From being elected as Congress president in 1929 till his death in 1964, Jawaharlal Nehru remained a towering figure in Indian politics, a man who left an indelible stamp on the history of South Asia. As a leading light of the

nationalist struggle and as India's first and longest-serving prime minister, his ideas shaped the political contours of the country and left an imprint so deep that his legacy continues to be debated furiously today. In life, as in afterlife, Nehru was many things to many people. Going beyond the imposed labels of contemporary discourse, this book illuminates four encounters that Nehru had with contemporaries from across the political spectrum - Muhammad Iqbal, Muhammad Ali Jinnah, Sardar Patel and Syama Prasad Mookerjee - that are critical to understanding his ideas, and his long afterlife and impress on the present. Nehru may no longer be alive to answer his critics today, but there was a time when he pitted himself vigorously against his opponents in the

marketplace of ideas, debating the most profound questions in South Asian history and decisively influencing political events. It is this intellectually combative Nehru whom we meet in this book - voicing ideological disagreements, forging political alliances, moulding political opinion, offering visions of the future and staking out the political field - a key figure in the debates that defined India

Letters from a Father to His Son ... Authentic
NEW YORK TIMES
BESTSELLER At the pinnacle of a soaring career in the U.S. Army, Lt. Col. Mark M. Weber was tapped to serve in a high-profile job within the Afghan Parliament as a military advisor. Weeks later, a routine physical revealed stage IV intestinal cancer in the thirty-eight-year-old father of three. Over the next two years he would fight a

desperate battle he wasn't trained for, with his wife and boys as his reluctant but willing fighting force. When Weber realized that he was not going to survive this final tour of combat, he began to write a letter to his boys, so that as they grew up without him, they would know what his life-and-death story had taught him—about courage and fear, challenge and comfort, words and actions, pride and humility, seriousness and humor, and viewing life as a never-ending search for new ideas and inspiration. This book is that letter. And it's not just for his sons. It's for everyone who can use the best advice a dying hero has to offer. Weber's stories illustrate that in the end you become what you are through the causes to which you attach yourself—and that you've made your own along the way. Through his example, he teaches how to live an ordinary life in an extraordinary way. Praise for *Tell My Sons* "A gift to us all . . . Every page exudes courage, honesty, and an indomitable spirit. Mark Weber's story has touched me in such a profound way."—Mitch Albom, author of *Tuesdays with Morrie* "Tell My Sons is a deeply moving, personal account of a soldier's journey into an ultimate frontier. As I read Mark Weber's book, I was astonished by its honesty, courage, and discipline. This book offers one of the most profound and detailed descriptions of the strange world of cancer and should be essential reading for all of us who seek to understand that topsy-turvy terrain."—Siddhartha Mukherjee, Pulitzer Prize-winning author of *The Emperor of All Maladies* "Tell My Sons is one of the most profound and inspirational stories I have ever read. It may

have been written for Mark's children, but it may as well be a treatise for all of us about honest parenting and leadership with character in love, family, faith, and politics. For a man who is facing profound health issues, Mark is doing a remarkable job showing us all how to live with courage and integrity."—Walter F. Mondale, former vice president of the United States "This book is why I have always been proud to call Mark Weber my son. His ability to reach across complex boundaries and write and speak with such depth and beauty makes him a modern day Lawrence of Arabia. Mark's passion, attitude, and thoughts about life are what is best about America."—General Babakir S. Zibari, chief of defense, Republic of Iraq "A poignant illustration of what being a hero is all about . . . Heroes exemplify invincible courage, character, and

perseverance in times of insurmountable odds. Mark embodies these attributes. Tell My Sons will empower the reader with profound lessons of living life with hope and determination."—John Elway, Pro Football Hall of Fame quarterback
Tell My Sons Red Hen Press

A series of letters from father to daughter, this elegant book is a writer's roadmap, passed down from one who has seen the climb ahead and sends back missives of encouragement, wisdom, caution, and love to any who follow. But more than a memoir of the craft itself, the book is a cartography of life

itself and how to live it well, no matter your calling.

