Grimoire of Tiamat Tachyon Publications
The magickal methods and esoteric knowledge of medieval Europe

(476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To understand medieval magick, it's necessary to know the primary repositories of this knowledge--the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the magicians who wrote them.

Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world. The word has functioned as a powerful indictment of one's rivals, an expression of rebellion against authority, and sometimes to describe the deliberate worship of dark, supernatural forces. This Element provides a concise overview of Satanism from its origins in early modern Europe through the

present. It covers such topics as legends of the black mass, hell-fire clubs, the Romantic Satanism of Lord Byron and Percy Shelley, and nineteenth-century occultists who expressed reverence for Satan. It describes modern Satanic religions including the Church of Satan, The Temple of Set, The Order of Nine Angles, The Satanic Temple, and others. It also addresses contemporary Satanic Panic from the 1980s through QAnon. This Element should prove useful to anyone seeking to learn more about this complicated and frequently

misunderstood tradition. Uncle Setnakt's Essential Guide to the Left Hand Path Independently Published At the secret heart of the Western Mystery Tradition lies the angelic wisdom that

forms the teachings of true magick. Drawing from a wide range of sources, this book presents a new and unique overview of Western magick and occultism, exploring how this secret tradition has been inherited from Persian, Chaldean, Canaanite, Egyptian, Arabic, Hebrew and Greco-Roman sources. It also records how this tradition was preserved in the symbols and

beliefs of Esoteric Christianity, Gnosticism, Hermiticism, alchemy, medieval magick, the Cabbala, the Tarot, the Grail mythos, the Arthurian legends, Freemasonry, Rosicrucianism and some forms of traditional witchcraft. Topics include the origins of angelology; the gnostic myth of the Grigori or fallen angels; the forgotten civilisations of the giant

races; the esoteric symbols within Hermeticism and Masonry that reveal the key to understanding the mythic theme of the Luciferian gnosis; the inner mysteries of the Grail; King Solomon's temple as a Goddess shrine; the real identity of the Queen of Sheba; the truth behind the myth of the Garden of Eden and the Fall; the place of the dark moon goddess Lilith in the Luciferian tradition; the

symbolism and meaning of the previously forbidden Luciferian occult tradition concerning the Watchers, or fallen angels, and the so-called Prince of Darkness' - revealed to be really the Lord of Light; arcane lore that illuminates several mysterious figures in the Bible whose real significance and identities have been hidden from us for centuries; the real occult secrets of the sacred bloodline of Jesus and Mary Magdalene and the spiritual reality behind the worship of the goat-god Baphomet by the heretical Knights Templar. This is a major work on a subject little known or discussed outside the inner circles of secret societies, occult orders and traditional witch covens. As we enter the 21st century, the information here may prove essential to understanding what is happening in the world today and the future destiny of the human race. It reveals that our modern civilisation is not the product of haphazard cultural phenomena, but its development has been guided and influenced by celestial intelligences who first made contact with humans in prehistory. These teaching angels', as they are called, are

still there ready to teach and essential starting and guide those who recognise their presence. This book contains several appendices that offer ritual practices for those interested in contacting the angelic forces. This is the first book to be written exclusively on the Luciferian gnosis and angelic magick which reveals the real secrets within the Western magical tradition. It provides an important

point for the reader to delve further into the numinous realm of the angels. The voice of the angels shalt speak unto you and by their signs shall ye know them.

Satanism Tor Books Tiamat is the Primal Dragon Goddess, the first one, who gave birth to the gods of the universe," the Mother of Everything, the self-procreating womb, the

source of all life and all manifestation. The work described in this book was inspired by the Babylonian epic known as the "Enuma Elish," one of the oldest Creation myths in the world. The Grimoire of Tiamat presents a complete system of magick based around the Mesopotamian primordial goddess Tiamat and the eleven demons she created to aid her in her fight against the new order of gods lead by Marduk. The book is divided into three sections: first, a lengthy introduction of the theme and cosmology, followed by individual workings for each

of the eleven demon-gods, and then a concluding appendix of thematically related workings focusing directly on Tiamat and Kingu. The second section, The Children of Tiamat, presents ways of working with each of the eleven demon-gods, prefaced with an explanation of the techniques that follow and the use of the Key of Night, a master sigil that is employed throughout the workings as a way to access the Nightside. The final section of The Grimoire of Tiamat is an appendix that returns the focus to Tiamat as it takes

the form of a guided meditation within the waters of Tiamat, a ritual for two participants invoking Tiamat and Kingu, a rite of malefica, and a discussion of the underworld in Mesopotamian belief, followed by a chthonic guided path working. But we are not referring to just any knowledge. Gnosis is knowledge which produces a great transformation in those who receive it. Knowledge capable of nothing less than waking up man and helping him to escape from the prison in which he finds himself.

