All chef Nina Lyon wants is to make without killing each other...and a name for herself in the culinary world and inspire young women everywhere to do the same. For too long, she 's been held back and underestimated by the male-dominated sphere of professional kitchens, and she's had enough. Now, as co-host of the competitive reality TV series The Next Cooking Champ!, she finally has a real shot at being top tier in the foodie scene. Too bad her co-host happens to be Hollywood 's smarmiest jerk. Restaurateur Leo O ' Donnell never means to get under Nina 's skin. It just seems to happen, especially when the cameras are rolling. It's part of the anxiety and stress he has come to know all too well in this line of work. So nothing prepares him for the fallout after he takes one joke a smidge too far and Nina up and quits—on live TV. To make matters worse, the two are caught in what looks like a compromising situation by the paparazzi...and fans of the show go absolutely nuts. Turns out, a “ secret romance ” between Nina and Leo may just be what their careers need most. Now all they have to do is play along,

without catching feelings. Easy as artisanal shepherd's pie. Right?

From the team that brought you The 39 Clues and Spirit Animals comes a brand new epic Egyptian adventure! Nothing can save Alex Sennefer's life. That's what all the doctors say, but his mother knows it's not true. She knows that the Lost Spells of the Egyptian Book of the Dead can crack open a door to the afterlife and pull her son back from the brink. But when she uses the spells, five evil

ancients--the Death Walkers--are also brought back to life. An ancient evil has been unleashed. Mummies are awakening. New York is overrun with scorpions. And worst of all for Alex, his mom and the Lost Spells have both disappeared. He and his best friend, Ren, will do anything to find his mom and save the world . . . even if that means going head-to-head with a Death Walker who has been plotting his revenge for 3,000 years. Read the book, then continue the adventure online! Build an Egyptian tomb of your own, hide treasure and protect it with traps, then challenge your friends to play through! An epic, award-winning biography of Malcolm X that draws on hundreds of hours of personal interviews and rewrites much of the known narrative. Les Payne, the renowned Pulitzer Prize – winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to create an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic, National Book Award – winning biography, which interweaves previously unknown details of Malcolm X ' s life—from harrowing Depression-era vignettes to a moment-by-moment retelling of the 1965 assassination—into an extraordinary account that contextualizes Malcolm X ' s life against the wider currents of American history. Bookended by essays from Tamara Payne, Payne ' s daughter and primary researcher, who heroically completed the biography after her father ' s death in 2018, *The*

Dead Are Arising affirms the centrality of Malcolm X to the African American freedom struggle.

The heart-pounding sequel to *They Threw Us Away*, about a group of teddy bears looking for a place to call home...and answers to life 's biggest questions. The teddies—clever Buddy, brave Sunny, sweet Sugar, and wise Reginald—have managed to find a child. Life with Darling is far better than any they 've known. But something's not right—the promised bliss of *Forever Sleep* hasn 't come. And they are kept a secret from Darling 's mother, hidden underneath the child 's bed in the dusty darkness. Then the inevitable happens: Mama discovers the teddies. And like all adults they 've met thus far, she responds with fear and anger. The teddies must watch as one of their friends is

destroyed. The remaining trio barely escape, thrust back into a world that does not want them.

Disillusioned and lost, the teddies embark on a journey back to the factory where they were created. En route, they find a civilization of discarded teddy bears. The comfort of a town of teddies has its allure...but the need for answers weighs heavy. And there 's something definitely off about these new teddies. Will our heroes accept their strange rules? Or must they dig deep for one more grand adventure to finally learn why they were thrown away?

From its earliest centuries, one of the most notable features of Christianity has been the veneration of the saints—the holy dead. This ambitious history tells the fascinating story of the cult of the saints from its origins in the second-century days of the Christian martyrs to the Protestant Reformation. Robert Bartlett examines all of the most important aspects of the saints—including miracles, relics, pilgrimages, shrines, and the saints' role in the calendar, literature, and art. The book explores the central role played by the bodies and body parts of saints, and the special treatment these relics received. From the routes, dangers, and rewards of pilgrimage, to the saints' impact on everyday life,

Bartlett's account is an unmatched examination of an important and intriguing part of the religious life of the past—as well as the present.