Letters to My Children

Thomas Nelson

Ruth O'Reilly helps us to slow down, listen to God and respond to him in this beautiful devotional journal. God speaks. If we take the time to quiet our racing thoughts and be still for a moment, we can hear him. He is speaking all the time. Draw closer to God as you listen to 40 messages of love straight from the Father's heart, reflect on Bible verses and learn to talk to God with guided questions and prayers. As you write your thoughts in the journaling space provided, you will create a precious record of how God speaks to you that you can always treasure. Deepen your walk with God as you listen and respond to him speaking to you in this

beautiful devotional journal. Content Benefits: With space for journaling included, God Speaks will help you to deepen your relationship with God, enable you to listen to his voice more closely, and spend more time in his presence. Each chapter has a letter in the voice of God to the reader, a Bible verse, a question to ask God, a prayer and space for journaling Each reflection is written in a conversational and easy to understand voice and is grounded in biblical truths Beautiful line drawings appear throughout and highlight Bible verses, giving the book visual appeal Coloured end papers complement the overall design Enables you to spend time listening to God and encourages you to respond Journaling space means that you can look back over your thoughts and be reminded of what God has spoken to you about Perfect for anyone

****A New York Times Editor's Pick**** From the Ambassador of the UAE to Russia comes *Letters to a Young Muslim*, a bold and intimate exploration of what it means to be a Muslim in the twenty-first century. In a series of personal and insightful letters to his sons, Omar Saif Ghobash offers a vital manifesto that tackles the dilemmas facing not only young Muslims but everyone navigating the complexities of today's world. Full of wisdom and thoughtful reflections on faith, culture and society. This is a courageous and essential book that celebrates individuality whilst recognising it is our shared humanity that brings us together. Written with the experience of a diplomat and the personal responsibility of a father; Ghobash's letters offer understanding and balance in a world that rarely offers any. An intimate and hopeful glimpse into a sphere many are unfamiliar with; it provides an understanding of the everyday struggles Muslims face around the globe. ***One of Time's Most Anticipated Books of 2017, a Bustle Best Nonfiction Pick for January 2017, a Chicago Review of Books Best Book to Read in January 2017, a Stylist Magazine Best Book of 2017, included in New Statesman's What to Read in 2017*** *Letters from a Father to his Son*, etc **TrustedBooks** A profoundly moving and historical record—letters sent by sixteen fathers imprisoned in the Gulag camps to their children during the 1930s – 1950s. “ They will live as human beings and die as human beings; and in this alone lies man's eternal and bitter victory over all the

grandiose and inhuman forces that ever have been or will be.” —Vasily Grossman, *Life and Fate* Between the 1930s and 1950s, millions of people were sent to the Gulag in the Soviet Union. *My Father ’ s Letters* tells the stories of sixteen men—mostly members of the intelligentsia, and loyal Soviet subjects—who were imprisoned in the Gulag camps, through the letters they sent back to their wives and children. Here are letters illustrated by fathers keen to educate their children in science and natural history; the tragic missives of a former military man convinced that the terrible mistake of his arrest will be rectified; the “ letter ” stitched on a bedsheet with a fishbone and smuggled out of a maximum security camp. *My Father ’ s Letters* is an immediate source

of life in prison during Stalin ’ s Great Terror. Almost none of the men writing these letters survived. “ *My Father ’ s Letters* is well presented and deeply moving. The translation is fluent and all the necessary background information is clearly provided. Some passages conjure up the life of an individual family—and of an entire culture—with heart-breaking vividness. ” —Robert Chandler “ Astoundingly, these stories are not miserable. Yes, the men mention their inadequate shelter, clothing and food, but the overwhelming impact is the expression of their love for their families . . . *My Father ’ s Letters* is beautifully produced. ” —Vin Arthey, Scotsman
[Letters From Dad](#) Penguin UK
What does it really mean to be a good father? What did your

father tell you, that has stayed with you throughout your life? Was there a lesson from him, a story, or a moment that helped to make you who you are? Is there a special memory that makes you smile when you least expect it? After the publication of Tim Russert's number one New York Times bestseller about his father, *Big Russ & Me*, he received an avalanche of letters from daughters and sons who wanted to tell him about their own fathers, most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments – of advice, tenderness, strength, honor, discipline, and occasional eccentricity. Most of these daughters and sons were eager to express the gratitude they had carried with them through the years. Others wanted to share lessons and memories and, most important, pass them down to their own children. This book is for all fathers, young or old, who can learn from the men in these pages how to get it right, and to understand that sometimes it is the little gestures that can make the big difference for your child. For some in this book, the appreciation came later than they would have liked. But as *Wisdom of Our Fathers* reminds us, it is never too late to embrace it. From the father who coached his daughter in sports (and life), attending every meet, game, performance, and tournament, to the daughter who, after a fifteen-year estrangement, learned to make peace with her difficult father just before he died, to the son who came, at last, to appreciate the silent way his father could show affection, *Wisdom of Our Fathers* shares rewarding lessons, immeasurable gifts, and lasting values. Heartfelt, humorous, engaging, irresistibly readable, and bound to bring back memories of unforgettable moments with our own fathers,

