Manuals - Liebherr  
(page 4)

Liebherr genuine  
parts are standard  
parts. In other  
words, they are made  
according to the same  
production process  
and are thereby

subject to the usual  
comprehensive checks  
at Liebherr. This is  
important because the  
performance of the  
whole machine relies  
on the quality and  
compatibility of the  
individual parts.
