I worked with all kinds of people in different positions in a company, from the shop floor to CEOs/Company owners, with different cultures, from different countries and different generations. I failed as much as I succeeded.I made mistakes, made breakthroughs, embraced both, and learned with both. I am here to help you. My goal is to empower you to have a new perspective, become smarter, see the signs in front of you, and grab the opportunities. I had some help during my work life, and now that I am in my 40s, I decided it is time to share my knowledge with others.