Tim Russert's new book is not only a fitting companion to his own marvelous memoir, but also a celebration of the positive qualities passed down from generation to generation.

Grown and Flown Harper Collins PARENTING NEVER ENDS.

From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood. The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds.

Now they've compiled new

takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Letters to My Son Alma Classics
A #1 New York Times bestselling author traces her father's life from turn-of-the-century Warsaw to New York City in an intimate memoir about family, memory, and the stories we tell. "An accomplished, clear-eyed, and affecting memoir about a man

who is at once ordinary and extraordinary. ” —Forward Long before she was the acclaimed author of a groundbreaking book about women and men, praised by Oliver Sacks for having “ a novelist ’ s ear for the way people speak, ” Deborah Tannen was a girl who adored her father. Though he was often absent during her childhood, she was profoundly influenced by his gift for writing and storytelling. As she grew up and he grew older, she spent countless hours recording conversations with her father for the account of his life she had promised him she ’ d write. But when he hands Tannen journals he kept in his youth, and she discovers letters he saved from a woman he might have married instead of her mother, she is forced to rethink her assumptions about her father ’ s life and her parents ’ marriage. In this memoir, Tannen embarks on the poignant, yet perilous, quest to piece together the puzzle of her father ’ s life. Beginning with his astonishingly vivid memories of the Hasidic community in Warsaw, where he was born in 1908, she traces his journey: from arriving in

New York City in 1920 to quitting high school at fourteen to support his mother and sister, through a vast array of jobs, including prison guard and gun-toting alcohol tax inspector, to eventually establishing the largest workers ’ compensation law practice in New York and running for Congress. As Tannen comes to better understand her father ’ s—and her own—relationship to Judaism, she uncovers aspects of his life she would never have imagined. Finding My Father is a memoir of Eli Tannen ’ s life and the ways in which it reflects the near century that he lived. Even more than that, it ’ s an unflinching account of a daughter ’ s struggle to see her father clearly, to know him more deeply, and to find a more truthful story about her family and herself. From the Father's Heart Harper Collins

Letters from a Father to His Sons in College Ballantine
Books
For years now, it has been the author ’ s habit to write a monthly letter to his children

during their teenage years. The letters cover an amazing array of life lessons that also show an intimate glimpse of one family ' s life journey. All families, the same challenges and it is this connection that makes the book endearing and relevant to all who read it. Christian faith and values are highlighted throughout, and stories from the bible are brought to life. " I ' ve read hundreds of books on fathering and Letters From a Father is at the very top of the list. This book shares timeless words of wisdom, grounded in scripture from the heart of a devoted father. " David Hirsch, founder 21st Century Dads Foundation & Host of the Special Fathers Network Dad to Dad Podcast. " Please read this book and perhaps start writing to the kids in your life. Letters from a Father is priceless. " Bob Muzikowski, Founder and President, Chicago Hope Academy
Letters of James Agee to Father

Flye Bog Walk Books
One father, his children, and the loving life they share as a family. . . . Like all parents, Jorge Ramos is concerned about how his two children are absorbing the world around them. A loving and thoughtful father though he is, he wonders if he has done enough to prepare them for the future. He questions if they know enough about him as a person, and the family to which they belong. The Gift of Time is a moving and personal book in which one father reflects upon the world we live in and shares his love for his children in a series of letters that touch on everything from love and divorce to soccer and e-mail. Through his experience as a journalist who has seen both the horrors and the greatness that people are capable of, he offers his children the sound advice they need not only to live but to thrive in today's world. In a heartfelt and direct tone that has

gained him the love and admiration of millions of fans across the country, Ramos writes about the issues that plague every parent's mind. In *The Gift of Time*, Ramos speaks both to his children and to the future generations of Americans on what they can expect, and what is expected of them, as they embark on their journey toward adulthood.

