Four Sermons Preached in the Chapel of Trinity College, Cambridge Longman

With contributions from a wide array of scholars and activists, including leading Chicana feminists from the period, this

groundbreaking anthology is the first collection of scholarly essays and testimonios that focuses on Chicana organizing, activism, and leadership in the movement years. The essays in *Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era* demonstrate how Chicanas enacted a new kind of politica at the intersection of race, class, gender, and sexuality, and developed innovative concepts, tactics, and methodologies that in turn generated new theories, art forms, organizational spaces, and strategies of alliance. These are the technologies of resistance documented in *Chicana Movidas*, a volume that brings together critical biographies of Chicana activists and their bodies of work; essays that focus on understudied organizations,

mobilizations, regions, and subjects; examinations of emergent Chicana archives and the politics of collection; and scholarly approaches that challenge the temporal, political, heteronormative, and spatial limits of established Chicano movement narratives. Charting the rise of a field of knowledge that crosses the boundaries of Chicano studies, feminist theory, and queer theory, *Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era* offers a transgenerational perspective on the intellectual and political legacies of early Chicana feminism.

Here are nine solos for plectrum guitar written with the tradition of the Celtic ballad and Scottish Aire. Many of the solos call for a 7 string guitar but can certainly be played on a 6 string. I have shown alternate notes for the low 7 string pedal tones in the tablature. The solos give the guitarist an opportunity to play concert settings with a maximum of expression. I have recorded all of the solos and they are available as a free internet download. This book is a sequel to my solo collection entitled *Guitar Meditations (MB22029)*. I have authored both solo collections to address the need for serious compositions for the plectrum guitarist wanting to play in concert or recital. The music in each collection draws from a wide variety of influences and utilizes many contemporary harmonic concepts. I hope you enjoy performing and listening to these solos.

Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Sant á ngel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tom á s de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend ' s demise brings the violence close to home, Sant á ngel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Sant á ngel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he ' d lost... the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Sant á ngel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

“ The stories are skillfully told and entirely entertaining . . . An expert, mostly feel-good book about modern medicine ” from the award-winning author (Kirkus Reviews, starred review). Behind every landmark drug is a story. It could be an oddball researcher ’ s genius insight, a catalyzing moment in geopolitical history, a new breakthrough technology, or an unexpected but welcome side

effect discovered during clinical trials. Piece together these stories, as Thomas Hager does in this remarkable, century-spanning history, and you can trace the evolution of our culture and the practice of medicine. Beginning with opium, the “ joy plant, ” which has been used for 10,000 years, Hager tells a captivating story of medicine. His subjects include the largely forgotten female pioneer who introduced smallpox inoculation to Britain, the infamous knockout drops, the first antibiotic, which saved countless lives, the first antipsychotic, which helped empty public mental hospitals, Viagra, statins, and the new frontier of monoclonal antibodies. This is a deep, wide-ranging, and wildly entertaining book. “ [An] absorbing new book. ” —The New York Times Book Review “ [A] well-written and engaging chronicle. ” —The Wall Street Journal “ Lucidly informative and compulsively readable. ” —Publishers Weekly “ Entertaining [and] insightful. ” —Booklist “ Well-written, well-researched and fascinating to read Ten Drugs provides an insightful look at how drugs have shaped modern medical practices. Towards the end of the book Hager writes that he ‘ came away surprised by some of the things he had learned. ’ I had the very same reaction. ” —Penny Le Couteur, coauthor of Napoleon ’ s Buttons: How 17 Molecules Changed History
