Two eighteenth century women, Sarah Pierpont Edwards and Sarah Prince Gill, wrote conversion narratives of remarkable craft and insight. These pieces, collected for the first time in The Silent and Soft Communion, represent two generations of Calvinist evangelism, addressing the social implications of spiritual regeneration and presenting full accounts of Calvinist

religious life. The companion conversion narrative by Sarah Prince Gill, never before published, offers the perspective of the next generation of Calvinist women, whose religious orientation was inflected by Enlightenment values. A private document, Gill's journal offers a striking contrast to Edwards's more public writings.

The Cocktail Book, first published in 1900, is the earliest book devoted purely to the art of the cocktail. For 30 years, including during Prohibition, it was a staple of well-stocked bars, although originals are now extremely rare. This collection, in a beautiful new edition, allows a modern audience to rediscover the joy of classic cocktails, with early recipes for the Whisky Sour, Mint Julep, Manhattan, and many more. The Cocktail Book was published at the precise time that the modern cocktail found true success, and is both a connoisseur's curiosity and a practical guide to mixing classic drinks at home.

'Look Into' materials provide the reader with an overview of Scripture at a level to help personal knowledge and application for the individual, together with Bible study and sermon material for the hard-working church leader. 'Look Into' series are intended to provide an overview of Bible books and pick out main topics. In this way, the reader is left with a real flavour of the specific Biblical subject, with the hope that, in due time, he/she might be encouraged into a deeper study. These studies from the book of James meet our aims and focus the reader on the need to study, learn and apply the undoubted word of God. Why? Because we live in a time

when the Word of God has never been easier to obtain, yet it is a time when that same Word is so little understood. This creates one of the greatest dangers to the Church that is from within, not from outside.
