Enticing Her Unexpected Bridegroom Sound Innovations A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really

happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad

idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. A singular life often circles around a singular moment, an occasion when one's life in the world is defined forever and the emotional vocabulary set. For the extraordinary writer James Salter, this moment was contained in the fighter planes over Korea where, during his young manhood, he flew more than one hundred missions. James Salter is considered one of America's greatest prose stylists. The Arm of Flesh (later revised and retitled Cassada) and his first novel, The Hunters, are legendary in military circles for their descriptions of flying and aerial combat. A former Air

Force pilot who flew F-86 fighters in Korea, Salter writes with matchless insight about the terror and exhilaration of the pilot's life.

USA Today and Wall Street Journal bestselling author L A Cotton's angsty college mafia romance series continues with Enzo Marchetti's story... Nora Abato is the kind of girl people gravitate to. Sassy. Selfless. Stubborn. She knows what she wants and she's determined to get it. And Nora wants her very own mafioso, the bad boy with a tortured soul who will do whatever it takes to protect his family. Enzo Marchetti is the kind of guy people run from. Rash. Reckless. Ruined. As the Marchetti crime family's new enforcer, he'd rather spend his days getting his hands dirty than thinking about the future, or the girl with fire in her eyes and fight in her heart. When a new enemy threatens the Marchetti empire, Enzo and Nora suddenly find themselves in close confines, and the undeniable connection between them is pushed to its limits. He can't resist the girl who

sees past the darkness in his soul and she can't give up on the guy who has never been taught how to love. There's only one problem.