That is why Gnosis has been so persecuted throughout the course of history, because it is knowledge considered dangerous for the religious and political authorities who govern mankind from the shadows. Every time this religion, absolutely different from the rest, appears before man, the other religions unite to try to destroy or hide it again. Primordial Gnosis is the original Gnosis, true Gnosis, eternal Gnosis, Gnostic

knowledge in its pure form. Due to multiple persecutions, Primordial Gnosis has been fragmented, distorted and hidden.

We Are Bears
The purpose of this study is to investigate the inquisitorial activities of Don Fray Juan de Zum á rraga, first Bishop and Archbishop of Mexico, 1528-1548. Zum á rraga served as Apostolic Inquisitor in the bishopric of Mexico from 1536 to 1542, when he was superseded in that office by the Visitor General, Francisco Tello de

Sandoval, largely because he had relaxed Don Carlos, the cacique of Texcoco, to the secular arm for burning, an act regarded as rash by the authorities in Spain.

Throughout this essay an attempt is made to relate the Inquisition to the political and intellectual life of early sixteenth-century Mexico. Zumárraga is pictured as the defender of orthodoxy and the stabilizer of the spiritual conquest in Mexico. The relationship of the individual and of society collectively with the Holy Office of the Inquisition is stressed. With the exception of background

materials, this study is based entirely upon primary sources, trial records which for the most part have lain unstudied since the sixteenth century. In all, two years of research in the Ramo de la Inquisición of the Archivo General de la Nación in Mexico City were consumed in ferreting out these materials.

Subsidiary investigations in other sections of the Mexican archives were made in order to place the Inquisition materials in their proper perspective.—Richard E. Greenleaf

Secrets of the Magickal Grimoires

I speak to you of darkness, of night. I beckon you to be consumed, astounded and swayed by its rhetoric. Hear its words, see its formless face, and know that the gate through which you now must pass is open now to you alone. Lucifer, the mentor of the proud few, grants his students fragments of Truth throughout their lives, fragments which ultimately culminate into one grand picture. Kosmology is but a recording of the Truth

granted to the author thus far in his life. Fusing Gnostic Theogony from antiquity and modern Theoretical Physics, as well as a number of sources of Classical Philosophical thought, Kosmology emerges with a new, coherent take on Luciferian Philosophy. Become a Living God Examines the left-hand path and reveals the masters of the tradition • Explores the practices and beliefs of many left-hand path groups, including the Cult of Set, the Hell-Fire Club, and heretical Sufi,

Zoroastrian, Christian, and Muslim sects • Investigates many infamous occult personalities, including Helena Blavatsky, Aleister Crowley, the Marquis de Sade, and Anton LaVey • Explains the true difference between the right-hand path and the left-hand path--union with and dependence on God versus individual freedom and self-empowerment From black magic and Satanism to Gnostic sects and Gurdjieff ' s Fourth Way, the left-hand path has been linked to many practices, cults, and individuals across the ages. Stephen Flowers,

Ph.D., examines the methods, teachings, and historical role of the left-hand path, from its origins in Indian tantric philosophy to its underlying influence in current world affairs, and reveals which philosophers, magicians, and occult figures throughout history can truly be called " Lords of the Left-Hand Path. " Flowers explains that while the right-hand path seeks union with and thus dependence on God, the left-hand path seeks a " higher law " based on knowledge and power. It is the way of self-empowerment and true freedom. Beginning with

ancient Hindu and Buddhist sects and moving Westward, he examines many alleged left-hand path groups, including the Cult of Set, the Yezidi Devil Worshipers, the Assassins, the Neoplatonists, the Hell-Fire Club, the Bolsheviks, the occult Nazis, and several heretical Sufi, Zoroastrian, Christian, and Muslim sects. Following a carefully crafted definition of a true adherent of the left-hand path based on two main principles--self-deification and challenge to the conventions of “ good ” and “ evil ” --the author analyzes many famous and infamous personalities, including H. P. Blavatsky, Faust, the Marquis de Sade, Austin Osman Spare, Aleister Crowley, Gerald Gardner, Anton LaVey, and Michael Aquino, and reveals which occult masters were Lords of the Left-Hand Path. Flowers shows that the left-hand path is not inherently evil but part of our heritage and our deep-seated desire to be free, independent, and in control of our destinies.
