen Ginsberg and his

---

father, Louis, spanning the years 1944 to 1976. Their correspondence is filled with affection, respect, and a healthy dose of argumentative zeal—they debate every major political and artistic issue that faced America in over three decades of extraordinary change. But the letters also tell of a strong bond of intimacy and affection between the two, revealing just how crucial that closeness was to the development of Allen Ginsberg's art.
