Poker For Dummies Diamond Pocket Books Pvt Ltd

This is the first book to provide winning strategies for the small buy-in (\$100 or less) no-limit hold'em tournaments that have exploded in poker rooms all over the country-and on the Internet. The strategies for small buy-in no-limit hold'em tournaments are similar to the big-money games, but the important factors-hand value, position, aggression and others, and speed of play-cause a radical change of strategy. Snyder recounts his own experience with these

methods at a win rate of almost 300% and gives readers specific strategies for winning the big money available in prizes at the hundreds of small buy-in no-limit hold'em tournaments taking place weekly around the country and on the Internet.

"This book closely examines the many techniques used by the world's most successful players, including 3- and 4-betting, floating and squeezing, smooth-calling and min-raising, thin value betting, and the evolution of the metagame, along with equilibrium strategies based on starting hands and heads-up play. Even the ages and nationalities of your opponents are considered. There's also an extensive bonus chapter on reading tells, contributed by body-language expert Steve Van Aperen."--P. [4] of cover.

Kill Everyone Cardoza Publishing

Is must reading for anyone planning to play hold 'em. It was the first definitive work on hold'em poker and was originally published in 1976. Yet it is still one of the best-selling poker books available, and in 1997 it was expanded and updated to account for today's modern double blind structure. The text is designed for someone relatively new to the game, but it still contains much sophisticated material which all players should find beneficial. It is probably best known for the Sklansky Hand Rankings, which made the game much simpler to quantify and understand. Some of the topics include how Texas hold'em is played, the importance of position, the first two cards, the key flops, strategy before the flop, semibluffing, the free card, slowplaying, check

If you believe that winning at casino games depends entirely on chance or luck, then this is not the book for you. If, on the other hand, you think that it's crucial to have an effective strategy in order to win, then you simply can't do without it. The green table is the most democratic place to play, where the inequalities between you and the dealer are at a minimum and players can significantly increase their chances of victory. You just need to know how. Simply told and with a touch of irony, 'games king' Dario De Toffoli guides us through rules, secrets, tactics and advice, in a book that is as much for beginners as experts. So prepare yourselves to explore the world of Blackjack, which is 'deconstructed' and analysed in all its mathematical glory for the first time, making readers more conscious and successful when they play. Whether you are in front of a croupier in the flesh and blood or in front of your computer screen playing an online game, now is the time to abandon all those good luck charms and understand that your success depends on you. Because it's fun to play, but it's even more fun to win. So, what are you waiting for? Play the game, but don't let the game play you...

In this groundbreaking book, Taylor and Hilger lay bare the secrets of the Poker Mindset: seven core attitudes and concepts that ensure you have the optimal emotional, psychological, and behavioral framework for playing superior poker. The Poker Mindset deeply explores vital topics that most poker books only touch upon: - Tilt: What it really is, why and when you are most prone to it, and how you can avoid it.- Bankroll: A complete examination of bankroll management from a technical, but more importantly, from a psychological and emotional viewpoint.- Opponents: How to determine your competitors' mental and emotional processes so that you can dominate, out think and outplay them.- Downswings: Every poker player experiences them, but you will truly understand and be armed against low ebbs when they occur.- Bad Beats: The Poker Mindset will enable you to overcome the trauma of bad beats and losing big pots. Poker is a fun game, but it is even more fun when you win. The Poker Mindset may be the most valuable poker book you will ever read. Embrace its concepts and you can overcome the unseen obstacles that are limiting your success at the table.

Questo è un manuale per tutti quei giocatori di poker che vogliono conoscere in modo approfondito la modalità "torneo" nel gioco Texas Hold'em. Niccolò Caramatti, limita al minimo il ruolo della fortuna nel poker: il giocatore, infatti, deve solamente saper fare i calcoli giusti e comprendere al meglio le caratteristiche dei suoi avversari per giocare la sua partita in modo vincente. Facendo riferimento tanto alla modalità live quanto a quella online, l'autore analizza il torneo fase per fase, corredando le sue spiegazioni con numerosi esempi, fittizi o tratti da partite realmente giocate: il lettore è condotto direttamente nel vivo del torneo e sperimenta in prima persona i suggerimenti che gli vengono dati. Il manuale spiega inoltre quali sono le formule matematiche da applicare e le riflessioni utili da fare per calcolare le probabilità della riuscita di determinate giocate, e consiglia al lettore particolari strategie di gioco da utilizzare in funzione delle diverse tipologie di avversari.
