Discover a world of inspired and colourful

jewellery-making from the comfort of your own home. Just make, bake and wear! In this comprehensive guide to modern polymer clay techniques, artist and designer Heidi Helyard reveals the simple techniques that can be used to create one-off, contemporary jewellery pieces with minimal tools and equipment. Polymer clay, which has been around for nearly eighty years, is currently finding itself popular amongst contemporary jewellery makers as the bright

colours and sheer versatility of the material allows makers to create bold and graphic modern designs. The beauty of polymer clay is that it presents so many opportunities to explore colour combinations, patterns and texture. In this book you will learn ten easy yet exciting techniques including slab and cane making, marbling and colour mixing, inlay techniques, printing onto clay, surface embellishments and more	to create twenty unique jewellery pieces. The projects in this book vary in complexity, but are accessible to both novice and advanced makers alike. If you are a beginner, the extensive step-by-step photos and instructions will help you develop your polymer clay skills and complete the projects with confidence. As you build your skills and learn the techniques via the book, you will realise that you can combine techniques to create all-new results.	The skills you learn in this book will open up a limitless world of further experimentation for you to discover. <i>Elegant Christmas Ornaments to Crochet</i> Chronicle Books The award-winning textile artist presents her modern approach to 150 fabric manipulation techniques in this fully illustrated sewing guide. To women the whole world over, perfume means glamour, and in the world of perfume, Jean-Claude Ellena is a superstar. In this one-of-a-kind book, the master himself takes you through the doors of his laboratory and explains the process of creating precious fragrances, revealing the key methods and recipes involved in this mysterious alchemy. Perfume is a cutthroat, secretive multibillion-dollar

industry, and Ellena provides an insider's tour, guiding us from initial inspiration through the mixing of essences and synthetic elements, to the deluxe packaging and marketing in elegant boutiques worldwide, and even the increasingly complicated safety standards that are set in motion for each bottle of perfume that is manufactured. He explains how the sense of smell works, using a palette of fragrant materials, and how he personally chooses and composes a perfume. He also reveals his unique way of creating a fragrance by playing	with our olfactory memories in order to make the perfume seductive and desired by men and women the world over. Perfume illuminates the world of scent and manufactured desire by a perfumer who has had clients the likes of Cartier, Van Cleef & Arpels, Bulgari, and Hermés. <u>Macramé Patterns and Projects</u> David and Charles Masterfully executed designs in reproductions of two rare catalogs: ornamental borders, corners and frames with intricate floral and foliated patterns, architectural ornaments and design	elements, religious symbols and figures, much more. <i>2,286 Traditional Stencil Designs</i> Michelle Ford Michelle Ford's <i>Macramé: Patterns & Projects</i> offers an easy as well as a complete step-by-step guide for everyone interested in learning this ancient art.
