Automobile Book

1997 First Books

The automotive industry appears close to substantial

change engendered by “ self-driving ” technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

The 2002 Used Car and Truck Guide Harper Collins Sydney Taylor Book Award Notable book in the Young Adult category From the New York Times bestselling authors of I'm Not Dying with You Tonight comes a story about friendship, privilege, sports, and

protest. With a rocky start to senior year, cheerleaders and lifelong best friends Eleanor and Chanel have a lot on their minds. Eleanor is still in physical therapy months after a serious concussion from a failed cheer stunt. Chanel starts making questionable decisions to deal with the mounting pressure of college applications. But they have each other's backs—just as always, until Eleanor's new relationship with star quarterback Three starts a rift between them. Then, the cheer squad decides to take a knee at the season's first football game, and what seemed like a positive show of solidarity suddenly shines a national spotlight on the team—and becomes the reason for a larger

fallout between the girls. As Eleanor and Chanel grapple with the weight of the consequences as well as their own problems, can the girls rely on the friendship they've always shared?