Letters From Father Christmas
Kregel Publications

Letters from the Father's Heart is a unique devotional book written in first person as if God is speaking directly to you and captures the heart of the Heavenly Father. He reveals His way of handling life's daily problems and the trials that you face, and addresses the lies you believe and refutes these with His truth. You begin to see things through His eyes as He shares His heart, emotions and desires with you. He conveys just how much He loves you by opening up His heart so you can better understand how He thinks and feels. This helps you to know and trust Him better and receive His love, and in

turn, develop a closer relationship with Him. He explains in ways you can understand what it means to have your identity in Him as you embrace your position as His beloved child and the hope that gives you. This book can change your life!

Father's Love Letter Covenant
Books, Inc.

How does a father prepare his son for life on his own in the world? In this book, one father passes on the wisdom he has gained from life, as well as his devotion to God, in a beautiful, compelling way. Parents want their children to be wise and learn from the mistakes of others- instead of having to learn the hard way- and Daniel Kyuyong Lee shares openly his own failures and lessons learned from them to help his son navigate the complex journey of modern life. In this book, Lee plants seeds of good habits, sound thinking, proper relationships with others, and a close walk with God- and he shares these very personal and yet timeless truths with other fathers and sons. If you want principles of goodness, honesty, courage, humility, gratitude, prayer, and

devotion to God to flourish in the life of your son, this book is for you. Letters from a Father to His Beloved Son offers spiritual wisdom and guidance for all young men about to begin their journey into adulthood.

Letters to the Sons of Society New World Library

This book is a simple book of letters written for you, a grieving loss dad, from other loss dads who are living and surviving after the death of their precious child. In the pages of this book, fathers from around the world share letters of love from their hearts to yours with the hope that, maybe, in the darkest, loneliest hours of grief, you will find a little bit of comfort in the words of another father who has been where you are now. Too often the father's grief and experience of loss is overshadowed or unacknowledged after the death of their children. This book offers acknowledgement and gives voice to the experience of fathers grieving their children. The fathers speaking through in these pages offer support and recognition to let you know that you are not

alone. They are here with you.

Letters to My Daughter
Flatiron Books

'Heaven. Is that the real heaven-the perfect place with the perfect companion? And if you and I meet again, Dad, will you look the same, and will I be a small boy or an old man?' Letters to My Father is a deeply personal anthology of essays that have made an impact on Bond's life. It talks of his father, his mother, his neighbours, his boyhood friends and his home. This book brings together the most beautiful and sometimes painful memories of the author's life in eloquent prose. From diary entries that were written during his early years as a writer, to personal correspondence with his family members, this book offers a deep insight into the delicate complexities of human relationships.

LETTERS TO MY FATHER

Granta Books

This is a book of letters I wrote to my daughters, starting when my daughters were toddlers and continuing for over thirty years. Writing "love letters" to your child is rich with positive long-term consequences. It is a chance to compliment your child, affirm her, tell her how she has enriched your life and how much she means to you, thank her, give her encouragement, and tell her you love her. Many parents, like me, are not skilled at expressing their feelings.

Writing expressive letters or notes-leaving them in your child's lunch box, under her pillow, in her backpack, taped to the steering wheel, wherever-can go a long way toward strengthening your parent-child relationship.

What parents don't long to

connect deeply with their children? Sadly, the pressures and demands of daily life conspire to stop this from happening. Writing a love letter to your child is an effective way to strengthen your unique bond with your child and show her how much you care.

Dearest Father Penguin

'I Am Going To Write You Short Accounts Of The Story Of Our Earth And The Many Countries, Great And Small, Into Which It Is Divided&I Hope [These] Will Make You Think Of The World As A Whole And Of Other People In It As Our Brothers And Sisters . . . ' -Jawaharlal Nehru When Indira Gandhi Was A Little Girl Of Ten, She Spent The Summer In Mussoorie, While Her Father, Jawaharlal Nehru, Was Busy Working In Allahabad. Over The

Summer, Nehru Wrote Her A Series Of Letters In Which He Told Her The Story Of How And When The Earth Was Made, How Human And Animal Life Began, And How Civilizations And Societies Evolved All Over The World. Written In 1928, These Letters Remain Fresh And Vibrant, And Capture Nehru'S Love For People And For Nature, Whose Story Was For Him `More Interesting Than Any Other Story Or Novel That You May Have Read'.
